Fraternities

Phi Alpha Delta

Saturday, April 13th marked the most interesting initiation held by Blackstone Chapter in many a day. We were hosts to Marshall Chapter of the University of Chicago at a joint initiation. The whole active chapter came, bringing six pledges; we had eight, and the whole fourteen went through together.

The initiation was held in our quarters in the Morton Building so with two chapters, several alumni visitors, a double set of officers and fourteen initiates, there were no dull moments. After the ceremonies, the group picture was taken for the Transcript. At 6:30 all hands walked over to the Bar Association Rooms to attend the annual Spring banquet given by the alumni and five active chapters.

Friday the 19th was set as an evening for the new men to enjoy themselves, and in spite of an all day rain, there were seven tables of bridge with a bit of five-hundred and rummy on the side.

Delta Theta Phi

The big Annual Founder's Day Banquet will be held on May 11th at the La Salle Hotel. This event will be the sensational finale of a successful social season in the annals of Delta Theta Phi. One hundred per cent representation will be shown by Webster Senate.

The above is said in spite of the marvelous time had at the Dinner Dance given by Warvelle Senate on April 20th at which the strains of syncopation, with spring fever and that certain party, produced that supreme feeling heretofore only thought to be enjoyed in Hawaii in the moonlight.

The time of the year has rolled around when many boys at Chicago-Kent must

sing their swan song. Webster Senate regrets the departure of Al Ramlose, George Edwards, Joseph Zambreno, Julius Massey, Russ Allen and Smith from its active ranks, but join together in congratulating these boys and wishing them the best of luck in their future endeavors.

Phi Delta Phi

Members of Phi Delta Phi are entertaining pledges and guests at an after class gathering at the Bismarck on the evening of April 26, 1929. The guest of honor on this occasion will be William H. Beckman, attorney for the Lincoln Park Board. Mr. Beckman will address the group on a subject of professional interest, and his scheduled presence is already causing keen anticipation among those who will attend.

Definite plans are being made for what will no doubt be the last social event of the school year sponsored by Phi Delta Phi. These plans call for an exodus on the part of all members at 1:00 o'clock on Saturday, May 11th, from the grime of the city to the cool and refreshing country place of Art Green at Lisle, Illinois.

Golf will be played at the Woodridge Country Club, which is nearby, and the general outdoor sports which are incidental to such an outing will afford diversion for those not addicted to golf.

Fuller's Inn of Phi Delta Phi is pleased to announce the pledging of Kenneth Lambert.

Delta Chi

Delta Chi will hold its Spring Formal at the New Sovereign Hotel, May Fourth. Preparations have been completed and indications are that it will be the best

event of the year. The New Sovereign is one of the newest and finest hotels and the orchestra that has been engaged is one of the most popular aggregations in the city. Many alumni plan to be there and—the more, the merrier.

Delta Chi will hold its national convention in the near future and delegates will soon be appointed. It should prove to be a high honor.

On April Eighteenth, the majority of the evening was spent in the initiation of John Veregg, the Wheaton pedagogue. An exciting time was had by all, including Mr. Veregg.

The school year will have a fitting and proper ending when the Spring Formal is a thing of the past. Alumni will attend from miles around.

Sigma Delta Kappa

With a sense of satisfaction and good feeling Omega Chapter approaches the end of the school term after a successful year of activities. The good fellowship stimulated by our social events and meetings has eased our troublesome journey through the realm of the law thus far. As we look back, we can feel that our efforts have been worth while and mutually beneficial to all of us.

It is to be hoped that the results obtained through the efforts of our organization will be lasting in their effect, even though the majority of the Brothers will be graduated from Chicago-Kent in June and consequently be obliged to discontinue, to some extent, activities they engaged in while attending school. We are sure, however, that they will not lose all contact with the organization after graduation and we expect to see them early and often at any fraternity affairs they may be able to attend in the future.

Plans for the initiation of pledges and election of officers have not been fully completed but the committees will give their reports at the regular May meeting when the definite date will be set for these events. This will probably be our

last regular session of the term and every member is urged to attend to dispose of the recommendations of the committees.

Alpha Sigma Iota

On April 7th, Morton Hochberg was initiated into the ranks of the fraternity at the Midland Club. Following the initiation a dinner was given, at which time Baskis, Cohen, Devinatz, Faiwell, Hilldebrandt, Homel and Lentin were pledged. The ceremony preceding the dinner was very impressive and the pledges were given an idea of what is expected of them. The evening was one of genuine good-fellowship and fun, interspersed with a few well directed speeches.

On May 25th the social event of the year is being sponsored by this chapter. The affair is a cabaret dance, the like of which has never been attempted heretofore. All the men are working very earnestly for the affair; the pledges especially are concocting a little number which promises to do justice to professionals. The affair will take place at the St. Clair Hotel Roof Garden.

The Grand Lodge has set the date for the convention this year as June 10th. The dance in the evening will climax the social events for the school year.

This being the last issue of this semester, your orator desires at this time to express a sincere wish for an enjoyable vacation to the entire student body and faculty.

Nu Beta Epsilon

With the semester nearing its close Judah P. Benjamin Chapter, gave an informal "get together" at the Bismarck Hotel, on April 12, 1929, for the new men, some of whom it is expected will be formally pledged into the organization in the near future. The purpose of the affair was to arrive at a better acquaintanceship and friendship with the new men, which was accomplished. The af-

fair was well attended and each one left with a feeling that he had had an enjoyable time and had made new friends.

As Commencement Day draws near, Judah P. Benjamin Chapter, is soon to lose a large number of its active brothers. The following will test their knowledge of the law at the coming bar examination; Meyer Balin, Walter Monarch, Henry Saks, Meyer Miller, Ben Meister, Harry Silverman, J. Zimring, Herbert Ellis, Harry Horn. We have little fear but that these brothers will perform commendably in the bar examination, that they will be a credit to their school and fraternity when they hang out their shingles. The hope and best wishes of the entire fraternity follows them.

Nu Beta Epsilon, takes this means to wish the faculty, the student body, and other fraternities an enjoyable time this coming vacation.

Kappa Beta Pi

Girls attending an evening law school are, with very few exceptions, occupied with other pursuits during the day, and when a crowd of twenty-two will gather on a Saturday afternoon, it should be unquestioned evidence of their interest and loyalty to their sorority. The occasion was a "rush" party at the home of Mrs. Sue Brown Hassell, Chicago Kent 1911, at her home 2249 Winnemac Avenue on March 9. Mrs. Edgerton made the trip from Mukwonago, Wisconsin, for this party and old-timers present were Phyllis Kelley, Mary Sellars Connery, Claire Gleason and Martha Elvert. Harriet Abell carried away the bridge prize. Rushees included Esther McCredie, Bernice Bauersfeld, and Isabel Weldon, who were pledged at the rooms of the Chicago Bar Association on April 13, following a luncheon, at which Mrs. Phoebe Munnecke, of Mu Chapter located in Detroit, was our guest. After the luncheon and ceremonies a number of the girls paid a visit to the new Criminal Court Building and Jail.

Hon. Mary B. Grossman, Alpha Alpha, who is Judge of Municipal Court, Cleveland, Ohio, was one of the principal speakers at the Woman's Bar Ass'n. Banquet at the Congress Hotel on April 20. Alpha Chapter attended the banquet in a body in honor of Judge Grossman.

Scheduled on our calendar for May 11 is our annual Jubilee Dinner, to be held at Illinois Woman's Athletic Club.

Round Table

The Round Table gathered for its last meeting of the current year on May 4 at the Electric Club. The re-election of its untiring sponsor Judge Pickett as Director for the ensuing year was by acclamation. The organization is deeply indebted to the Judge for his friendly and able counsel and guidance during the past year and looks forward with eager anticipation to each succeeding year for he has never failed to bring to the Round Table meetings a personal interest to supplement the varied and enjoyable programs he has conceived.

Other elections were: J. R. Hemingway, Secretary-Treasurer, (re-election), J. J. Chapman, C. B. Thomas and M. C. Van Alyea, Executive Committee.

The discussion was conducted on this occasion by the Judge himself who read a well prepared paper on the Arlington case, of Constitutional Law fame. Stress was laid on the opinion of Judge Miller of the United States Supreme Court wherein the government of the United States was held answerable to a suit by one of its citizens where the government was indirectly interested in the subject matter of the suit, the action being against an agent of the government.

In the ensuing discussion the Judge emphasized, however, the fact that maintaining a suit against the government under such circumstances, and obtaining the aid of the government agents to enforce an order in the suit are on a different footing, and that enforcement of the order will not be allowed where such procedure might lead to public difficulties.
