ATHLETICS

FRATERNITIES PLAY FIRST BASKETBALL GAME.

The first basketball game in the inter-fraternity and inter-class series has been played, and the turnout leads the Athletic Department to believe that it has a large season before it.

The initial contest was scheduled to be staged between the teams representing Mu Beta Epsilon and Alpha Sigma Iota at the Olivet Institute gymnasium on the evening of November 22nd. More than the full team quota was present for Alpha Sigma Iota, but Mu Beta Epsilon was lacking one man, and it was therefore deemed advisable to divide the entire group into two equal squads and play the game.

Team number one was captained by Mr. Schatz of Alpha Sigma Iota, and Team number two was captained by Mr. Edelstein of Mu Beta Epsilon. The game was won by Team number two, the final score being 11 to 6. Some of the members of team number two were Hill, Chodash, Saffir, Rosenblatt, Edelstein, and Hollander. The other team consisted of Curtis, Weiner, Schatz, Reisman, Rosenbaum, and Roth.

The game was most hotly contested, as is indicated by the score, and with a few more weeks of practice, some of the men who played on these teams would be in position to give the members of the regular team of last year some real opposition.

The Athletic Department is most fortunate in obtaining the use of the floor at Olivet Institute, as it is about the finest floor in the city of Chicago, and this game was the first game which has ever been played on the floor. For the present, we have the use of this floor on Monday evenings, so lay your plans accordingly.

Please advise Mr. Felt of the Athletic Department when the various class teams and fraternity teams will be ready to carry on with the regular schedule, and definite dates will be assigned. This is the very finest opportunity Kent men have had to get the benefits of an athletic program, and it is desired that a large number of the students take full advantage of it.

Volley ball, which is a game in which a large number of men can participate, will also be scheduled if those interested will get in touch with the Athletic Department.
