EDITORIALS

LEST YOU FORGET The Chicago-Kent College of Law is ideally located for a school of its kind.

It is the only law school located in the downtown district owning and exclusively occupying its own building, situated in the very center of the great business district of Chicago, close to the City Hall and County Building and consequently affording advantages to its students such as are offered by no other law school. The building, classrooms, library and equipment in general, are very suitable. All this has been made possible by the zeal and interest of the Board of Trustees and the donations of many friends and alumni.

To help in this work, there was established a Building Fund to which a great many friends and alumni of Kent made pledges. At the present time we regret to announce, but feel that it is necessary, that a great many pledges to the Building Fund are past due. This announcement is to be taken entirely as a reminder by those whose pledges are in arrears and not in any way as a rebuke. We appreciate that in the present busy world we are living, that there are a great many important things that engage every business man's attention. However, the Col-

lege Building Fund or Endowment Fund as it is now known was originated for and has been serving a most useful purpose and consequently is of paramount importance to the Chicago-Kent College of Law. It is hoped that this announcement will adequately serve as the only reminder necessary for those who have neglected their payments on their pledge to the Building Fund.

BEST WISHES The Review takes this last golden opportunity to bid a fond farewell to the members of the June graduating class. Our farewell to the class of 1928 is clothed with the very best of good wishes for the success of each graduate.

The Review also at this time congratulates those students who have successfully completed their post-graduate work at Kent. Their interest in and zealous pursuit of a thorough knowledge of law are excellent indications of their ultimate success in their chosen profession.

Over three score of men and a few women have diligently prepared themselves with a knowledge of the law at Kent during the last three or four years and are now prepared to prove to the Illinois Supreme Court their worthiness of admission to the practice of law in this state. Eight other students, already possessors of their Bachelor degrees in law, fired with an ambition for greater things in their profession, are concluding a year's advanced study in law. Commencement Day, June 7, will truly be a red letter day for all of them. The Chicago-Kent Review joins them in their rejoicing on this occasion and extends to each and every one its best wishes for success.

GIFT TO THE LIBRARY

One of the outstanding gifts to the college library received during the past year is that of Dean Burke who presented two hundred and twenty volumes of the New York Supplement. This fills a long felt want in our library and will be greatly appreciated by students and alumni.

STUDENT LOAN FUND

The following letter was received enclosing check in the sum of \$50.00 from Judge Henry Horner:

May 9, 1928.

Dear Dean Burke:

Among the members of the Kent College of Law, class of 1898, of which I was a member, was Mr. Benjamin Levering and Miss Elizabeth DeBelle. Shortly after graduation they were married and lived a very happy and beautiful life until the death of Mrs. Levering which occurred a few days ago in an automobile accident. To commemorate the romance of the law school days of this couple and in memory of the lovely character of Elizabeth DeBelle Levering, I am enclosing my check for Fifty Dollars which I am authorizing you to apply to the necessities of some needy student at the law school.

Faithfully yours,
HENRY HORNER.

This letter and check being referred to the general faculty at a meeting held on the 14th day of May, 1928, it was decided that the check should be made the nucleus of a STUDENT LOAN FUND, the administration of which should be placed in the hands of the registrar of the college, and upon the approval of a proper application, a student who has real need of the same may be permitted to borrow from this fund in sums not to exceed ten dollars, for the purpose of purchasing books to be used in connection with law study at the college.

It is the hope that this fund may grow to such an extent that its scope may be enlarged beyond the limitations which are now placed upon it.

CHICAGO-KENT UNION

Chicago-Kent Union was organized at the Fortieth Anniversary Luncheon and Homecoming held on June 9th, 1927. The Union consists of the alumni of Chicago-Kent College of Law, comprising graduates of the original Chicago college of Law, Kent College of Law, Western College of Law, Webster College of Law and of the other institutions merged and affiliated therewith, and the

present trustees, faculty and student body of Chicago-Kent College of Law.

Under the direction of the trustees of the college, the governing body, advised by the faculty, the activities of the Union are carried on through class representatives on the Ways and Means Committee elected at the annual homecoming.

The chairman of this committee is the Honorable Guy Guernsey, of the class of 1904, and the secretary is Mr. Ernest E. Tupes of the class of 1918.

The purpose of the organization is to foster a closer relationship between the institution, its alumni and students, and to provide the opportunity for reunion to graduate classes and to bring to the student the inspiration that comes from association with those who have attained the goal which they seek.

SENIORS PLAN MEMORIAL GIFT

The Senior Class of 1928 are raising funds sufficient to purchase a set of books which they will present to the Kent library as a class memento and for the use of the students and alumni. They are purchasing a complete set of the Seldon Society which will make a very appropriate memorial gift to be left behind by the June Class of 1928.
