PROGRESS IN ATHLETICS

Throughout the year the Athletic Department of Kent has made an effort to furnish you with an interesting program of sports and a really satisfactory place in which to play. A number of the students have taken advantage of this opportunity and have benefited thereby. Were you one of those who took advantage of this opportunity and found what a great time could be had in a little friendly game of basketball or a wild game of indoor baseball with Prof. "Bill" Wood as the leader? Make up your mind now, that if you are one of those who have other years to spend here at Kent, you will enjoy these evenings to the fullest extent.

A program of intra-mural sports was started this year at Kent and while it was an innovation it has succeeded quite well for the first year. A group from the senior class was present on practically every evening and they took on all comers from among the classes of the fraternity teams. They were not always fortunate because they met some excellent competition and suffered more than one defeat, but they were always there the next time ready for more.

The freshman class was probably the most active as a class to take advantage of the games offered on the evenings of play, for they had the largest number present at any one time. Among those who represented this team were some ex-stars of high school teams in this city. They were most proficient in the basketball games and this accounts for the number of wins chalked up for the freshmen class.

It is hoped that in future years this program will be kept up and improved and that the school will eventually have the opportunity to support a school team which will meet other schools in a regular collegiate schedule. There are a number of experienced men in school who would be available for a school team. Support this intra-mural program of the school next year and it will surely lead to an enlarged sports program for Kent in the future.

"The Place To Eat"

IF YOU appreciate real HOME COOKING and BAKING, if you care for good wholesome food prepared under sanitary conditions—you will find us to your liking. Our portions are liberal and our prices moderate.

Our enlarged Cafeteria will enable us to give even better service than before.
