The instructions for registering for Professional Responsibility are as follows:

(1) If you are registered for Prof. Lindgren’s section and want to stay in that section, there is nothing you have to do. 1994 Fall Schedule and Registration

Fall, 1994 Registration

Registration for the Fall, 1994 semester takes place this week. The Registration Bulletin is available on the table outside the third floor cafeteria. Evening Division students must submit their registration forms by 6:00 p.m. Tuesday, April 19. Day students in priority groups D1-E4 must submit their forms by 12 noon, Thursday, April 21 and Day students in priority groups F1-F4 by 2:00 p.m., Friday, April 22. A $300 payment must accompany your registration form unless this would cause a financial hardship, in which case you must attach a form available in the Registrar's office in lieu of the payment.

Additional Legal Drafting Section

A Legal Drafting section specializing in Real Estate has been added to the schedule. The course number is 424-008-02 and will be offered from 11:45 to 1:35 p.m. on Wednesday by Prof. Marcie Sullivan.

Mediation and Negotiations

Students must have completed 40 credit hours prior to enrolling in these courses.

Advanced and Judicial Externship Programs

There was an error in the class meeting time in some of the Registration Bulletins distributed last week. Advanced Externship Program 1 will meet from 4:00 - 4:55 p.m. on Wednesday and Advanced Externship Program 2 will meet from 5:00 to 5:55 p.m. on Wednesday. Judicial Externship Program 1 will meet from 11:45 to 12:40 p.m. on Friday and Judicial Externship Program 2 will meet from 12:50 to 1:45 p.m. on Friday.

Interviewing and Counseling (Advice Desk)

The footnote on page 19 of the schedule may have been misleading. There is a classroom component which meets on Tuesday from 4:00 to 5:50 p.m., as stated in the schedule. However, that is part of the regular course and students who enroll for this course should not register for one of the separate classroom component courses listed on page 19 of the schedule.

Description of Privacy Seminar, Prof. Voges, Tuesday, 7:35 to 9:25 p.m.

This seminar explores traditional tort notions of privacy as well as the more modern constitutional arguments. Privacy contexts of all kinds are considered, including information privacy, sexual and reproductive privacy, family and marital privacy, drug testing and HIV testing, and the Privacy Act itself. Additionally, the publicity rights associated with privacy considerations will be discussed.
FROM THE REGISTRAR

Exams on Computers

The sign-up sheets for students who want to take a final exam on computer are available in the Registrar’s office. A list of instructors who permit use of computers for their exam is posted on the second floor bulletin. The deadline to sign up is Wednesday, April 27.

If there are not enough computers to accommodate all of the students, a lottery will be held on April 29 to select eligible students. The results of the drawing will be posted on the second floor bulletin. Note that some instructors will not permit any of their students to use computers unless all of their students are accommodated.

COURSE INFORMATION

Fall 1994 Clinical Course Announcement

Interviewing and Counseling Teaches Real-World Law Skills

"Students who have taken part in the Advice Desk clinic at the Daley Civic Center say it helped them polish their interviewing skills and learn to quickly evaluate a case under the pressure of a line of waiting clients.

"The experience of drafting motions helps students find out how the court system really works outside of the classroom, said Brian Kalata, who has formed his own general practice since graduating from Chicago-Kent. Kalata, who said the first few weeks were scary, now says the clinic was one of the best things he did during law school.

"'All law students should experience the Advice Desk because it gives you more hands-on experience,’ said Kent graduate Audrey Wade, who added that the practice will serve her well for her plans to become a litigator. It’s a bridge from academia to the real world.’

"The clinic, an outgrowth of a Chicago Bar Association volunteer program, handles mostly contract and forcible entry and detainer cases. Working at the clinic, an elective course, is coupled with an interviewing and counseling class."

-- Excerpted from February 12, 1993

CHICAGO DAILY LAW BULLETIN article

Enrollment is limited to students who by Fall 1994 will have received credit for at least three-fifths of the total hourly credits required for graduation and who are in good academic standing. Registration for this course includes a classroom component which meets at 4:00 p.m. on Tuesdays. This is why no separate registration is needed for the classroom component, as stated in the Fall 1994 Registration materials. Two pass-fail credit hours. Law 404 Interviewing and Counseling.

Summer Federal Regulation Program in Washington, D.C.

The Washington College of Law (the American University) announces the Sixteenth Annual Program in Advanced Studies in Federal Regulation for the summer of 1994. The program presents a unique opportunity for students to explore their interest in regulatory practice with a blend of practical field experience in the central offices of federal agencies and in public interest organizations and course work built around a carefully selected group of guest lecturers and full-time and adjunct law faculty. Application deadline: May 1, 1994. See Carolyn Wood, Room 320D, for more information.

FROM LAW SCHOOL ASSOC. PRESIDENT, MARSHA C. SPAK, ’79

It’s hard to believe that my year as President of the Law School Association is coming to an end. I’m sure that many of you are having the same feelings, especially with exams and graduation quickly approaching. Before signing off and handing my column over to the incoming President, Michael Marick, ’82, I’d like to let you know about a few upcoming events.

On Friday, May 13, the Law School Association will be hosting the Professor Warren Heindl Tribute, at the Chicago Hilton and Towers. The evening will begin at 6:00 p.m. and will include speakers, a multi-media presentation chronicling Professor Heindl’s life at Chicago-Kent, and award presentations. Students are invited to attend for a discounted price of $25. Please email Tiffanie Burnett (TBURNETT) for more information or to reserve your seat.

The Law School Association will also be hosting a golf outing at Cog Hill on Friday, June 24. If you would like to receive an invitation to the event, please email Tiffanie.

I’ve had a terrific year as President and have especially enjoyed meeting so many of you. Best of luck on final exams to everyone. Have a great summer!

SPECIAL NOTICES

Attention 1994 Graduates Participating in June 5 Commencement Ceremonies

Your class has a record number of students participating in the upcoming ceremonies and has also requested a record number of tickets. Thus, I am requesting that you please inform me if your actual need is less than the number of tickets you requested by emailing me (TBURNETT) by Friday, April 22. Because of a student led initiative, the graduation ceremonies were moved into the downtown area. Unfortunately, we had to give up an unlimited seating capacity to do this and ticket requests have outnumbered the seats available. Many of your fellow classmates are in need of the full ten tickets they requested and it would be very disappointing to have empty seats at the ceremony when a classmate’s family member could use the seat.

After I receive your responses, I will compile the results and mail tickets on Monday, April 25, filling requests to the best of my ability.

Special Law School Symposium on Judge Learned Hand and Judging

April 21 at 2:00 p.m., Auditorium

The most distinctive feature of the common law is the role that individual judges play in law making. Every law student is familiar with the great judges who have shaped American law--Cardozo, Holmes, Frankfurter,
and Hand. Judge Learned Hand sat on the Second Circuit for over 50 years and is widely considered the judges' judge. Professor Gerald Gunther, of Stanford University, has recently published a biography of Hand, LEARNED HAND: THE MAN AND THE JUDGE. On Thursday, April 21, at 2:00 p.m., in the Auditorium, Professor Gunther will take part in a symposium on the legacy of Judge Hand: Why Judge Learned Hand was a Great Judge and What Lessons His Career Holds for the Changing Roles of the Judge in the Development of Legal Doctrine.

Professor Gunther is one of the most widely respected constitutional lawyers and scholars in America. He was Judge Hand's law clerk, and in 1991 was named by a NATIONAL LAW JOURNAL poll as the lawyer most qualified to be nominated to the Supreme Court. President Clinton nominated Professor Gunther's former student and long-time protegee, Ruth Bader Ginsburg, to the Court last year.

In his discussion of the legacy of Judge Hand for the future of a rapidly changing judiciary and legal profession, Professor Gunther will be joined by Professors David Gerber and Dan Tarlock of the Chicago-Kent faculty and Professor Douglas Baird of the University of Chicago Law School. This is a unique opportunity for students to learn about one of the giants of our profession. The symposium is open to all students and faculty. A reception will follow.

Legal Writing Teaching Assistants for 1994-95

Applications are now being accepted for Legal Writing Teaching Assistants for the year 1994-95. Only students who will be graduating in June, 1995 may apply. Teaching Assistants work closely with the Legal Writing Professors in teaching legal research, preparing and grading assignments, and with students in drafting and revising their work. Applicants should have received superior grades in their Legal Writing courses and have a strong interest in helping other students to master the skills of legal research and writing. Membership on Law Review or Moot Court is desirable, but is not a requirement of the job. Teaching Assistants receive two hours of credit each semester and salary equal to the tuition for two credit hours each semester.

You must be available to begin work during Orientation Week (August 17 - 19), in order to attend an intensive training session to prepare you to teach legal research.

Interested students should submit a current resume to Professor Ehrenberg in Room 753 as soon as possible. Please include the name of your first-year legal writing professor and the grades you received in the course. There is a sign-up sheet for interviews on Professor Ehrenberg’s door. The interview will last 20 minutes and then applicants will be asked to complete a short quiz on grammar, punctuation and citation form.

If you have any questions please contact Professor Ehrenberg.

LAW REVIEW Summer Candidacy Writing Program

The LAW REVIEW will hold informational meetings for all students interested in participating in the Law Review Summer Writing Candidacy Program. The meetings will be held on Tuesday April 26 at 11:45 a.m. and at 5:30 p.m. Both meetings will be in Room 210. Eligibility requirements for the Writing Program are contained in § 1.12 of the Student Handbook.

Selection Process & Academic Requirements for Chicago-Kent Moot Court Honor Society

There are two methods of selection to the Chicago-Kent Moot Court Honor Society. The first involves participation in the Charles Evans Hughes Moot Court Competition, which is administered from January to March by the Legal Writing Program with the assistance of the Moot Court Honor Society. Students who (i) advance to and argue in the final (third) round of the Hughes Competition in the first year in law school, and (ii) earn a B+ or an A as their final grade in Legal Writing II, and (iii) have completed all courses required of them as first-year students and have a cumulative GPA for those courses as of the end of spring
semester 1994 not less than 2.750, will receive invitations to join the Society. A student who argues in the final round, but only because he or she was an alternate replacing an original finalist who could not argue, is not eligible for this method of selection.

Students also may be selected based upon their performance in the Moot Court Honor Society’s Summer Candidacy Program, which is separate from the Charles Evans Hughes Competition and will run from early July to mid-August. Each student participating in the summer program will be required to write an appellate brief and give two oral arguments (one on each side of the case). The brief score will count as 50% of each student’s total score and each of the two oral arguments will count as 25% of the total. The problem generally is made available to students in the week following the July 4th holiday. Students are given approximately four weeks to prepare and submit the brief. Oral arguments are generally held during the weekend immediately preceding the first day of classes for continuing students. Results are announced within two days following the final oral arguments. While there is no fixed number of “membership slots” to be filled, and quality of performance will be the deciding factor, in the past two years approximately 15 students were selected each summer for membership based on the summer program. These students are, of course, in addition to those selected on the basis of the Hughes competition discussed above. Students need not be in Chicago to write the brief; if a student provides a self-addressed 8 1/2” x 11” envelope to the President of the Society during the month of May, the problem will be mailed to that student on the day on which it is made available in Chicago. Briefs submitted by mail must be postmarked no later than the due date of the brief, and only a United States post office cancelled post mark or an overnight delivery service mark will be accepted for determination of the mailing date.

Regardless of the method of selection, students joining the Society must have a cumulative grade point average of 2.750 as of the completion of the previous spring semester, and must maintain that average throughout their membership. Students who participate in the summer candidacy program may not know their current cumulative GPA until sometime after the summer program is

1994 Summer and Fall Registration and Unpaid Tuition Balances

Registration for the Fall, 1994 semester will begin on April 18, 1994. Except as set forth below, students will not be permitted to register if there is any outstanding tuition balance, including the payment due on April 1, 1994.

Please note that the Registration Policy will not be waived in order to allow a student to meet a registration deadline. Therefore, we urge you to allow yourself sufficient time in which to complete the necessary paperwork (it usually takes 1-2 days to process requests for approval).

Procedure for Registering with an Outstanding Tuition Balance

A student will be allowed to register with an outstanding tuition balance only if he/she has been approved to receive one or more of the following loans for the Spring 1994 semester to pay the balance:

1. Stafford Loan (formerly GSL),
2. Perkins Loan (NDSL),
3. Supplemental Loan for Students (formerly ALAS),
4. Law Access Loan (LAL) or Law Student Loan (LSL), and/or
5. other institutional loan/s (bank, etc.)

Students will not be allowed permission to register for any reason other than those listed above.

Students should complete the "PETITION FOR GENERAL UNPAID TUITION POLICY EXEMPTION" form in order to be considered for registration with a past balance. Petition forms may be picked up at the REGISTRAR'S OFFICE, Suite 220, or the ADMINISTRATION, FINANCE and CLE OFFICE, Suite 265. Please submit application forms to Dawn Rupcich, Assistant Dean of Administration, Finance and CLE, Suite 265.

Copies of the following verification information must be submitted along with the petition application:

1. Letter from the lender (IIT Financial Aid Office-567-5952, bank, etc. - NOTE: A copy of the bank loan application/confirmation is required for Stafford and SLS loans; and private loans, LAL and LSL) and,
2. Registrar's confirmation of the current outstanding tuition balance amount (inserted and initialed by the Registrar on the petition form).

Financial Aid Notice

Summer Financial Aid

Students who apply for and receive summer financial aid should note that any amount borrowed during the summer will reduce the amount available from that loan type for the 1994-1995 academic year. For example, if a $3000 Federal Subsidized Stafford is taken out during the summer, then the student can only borrow $5500 in the Federal Subsidized Stafford loan for the 1994-1995 academic year.

Due to Concern About Unauthorized Users of Career Services Office, ID’s Are Now Required Upon Entering the Office

The Career Services Office staff and a number of Chicago-Kent students are concerned about the number of unauthorized students and alumnae/i from other law schools using the Career Services Office.

Our goal is to provide you, our students, with every advantage. Our resources and job listings are here for you! We need your help to assure that these services are provided only to you and not students from other Chicago schools or law schools outside of Chicago.

We therefore must ask every Chicago-Kent student to present his/her Chicago-Kent ID card upon entering the Career Services Office. Chicago-Kent alumnae/i will also be required to show IDs. This policy was implemented on Monday, April 4th.

We appreciate your cooperation in implementing this policy, as our goal is to provide resources and services that are available exclusively to our students and our alumnae/i.

Another way you can help: please notify Lisa Abrams or Dan Walsh if you are aware that students and alumnae/i from other law schools are using our office.

CHECK IT OUT . . . NEWS FROM THE LAW LIBRARY

Exams on Lois

Past exams are available on LOIS for printing at the Document Center. Select "LOIS" from the Legal Research Menu on Kentnet and use "STUDENT" as your user ID and password; then select "EXAMS" from the application list. Exams from other semesters are also on LOIS. Stop by the Reference Desk if you have any questions or need assistance.

The Singapore Legal System

American teenager Michael Fay was recently sentenced in Singapore to 6 lashes with a cane (plus 4 months in jail and a $2,000 fine) after he confessed to 2 counts of vandalism, which included spray-painting automobiles. The case has been the subject of a great deal of commentary in newspapers worldwide. If you would like to find out about the Singapore legal system, the Library of International Relations (LIR) has two very good sources: An Introduction to the Singapore Legal System and The Singapore Legal System. Both sources provide a fairly substantial overview of the city-state's legal system. All LIR materials can be located with a CLARK search - stop by the Reference Desk for assistance.
Tutorials

Tutorials for the week of April 11 will focus on NATURAL LANGUAGE SEARCHING IN LEXIS AND WESTLAW. What is Natural Language? Win? Freestyle? Times will be posted on the bulletin board on the 9th floor of the Law Library. There is no sign up - just meet at the 9th floor Library Service Desk at the scheduled time.

Need Lexis or Westlaw Help? Check with Online Research Services

The reference staff is manning Classroom 700 Monday-Thursday to help out with your online database searches. Need help structuring your search or picking a database? Stop by the 700 Lab and talk to a reference librarian.

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

USENET Training

CLASS, the Computer Law Association, held training and information sessions on using USENET this past April 12. USENET is a place where thousands of discussion groups on almost any topic imaginable reside. If you missed this session you might want to contact CLASS, either through HELPDESK (email or in Lab 700) or through its President, Kay Gemrich (CGEMRICH) for any additional sessions which may be planned.

World Wide Web Training & More

CLASS will be holding a session on World Wide Web, Gopher, FTP (File Transfer Protocol), and Telneting. The class will take place in Lab 775 on April 19th. There will be two sessions, from 12 noon to 1:00 p.m. and again from 5:00 p.m. to 6:00 p.m. Email Kay Gemrich (CGEMRICH) for more information.

Save Your File Often! Backup Your File Often!

As we come down to the end of the semester many of you will be using computers, both here and at home, to create outlines. Remember to save you document often. You might think saving your files every 5 minutes is over-kill, but it is not. For the time it takes to hit 2 or 3 keys you can save yourself possible hours of re-typing. There are few things worse than losing the last 4 hours of changes to your document.

You should also keep a backup of your files on a second disk. Just save it on your first disk then swap disks in the floppy drive and save it again. There is a HELPDOC located in Lab 700 with more detailed instructions.

Thank You for Telling Us What's Right or Wrong with the Labs!

We would like to thank those students who take the time to use the comment/problem report sheets located in each lab. We take the comments into consideration, and fix any problems which may be mentioned.

Email Information

Please do not use email to send mass-mailings. It puts a drain on system resources, especially disk space. As a reminder, the Kentnet Classifieds and USENET are available for postings of a general school-wide nature. Even if you have nothing to post, browse through the information there. You might find a good deal on used equipment, or tickets for sale, of people who share similar interests. Explore.
Network Access Through Xircoms

The Center for Law and Computers has made available Network Connection Packets that allow you to bring your own laptop into the building and connect it to Kentnet. The procedure for check-out is simple.

You **MUST** come to a quick training class before you will be allowed to check-out the packets from the Library Services Desk in the Library. These classes will familiarize you with the equipment and procedure necessary to connect your laptop to Kentnet. Any questions you have about the procedure will be answered. You must bring your laptop with you to the session.

After you complete the class you will be able to check-out the packets. The packets have everything needed - adapter, power supply, disk, and cable - to connect to Kentnet. Email Dominick Grillo (DGRILLO) to set up a time for a class.

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR should be in the Office of Admissions and Financial Aid by May 16, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student’s Use Box on the back of page one.

   Corrections: If you need to make corrections to your SAR, be sure to send a copy of the SAR, with all of the corrections indicated, to the Office of Admissions and Financial Aid. Send the original to the address on the back of the SAR. A revised SAR will be mailed to you approximately two weeks after the corrections are received at the processor. Make sure that you sign the report where indicated or the revisions will not be made.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement. These materials and your SAR must be returned before a financial aid award will be determined for you.

By June 1

You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid by June 1, or within three weeks of the date printed on the award letter if you received it after June 1.
By July 1

You are expected to turn in student loan applications from the lender of your choice by July 1. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

We are ready to help if you need assistance—just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation.
