# FRATERNITIES

## DELTA CHI

The Chicago-Kent Chapter of Delta Chi is going strong with real prospects for a great year. On Tuesday evening, Sept. 18, the first social function of the year took place in the form of a smoker at the Chapter rooms in the Morton Salt Building, Room 301. There was a great turnout of members, alumni and fellow students of Kent, who were the guests of the evening. Judge Pickett, who needs no introduction, was the speaker of the evening and his eloquent remarks were enthusiastically received and enjoyed by everyone. The Judge will always be a welcome visitor at Delta Chi. We were also honored by the presence of Henry V. McGurran, who has been a national officer in Delta Chi for eighteen years and who spoke to us on fraternities. Mr. Albert G. McCaleb, one of Chicago's most prominent patent lawyers, who officiates as our Chapter advisor, was also present and spoke. Professor Wm. G. Wood, who presented our Chapter with a valuable set of books during the summer months which have been added to our library, was another of our welcome guests.

The speeches, bridge, smokes and refreshments served to provide a real get-together to start off the year.

Bill Alexander is back in school looking like a million and so are all the other men who are all pepped up to follow Art Jepson's orders to get back the scholarship cup and no foolin'. We have with us two pledges, Bruchardt and Gemrich, who were pledged last spring, and we take great pleasure in announcing the pledging of Quinlan Short and John Babb, both Freshmen in the school.

Plans are being made for a big year under the leadership of our new officers: Arthur C. Jepson, "A"; John W. Brother, "B"; Clayton Thomas, "C"; Ross Watkins, "D"; Lou Traksl, "E"; Harry Martin, "F."

We hereby serve notice on all brother alumni that the Chapter dinners are held every Thursday evening at 5:30 p. m. at Brennan's Restaurant, 128 N. Wells St., and Chapter meetings held in Room 301 Morton Salt Building, N. W. corner of Washington and Wells Sts., every Thursday. Come out and renew your relations with the present active Chapter.

See you next Thursday!!

## NU BETA EPSILON FRATERNITY

The Judah P. Benjamin Chapter of the Nu Beta Epsilon fraternity held its first meeting of the current semester on Friday, Sept. 21, 1928. This meeting was the occasion of the annual election of officers, which was held after reports from officers of the past year were read. The following were elected to office:

Chancellor .....	Meyer Balin
Vice-Chancellor .....	Walter Monarch
Scribe .....	Jacob Chapman
Chancellor of the Exchequer .....	
.....	Max Kargman
Sergeant at Arms .....	Harry Silverman

The new administration plans to carry on the good work of its predecessors and, if possible, bring the name of the Nu Beta Epsilon fraternity into greater renown. As a result many social events are on "tap" for the current year, the first entertainment being the smoker which will be held for the newcomers on Sunday, Oct. 7, 1928, at the Bismarck Hotel. Indications point to this smoker being by far the largest and most elaborate in the history of the Nu Beta Epsilon fraternity. It will be held in conjunction with the other two Chicago chapters, Northwestern and De Paul, and a record gathering of approximately one hundred to one hundred and fifty is expected at the affair. Noted speakers, including a prominent Judge and Barnett Hodes, the founder of

our organization, are on the program, as well as a number of other interesting features which will make this Oct. 7 a day long to be remembered in the annals of our lives and those of our guests.

### PHI DELTA PHI

Fuller's Inn introduced the fall social season with a big rushing party at the Bismarck Hotel on Friday evening, Sept. 21. They had as their guests many friends from among the new students and the other legal fraternities represented at Kent. Paul Dunican, one of the 1928 class, was on hand to help make the occasion a large affair. Having previously served very well as the Inn's Gladiator, his presence at this rushing party was greatly appreciated. As a fitting sequel to the party the following new men were invited to membership in Fuller's Inn: Stensland, Bue, Jentzsch, Marshall, Be-Hanna, Kelly, Truitt, Meyer, Obermeyer, Burke, Olin and Talcott.

These new men will be relied upon to fill the places left vacant by the heavy toll that graduation took in our ranks last June. Those splendid fellows who are no longer actively associated with the Inn are missed, but we look for them to return to the many general functions sponsored by the Inn. We take this opportunity to commend them on their excellent showing in the July bar examination.

### DELTA THETA PHI NOTES

Toward the close of last semester, Webster Senate of Delta Theta Phi held its annual election of officers. The following men were elected to hold office for the year 1928-29:

Tribune .....	Geo. Edwards
Dean .....	Al Ramlose
Vice-Dean .....	Joe Zambreno
Clerk of Rolls .....	Russ Allen
Clerk of Exchequer .....	Charles Hansen
Master of Ritual .....	Francis Colby

The Delta Thets of Kent were rather active during the past summer, holding

three smokers at the Brevoort Hotel and two dances at the Drake Hotel. These affairs gave the boys an opportunity to see one another during the non-school period. It is intended that the same active spirit shall prevail during the coming school year. A fine beginning seems to have been made in that smokers on Sept. 14 and 28 have already been presented.

The following brothers took the July bar exam: Burke, Morgan, Cavanaugh, Czekala, Brannon, and Payne. We happily and proudly announce that all were successful.

### PHI ALPHA DELTA

The members of P. A. D. wish to take this opportunity to welcome all their old friends back to school, their new friends, the members of the Freshman Class, and last but not least the members of the faculty.

P. A. D. is very proud of its members of last year's Senior Class in regard to the July bar examination. Our record was 100 per cent, nine of our members taking the examination and all successfully passing. Our brothers have set such a fine record that this year's Senior Class will have to dig hard to maintain it. The names of the new lawyers to be are: Anderson, Carlson, Desmond, Hood, Patterson, Thorp, Schubert, Seaman and White.

We are very sorry not to have Brothers Tomilson and Webster back with us this year. Webster has moved to New York City where he hopes to continue his studies and become one of the big lawyers of Wall St.

Brother Creviston, who has been out of school a couple of years, has returned and we are glad to see him.

The brothers back in school this semester are: Beamis, Belding, Boothman, Creviston, Connell, Douday, Dowd, Edwards, Hewitt, James, MacMillan, Richards, Rockwood, Sewell, Sigler, Spangler and Upington.

### ALPHA SIGMA IOTA

The opening of another semester brings with it a return to activity along scholas-

tic lines. The last bar exam was successfully hurdled by Nathan Cohen and David Zemring, our fraters, and we herald in their accomplishment, bearing in mind the fact that we have yet to reach the golden gate.

To say that we intend to do great things this year, both scholastically and socially, is to anticipate something which deeds alone can confirm. We, however, start with a twofold purpose in mind and we hope to accomplish both by persistent efforts by the men of our organization. We hope to prove the fallacy of the statement that social activity and scholastic achievements do not go hand in hand.

---

### ***SIGMA DELTA KAPPA***

Our organization starts the new school year with practically all of the older members, having lost only one man by graduation. Nevertheless, it is to be hoped

that Brother Ahern's new duties will be such as to allow him time to attend most of our events during the coming year.

After the long summer vacation we are all ready to tackle our studies with renewed vigor. We also notice, however, that our instructors have been none the less revitalized, and we are consequently carried along by their fervor and made to more whole heartedly pursue the work before us.

We have already had several of our "get acquainted smokers" and the attendance at these events indicates that a very promising crop of pledges will be taken into our ranks from the new Freshman Class. No tentative dates have as yet been set on our social calendar for the season, but we are planning a host of events to take place between now and next June when it is expected that the membership will be reduced considerably by graduation.
