NOTE: This is the last issue of The Record for the Spring 1994 semester.

FROM DEAN MATASAR

Spring has finally sprung. Flowers are in bloom. The Cubs are not. And, the annual Spring right of passage is upon us--final exams. In the pressure of exam week, we often come to think of examinations purely as the means to an end--getting high enough grades to get a job. Exams are a means to an end, but not the one that first comes to mind. Intense study, directed to the single-minded pursuit of understanding a course, leads to knowledge, synthesis, and mastery. That is a most valuable educational enterprise. May you all achieve your fondest wishes (or at least not reach your worst fears). Learn well and good luck!

I am very happy to report that four new faculty members will be joining the law school next Fall, and two visiting faculty members from this year have accepted permanent appointments to the faculty. You will notice their courses listed in the registration bulletin for the fall semester, and the following is some biographical information about them:

Professor Lori B. Andrews is one of the country’s leading scholars in health and hospital law. Professor Andrews is a 1978 graduate of Yale Law School, where she co-founded the Health Law Organization for law and public health students. She received her undergraduate degree in psychology at Yale University. Professor Andrews has been a Research Fellow with the American Bar Foundation since 1980, and has spent the past six years as a senior scholar at the Center for Clinical Medical Ethics at the University of Chicago. She was an advisor to the World Health Organization for seven years, analyzing and recommending changes in health laws governing several European countries, and she has taught health law courses at the University of Houston Law Center, the University of Chicago School of Law, and the Graduate School of Business at the University of Chicago. Professor Andrews is a prolific author, having published four books and more than fifty scholarly articles, monographs, book reviews, and book chapters on subjects including medical genetics, surrogate parenting, and alternative modes of reproduction. She is a member of many prestigious organizations and committees, and has received numerous grants and awards, including two Western Publishers Association "Maggie" Awards for her articles, Johnny Spain Unchained, and Genetic Counselors: How They Can Help and How They Can’t. She currently is working on studies of medical errors and their consequences, and analyses of the legal implications of developments in genetics. The film rights to her forthcoming biography of former Black Panther Johnny Spain have been purchased by Columbia Pictures and Oliver Stone.

Assistant Professor Michele G. Baker received her law degree from Yale Law School, where she was Notes Editor of the YALE LAW JOURNAL, vice president and national convention delegate of the Black Law Students’ Association, and co-founder of Women of Color and the Law. She earned her bachelor’s degree in economics at Brown University. Professor Baker clerked for the Honorable A. Leon Higginbotham, Jr., U.S. Court of Appeals for the Third Circuit, and has been an associate at the Washington, D.C. law firm of Hogan and Hartson since 1992. Professor Baker’s areas of
interest include the impact of the present tort system on medical care, tort reform, and the impact of poverty on health services.

Assistant Professor Richard L. Hasen earned his master’s, law, and doctoral degrees from UCLA, where he was Chief Articles Editor of the UCLA LAW REVIEW. He graduated from the University of California, Berkeley, with a bachelor’s degree (Phi Beta Kappa) in the interdisciplinary program in Middle Eastern Studies. After law school, Professor Hasen clerked for the Honorable David R. Thompson, U.S. Court of Appeals for the Ninth Circuit, and was an associate with the Encino, CA, firm of Horvitz & Levy before joining the law school faculty. Professor Hasen is a scholar of law and economics, and has published in the CARDOZO LAW REVIEW and produced a dissertation on Beyond the Pursuit of Efficiency: An Enriched Law and Economics Analysis for Constructing Legal Rules.

Associate Professor Harold J. Krent spent the past six years teaching at the University of Virginia Law School, where his teaching and scholarship areas included: Administrative Law, Federal Courts, Civil Rights, Constitutional Law, Law, Remedies, Legislation, and Criminal Law. He graduated from New York University School of Law (Order of the Coif), where he was a Note and Comment Editor for the NEW YORK UNIVERSITY LAW REVIEW. He received his bachelor’s degree from Princeton University. Professor Krent has published numerous articles in the MICHIGAN, VANDERBILT, and VIRGINIA LAW REVIEWS, among others.

Visiting Faculty Member Gregory Mark is an Assistant Professor at Cleveland-Marshall College of Law, where he teaches American Legal History and Corporations. Professor Mark is a 1988 graduate of the University of Chicago Law School, where he was Articles Editor of the UNIVERSITY OF CHICAGO LAW REVIEW and winner of the D. Francis Bustin Prize for best student comment in the LAW REVIEW. He received his bachelor’s degree in history from Butler University, and his master’s degree in American History from Harvard, where he currently is a candidate for a Ph.D. in American History. Since 1989, Professor Mark has been an associate counsel for the Office of Independent Counsel Iran/Contra, where he was responsible for Swiss law matters of concern to various prosecutions and civil actions. After graduation from law school, Professor Mark clerked for the Honorable Bruce M. Selya, U.S. Court of Appeals for the First Circuit. He has published a number of articles on political culture, corporations, and economics.

Assistant Professor Stephen D. Sowle graduated from Yale Law School in 1990, where he was a research assistant to Professor Geoffrey C. Hazard, Jr., in conjunction with the publication of a new edition of a Professor Hazard’s casebook on Civil Procedure. Professor Sowle earned his bachelor’s degree (magna cum laude) in Religion with a concentration in Political Science from Williams College. After law school, he clerked with then-Chief Judge Patricia M. Wald and current Chief Judge Abner J. Mikva of the U.S. Court of Appeals for the District of Columbia Circuit. Professor Sowle’s curricular interests include: Civil Procedure, Constitutional Law, Conflict of Laws, Administrative Law, and Federal Jurisdiction.

In the first issue of The Record next fall, I will report to you on our other new full-time faculty members, who will be teaching in the Legal Research and Writing Program.

* * *

As the year comes to a close, let me close as well. Thanks to everyone for a wonderful and productive year. This is an extraordinary school; you are an energetic student body. Success on your exams. Have a great summer.
FROM DEAN CHAPMAN

The end of another academic year is fast approaching; the first for a third of you, the last for a third of you and the 23rd for me. I wish you success on your final exams and I hope you have a terrific summer. (The students taking Personal Income Tax certainly will!) Good luck to the graduating seniors; I'll see you on June 5th.

Additions and Corrections to the Fall, 1994 Schedule

Advanced Research

Section 422-006-02, taught by Prof. Meltzer, specializing in Environmental Law, will meet on Fridays from 11:45 to 1:35 p.m.

Section 422-053-02 will specialize in Labor Law and will by taught by Prof. Zimmerman from 5:35 to 7:25 p.m. on Thursdays.

The Environmental Law section listed on the Evening Division schedule as TBA will be added if necessary to accommodate students in the Environmental Law Program. If the section is added, it will be announced today on broadcast email.

Conflict of Laws, Evening Section

The evening section meeting from 6 to 7:25 p.m. on Mondays and Wednesdays will be taught by Adj. Professor Calvin Manshio, a private practitioner specializing in cable television and telecommunication matters. Prof. Manshio was a Commissioner on the Illinois Commerce Commission from 1985 to 1992 and also served as the Administrator of Asian Human Services of Chicago.

Critical Look at Critical Theory Seminar taught by Prof. Wright has been moved to 4:00 to 5:50 p.m. on Tuesday.

Advanced and Judicial Externship Classroom Components

The Registration Bulletin incorrectly stated that these classes will meet only seven times during the semester; the classes will meet each week.

Residency Requirement

I want to remind you about the residency requirement which is ABA-mandated. Day Division students must have six semesters with at least 12 credit hours; Evening Division students must have eight semesters with at least 8 credit hours. Two summer sessions may be substituted for one semester of residency. Students who entered in 1993 must take at least ten hours over the two summer sessions for them to substitute for a semester in residence. "In residence" does not mean at Chicago-Kent; it means in attendance at an ABA-approved law school.

Additional Spring, 1995 Courses

There will be several additions to the Spring, 1995 schedule. Two additional courses that will be offered for sure are: Complex Litigation, taught by Prof. Steinman on days and times to be announced, and Advanced Property: Real Estate Transactions which will be taught by Prof. Goodman on Monday and Wednesday from 6:00 to 7:25 p.m.
Faculty Evaluation Questionnaires

By the end of the week you should have had an opportunity to complete a faculty evaluation questionnaire for all of your instructors. If you did not get a questionnaire for an instructor, you may obtain one in the Registrar’s office and return it to the faculty evaluation mailbox, box #182, located on the west side of the second floor, in the lower right-hand corner of the bank of mailboxes.

Attention: Student Organization Officers

A list of student organizations, names of officers, and a one-line description of the organization is published in the Student Handbook each year. The Handbook is revised over the summer and it is difficult for me to get current information about student organizations during the summer months. If you want your organization properly listed in the 1994-1995 Student Handbook, please complete a Student Organization Information form available in my office and return it to me before the end of the semester.

Summer Session Reading Assignments

I know it’s the last thing you want to hear now, but if you are enrolled in a summer session class, you should occasionally check the second floor Bulletin for summer class assignments. Because the summer session is so short, many instructors, including me, expect students to have read the assignment for the first night of class.

Academic Support Teaching Assistants for Next Academic Year

Applications for Teaching Assistants for the Academic Support Program for the 1994-1995 academic year are now being accepted. Each Teaching Assistant works closely with three student participants in the Program and is responsible for conducting a review session for a first-year substantive course. Applicants should have excellent grades and a strong interest in helping other students. Current 1Ls are welcome to apply based on their first semester grades. The appointment is normally for the full academic year.

Teaching Assistants receive a salary each semester equal to tuition for two credit hours and may elect to register (and pay for) two hours of academic credit per semester. Applications are available in Suite 320 and should be submitted by April 22.

Intensive Trial Advocacy 1, both regular and intellectual property, is the same course as Trial Advocacy 1. A student may not enroll in Trial Advocacy 1 if he or she has taken an Intensive Trial Advocacy course.

**SPECIAL NOTICES**

**Forum on Capital Punishment**

On May 10, 1994, the State of Illinois, in your name, will put to death John Wayne Gacy.

As members of the legal profession, as citizens, and as moral beings, we should think seriously about how and why we are doing this.

On Thursday, April 28, 1994, from 1:30 to 4:00 p.m., in the Auditorium, Chicago-Kent will host *A Forum on Capital Punishment*. A panel of distinguished speakers will discuss the constitutional, moral and practical
issues surrounding this most controversial, and timely, of subjects. Professor Hal Krent will give a brief introduction of the current state of death penalty law. Speakers will include Eric Zorn of the CHICAGO TRIBUNE; the Hon. Eugene Pincham, retired Illinois Appellate Court justice; Andrea Lyon, director of the Illinois Capital Resource Center; and Patrick W. O'Brien, a former Assistant State’s Attorney who has prosecuted numerous capital cases. Then, in what promises to be both an exciting and informative event, two of the country’s leading death penalty litigators, William Kunkle and Bill Murphy, will present a mock jury summation on whether Illinois should execute Gacy. The jury will be you in the audience. The audience will then be asked to voice their opinions and comments.

Our goal is to present a balanced and probing examination of the fundamental nature of capital punishment so that, no matter which position each of us ultimately adopts, we will do so after the type of informed and serious debate the subject demands.

Take Our Daughters to Work Day

Thursday, April 28 is national "Take Our Daughters to Work Day." This is a day for parents to share their professional lives with their children and provide them with the opportunity see women in roles as scholars, professionals and leaders. Faculty, staff and students are encouraged to bring their children, both boys and girls, to the law school on April 28th.

Professors Sarah Bensinger and Katharine Baker will present an informal program for daughters age 9 and older from 4:00 p.m. - 5:00 p.m. on April 28 in Room 570. Professors Bensinger and Baker will share their experiences as women attorneys and their advice for daughters considering legal careers. Lisa Abrams, Director of Career Services, will be available to answer questions about career planning.

Thank you in advance for your cooperation in accommodating our visitors that day--please make sure your workplace is safe for their visit. A note to parents and friends accompanying visitors: keep your child safe by watching him/her carefully, especially near the atrium stairway and other potentially hazardous areas of the law school.

LAW REVIEW Summer Candidacy Writing Program

The LAW REVIEW will hold informational meetings for all students interested in participating in the LAW REVIEW Summer Writing Candidacy Program. The meetings will be held on Tuesday April 26 at 11:45 a.m. in Room 210 and at 5:30 p.m. in Room 570. Please note that the room has been changed from the room announced in last week’s Record for the 5:30 p.m. meeting. Eligibility requirements for the Writing Program are contained in § 1.12 of the Student Handbook.

Selection Process & Academic Requirements for Chicago-Kent Moot Court Honor Society

There are two methods of selection to the Chicago-Kent Moot Court Honor Society. The first involves participation in the Charles Evans Hughes Moot Court Competition, which is administered from January to March by the Legal Writing Program with the assistance of the Moot Court Honor Society. Students who (i) advance to and argue in the final (third) round of the Hughes Competition in the first year in law school, and (ii) earn a B+ or an A as their final grade in Legal Writing II, and (iii) have completed all courses required of them as first-year students and have a cumulative GPA for those courses as of the end of spring semester 1994 not less than 2.750, will receive invitations to join the Society. A student who argues in the final round, but only because he or she was an alternate replacing an original finalist who could not argue, is not eligible for this method of selection.

Students also may be selected based upon their performance in the Moot Court Honor Society’s Summer Candidacy Program, which is separate from the Charles Evans Hughes Competition and will run from early July to mid-August. Each student participating in the summer program will be required to write an appellate brief and give two oral arguments (one on each side of the case). The brief score will count as 50% of each student’s total score and each of the two oral arguments will count as 25% of the total. The problem
generally is made available to students in the week following the July 4th holiday. Students are given approximately four weeks to prepare and submit the brief. Oral arguments are generally held during the weekend immediately preceding the first day of classes for continuing students. Results are announced within two days following the final oral arguments. While there is no fixed number of "membership slots" to be filled, and quality of performance will be the deciding factor, in the past two years approximately 15 students were selected each summer for membership based on the summer program. These students are, of course, in addition to those selected on the basis of the Hughes competition discussed above. Students need not be in Chicago to write the brief; if a student provides a self-addressed 8 1/2" x 11" envelope to the President of the Society during the month of May, the problem will be mailed to that student on the day on which it is made available in Chicago. Briefs submitted by mail must be postmarked no later than the due date of the brief, and only a United States post office cancelled post mark or an overnight delivery service mark will be accepted for determination of the mailing date.

Regardless of the method of selection, students joining the Society must have a cumulative grade point average of 2.750 as of the completion of the previous spring semester, and must maintain that average throughout their membership. Students who participate in the summer candidacy program may not know their current cumulative GPA until sometime after the summer program is underway. These students are responsible for checking their own GPA with the Registrar's office. If one's current cumulative GPA is not available prior to the due date for the brief, students may nonetheless submit the brief; however, if a student's GPA proves to be below the minimum when spring-semester grades have been included, that student will not be eligible for membership in the year ahead. The Moot Court Honor Society will confirm with the Registrar that students have met the GPA requirement before announcing membership selections.

All members of the Society, regardless of their method of selection, are required to enroll in the two-credit, fall-semester appellate advocacy course in their first semester in the Society, generally the fall semester of their second year in school. Students should not register for appellate advocacy until they are certain that they have been selected for membership, and may avail themselves of the drop/add period in August to do so. Upon completion of the appellate advocacy course, students are eligible to represent Chicago-Kent in interscholastic competitions throughout the United States. Selection of team members is based in large part on performance in the appellate advocacy course, the centerpiece of which is Chicago-Kent's Ilana Diamond Rovner Appellate Advocacy Competition. Approximately half of the students in the appellate advocacy course will be selected for teams that will compete in the spring semester of 1995.

Members of interscholastic teams receive one academic credit for any competition in which they participate. Students may receive toward graduation a maximum of five academic credits for participation in moot court, inclusive of the two Appellate Advocacy credits. The two Appellate Advocacy credits must be taken for a grade; credits for interscholastic competitions are graded on a pass/fail basis. Successful completion of Appellate Advocacy exempts students from the two-credit advanced-research course requirement.

New members must start in the fall. Evening students, new members of the LAW REVIEW, and other students with compelling reasons may defer their membership in the Society for one year. Any student wishing to defer must notify the coordinator of the law school's appellate advocacy program (currently Professor Grinker) prior to the beginning of fall semester. Deferral is subject to approval. During the time of deferral, students are not members of the Society and must indicate that fact in any reference to the Society in connection with a job application. It is permissible, however, to indicate, "Selected for Moot Court Honor Society (Membership Deferred until Fall of 1995)."

A member of the 1994-95 Executive Board will visit each first-year section to answer questions during the last week of classes. The Society wishes all candidates for membership the best of luck!
Attention: Students with Deferred Moot Court Invitations

Students who were invited to join the Moot Court Honor Society in 1993 and who elected to defer their invitation until fall semester 1994 must now register for Appellate Advocacy and notify Professor Grinker of their decision. It is important that you do so, since the number of positions in the class is limited. If you do not register for Appellate Advocacy and notify Professor Grinker, we will assume you have elected not to join the Moot Court Honor Society for the 1994-1995 academic year.

New Security Services at the Downtown Campus

The administration is pleased to announce that a new safety and security program has been implemented at the Downtown Campus. Levy Security Consultants Limited, a nationally recognized public safety and security services firm, has been contracted to provide security at the Downtown Campus. The new program includes additional security protection, Sunday through Friday evenings, in which two security officers will be stationed in the building. Escort service will be provided within a two block radius of the building, upon request, Sunday through Friday from 5:00 p.m. to closing. Also, the Campus bus service route has been extended and the bus will now take riders to Northwestern or Union stations during its regular pass of these facilities. You are encouraged to use the Campus bus when you need to go to the train station.

In addition, Levy will host one more in-house safety and security seminar, Tuesday, April 26, Noon and 5:30 p.m.

If you have been unable to attend a seminar, you may check out a videotape of the presentation from the library beginning Monday, April 25.

Financial Aid Notice

Summer Financial Aid

Students who apply for and receive summer financial aid should note that any amount borrowed during the summer will reduce the amount available from that loan type for the 1994-1995 academic year. For example, if a $3000 Federal Subsidized Stafford is taken out during the summer, then the student can only borrow $5500 in the Federal Subsidized Stafford loan for the 1994-1995 academic year.

CAREER SERVICES NEWS

Good News About the 1993 Graduating Class

The employment report for the 1993 graduating class is very positive, showing an increase in employment over that for the class of 1992. Based on a 93% response rate, 93% of those licensed and seeking employment reported that they are professionally employed. Of the 93% employed, 87% were in legal positions and 13% were in non-legal positions. This is an increase of four percentage points over the class of 1992 employment rate. The breakdown of employed graduates is:

- 56% private practice
- 16% business
- 16% government
- 7% judicial clerkships
- 4% public interest
- 1% other

Of special interest is the way students found their jobs:

- 25% contacts
- 25.5% prior clerking job/other previous employment
- 15% on campus interviews and job fairs
14.5% job postings in Career Services Office
12% unsolicited mailings
5% started own firm
3% other

This emphasizes again the importance of "shaking the bushes" in a successful job search campaign!

A Note to Graduating Students from Lisa Abrams

When I started my job as Director of Career Services, you were first and second year students. It seems impossible that it's already time for you to graduate! I owe a special thank you to the class of 1994. You candidly shared the ups and downs of your job search experiences as well as the market information you gathered along the way. You provided me with suggestions and encouragement. Most importantly, you supported and continue to support the efforts of the Career Services Office. I look forward to working with you as "alums"!

If you already have a position, congratulations! If you are still seeking a position, remember that we're anxious to work with you as you continue your search. Consider meeting with one of our career strategists to discuss job search strategies.

During the bar review, stop by to take a look at our job listings. If you will be leaving Chicago, or if you work during the day, you may find our job hotline helpful. This hotline is accessible 24 hours a day and will allow you to access the same job listings that are posted in notebooks in our office.

Information about the hotline is in a handout available from our receptionist. (Note: The hotline is for Chicago-Kent graduates only; you must present your ID to the receptionist to obtain the hotline number. Please do not share the hotline number with graduates of other law schools!)

Because the legal job market remains tight, fellow members of your class as well as prospective students are especially concerned about how the class of '94 fares in the marketplace. How long is it taking people to find work? What kinds of jobs are people finding? What are the salary levels? It's impossible for our office to provide statistical information on these issues without your help. So as soon as you find a position, please let us know! Stop by or call 312/906-5200 to share the good news!

1Ls and 2Ls: How are You Spending the Summer of 1994? Please Answer our Summer Employment Survey!

How many 1Ls have law related summer jobs? What percentage of 1Ls do volunteer legal work during the summer? What types of legal jobs do 2Ls hold during the summer? How do most of the 2Ls find their summer jobs?

To help us answer these questions and to enable us to provide you with more information about the summer job market, we are surveying first and second year students to find out how they are spending the summer of 1994.

Help us help you! Please pick up our summer employment survey, complete it, and return it to the Career Service office by Monday, May 16th. The summer employment survey is available in the Career Services Office and on the table outside the Career Services Office. Thanks for your help!

**Due to Concern About Unauthorized Users of Career Services Office, ID’s Are Now Required Upon Entering the Office**

The Career Services Office staff and a number of Chicago-Kent students are concerned about the number of unauthorized students and alumnae/i from other law schools using the Career Services Office.

Our goal is to provide you, our students, with every advantage. Our resources and job listings are here for you! We need your help to assure that these services are provided only to you and not students from other Chicago schools or law schools outside of Chicago.
We therefore must ask every Chicago-Kent student to present his/her Chicago-Kent ID card upon entering the Career Services Office. Chicago-Kent alumnae/i will also be required to show IDs. This policy was implemented on Monday, April 4th.

We appreciate your cooperation in implementing this policy, as our goal is to provide resources and services that are available exclusively to our students and our alumnae/i.

Another way you can help: please notify Lisa Abrams or Dan Walsh if you are aware that students and alumnae/i from other law schools are using our office.

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

New Ergo Keyboard

In Lab 700 we have placed an ergonomic keyboard by Health Care Keyboard Company, Inc. It is located on Machine #4, in the rear left of the lab. You are encouraged to try it out and see if it helps you in your typing. If you want to purchase a similar model, the CLC has coupons for reduced cost. For the coupons, or for more information or comments, contact Dominick Grillo (DGRILLO), Room 713.

Warning: Email Cleanup on June 12, 1994

In order to get ready for the new school year, all student email will be deleted on Sunday, June 12, 1994. The system will be shut down for a brief period in the afternoon and all student email will be deleted from the system. If you wish to save any email, you must either print it out (by pressing the PRINT-SCREEN key) or export it to an ASCII text file and save it to a diskette. You must do this before Sunday, June 12. If you have any questions, contact Dominick Grillo (DGRILLO).

WordPerfect News

Some of you may be having problems when you attempt to spell-check your WP6.0 documents. The supplemental dictionary would not work properly, but the main dictionary would. While this didn’t stop the spell-check, it was annoying. This problem has now been fixed. WordPerfect will now look to the floppy drive to find your supplemental dictionary. You can now use it wherever you are, just by keeping the disk with you.

Save Your File Often! Backup Your File Often!

As we come down to the end of the semester many of you will be using computers, both here and at home, to create outlines. Remember to save your document often. You might think saving your files every 5 minutes is over-kill, but it is not. For the time it takes to hit 2 or 3 keys you can save yourself possible hours of re-typing. There are few things worse than losing the last 4 hours of changes to your document.

You should also keep a backup of your files on a second disk. Just save it on your first disk then swap disks in the floppy drive and save it again. There is a HELPDOC located in Lab 700 with more detailed instructions.

Thank You for Telling Us What’s Right or Wrong with the Labs!

We would like to thank those students who take the time to use the comment/problem report sheets located in each lab. We take the comments into consideration, and fix any problems which may be mentioned.

World Wide Web Training & More

CLASS held 2 sessions on April 19th on the Internet. Those who came were treated to a discussion and demonstration of IRC (Internet Relay Chat), Gopher, and World Wide Web. They saw some interesting and useful materials, both legal and non-legal materials. If you missed this session you may want to contact Kay Gemrich (CGEMRICH), CLASS president, to see if they will be repeated this semester.
Email Information

Please do not use email to send mass-mailings. It puts a drain on system resources, especially disk space. As a reminder, the Kentnet Classifieds and USENET are available for postings of a general school-wide nature. Even if you have nothing to post, browse through the information there. You might find a good deal on used equipment, or tickets for sale, of people who share similar interests. Explore.

Network Access Through Xircoms

The Center for Law and Computers has made available Network Connection Packets that allow you to bring your own laptop into the building and connect it to Kentnet. The procedure for check-out is simple.

You MUST come to a quick training class before you will be allowed to check-out the packets from the Library Services Desk in the Library. These classes will familiarize you with the equipment and procedure necessary to connect your laptop to Kentnet. Any questions you have about the procedure will be answered. You must bring your laptop with you to the session.

After you complete the class you will be able to check-out the packets. The packets have everything needed - adapter, power supply, disk, and cable - to connect to Kentnet. Email Dominick Grillo (DGRILLO) to set up a time for a class.

Helpdocs Are Available!

The CLC has written and made available documentation on a variety of subjects; these are the HELPDOCS. HELPDOCS are located in Lab 700 in the racks in both the back and the front of the lab. There are HELPDOCS available on the following topics:

Frequently Asked Questions About E-Mail

KJF, along with PAD and SUPI, is sponsoring a speaker event at 3:00 p.m. April 27th in Room C50. Refreshments will be served. The featured speaker is Thomas Morsch, a partner at Sidley and Austin and one of Chicago’s most influential pro-bono advocates. He will discuss the role that lawyers in private practice play in public interest law, and how private firms and public interest organizations can work together to meet the legal needs of underserved groups.

Mr. Morsch, who has been on Sidley and Austin’s Executive Committee since 1979 and has led Sidley’s Complex Litigation group since 1972, is the president of the Public Interest Law Initiative (PILI) and the founder of the Major Illinois Law Firm Pro Bono Consortium. The latter group secured written commitments from 28 large Chicago law firms that they would encourage each of their attorneys to do 30 hours of pro bono work per year. Mr. Morsch has a number of public interest awards to his credit, including the Anti-Defamation League’s Civil Rights Award for 1994, the Lawyers Trust Fund of Illinois Legal Services Award for 1992, and the American Civil Liberties Union of Illinois Litigation Award for 1987.

Law Students Action for Justice

Law Students Action for Justice will present Justice Gone Wrong: an Update on the Cases of Rolando Cruz, Alex Hernandez and Stephen Buckley. The event will be held on Wednesday, April 27, 1994 in Room 170 at 3:00 p.m. Refreshments will be served.

You may remember that in 1985 Cruz and Hernandez were convicted of the murder of 10 year-old Jeanine Nicarico in suburban Naperville. You may not know that since that time a myriad of people who have worked on the case have resigned over what they consider to be a wrongful conviction. And another man has even confessed that he alone committed the murder. Yet today these two defendants are in prison, one on death row.

The program will feature Larry Marshall, Northwestern Professor and Attorney for Rolando Cruz; Jeffrey Urdangen, Former Attorney for Alejandro Hernandez; and Flint Taylor, Attorney for Stephen Buckley.

Recently, the case received nationwide attention (as the focus of an LA TIMES article) and was featured in a series of 16 columns by Chicago journalist Eric Zorn who wrote, "But we’re not supposed to use lies to convict people in this country, much less sentence them to death. And when our system makes a mistake, it’s not supposed to shrink from admitting it was wrong."

Join us for a talk and discussion on what happens when justice has gone wrong.

RE: CRITICAL INFORMATION REGARDING: FINANCIAL AID AND MERIT-AND-NEED-BASED SCHOLARSHIPS

Once again, the time of year has arrived for you to begin the process of applying for financial aid for next year. Please take note of the calendar of important dates below; I suggest that you save this memo for future reference. Your financial aid, whether a loan and/or a merit-and-need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. There were many changes to the financial aid application process last year and there will be a few more for next year. The application packets can be obtained in the Office of Admissions and Financial Aid, Suite 230.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By May 16

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR should be in the Office of Admissions and Financial Aid by May 16, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student's Use Box on the back of page one.

   Corrections: If you need to make corrections to your SAR, be sure to send a copy of the SAR, with all of the corrections indicated, to the Office of Admissions and Financial Aid. Send the original to the address on the back of the SAR. A revised SAR will be mailed to you approximately two weeks after the corrections are received at the processor. Make sure that you sign the report where indicated or the revisions will not be made.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement. These materials and your SAR must be returned before a financial aid award will be determined for you.

By June 1

You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid by June 1, or within three weeks of the date printed on the award letter if you received it after June 1.
By July 1

You are expected to turn in student loan applications from the lender of your choice by July 1. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

We are ready to help if you need assistance—just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation.

JUSTICE GONE WRONG:
An Update on the cases of Rolando Cruz, Alex Hernandez and Stephen Buckley

In 1985 two defendants, Rolando Cruz and Alex Hernandez were convicted of the murder of Jeanine Nicarico. Stephen Buckley whose case was eventually dismissed, was a third defendant. Since the original trial a DuPage County crime lab scientist and detective each with important roles in the original investigation quit in disgust; the prosecutor assigned to write the state's brief in the Cruz appeals resigned by saying she would rather resign than “help execute an innocent man”; and the former director of the Illinois State Police, the former state's attorney of Kane County and the former Naperville police chief have all publicly condemned the prosecutions. And perhaps the most troubling fact is that a killer, caught while committing a similar crime, confessed to the Nicarico murder. Join us for a discussion on what happens when Justice has Gone Wrong.

REFRESHMENTS WILL BE SERVED
The Center for Law and Computers is seeking motivated students to work on a path-breaking project this summer involving computers and the legal curriculum.

This summer, Chicago-Kent is launching a one-of-a-kind initiative to integrate the use of portable, notebook computers into the legal curriculum by electronically "publishing" course materials to be used in place of and to supplement traditional paper-based casebooks and handouts. We need 5-10 computer savvy law students with good writing/editing skills and familiarity with WordPerfect, Windows and LEXIS. These are full-time positions for the summer and include collaboration with faculty, free dial-in access and a loaner notebook computer. Computer programming experience is a plus, but not required.

If interested, contact Rosemary Shiels, Law and Computer Fellow, by email (RSHIELS).
THE ROLE
OF PRIVATE FIRMS
IN PUBLIC INTEREST LAW

Thomas Morsch, a partner at Sidley & Austin, will discuss the role of private law firms in public interest law, and how you can use pro bono work both to help under-served populations and your own career.

Thomas Morsch has been a partner at Sidley & Austin, one of Chicago’s largest and most prestigious law firms, since 1972, and currently serves on the firm’s Executive Committee and as head of the head of the Complex Litigation Group. Mr. Morsch is also one of Chicago’s strongest supporters of public interest law:

✓ He is President of the Public Interest Law Initiative, which awards a number of fellowships each year to law students who work in public interest law.

✓ He is founder and chairperson of the Major Illinois Law Firm Pro Bono Consortium, which recently secured written commitments from 28 of Illinois’ largest law firms that their attorneys would do 30 hours of pro bono work per year.

✓ He has been on the Board of Directors of the Chicago Lawyers Committee for Civil Rights Under Law since 1972.

✓ He has received a number of awards for his work in the public interest, including the Anti-Defamation League’s Civil Rights Award (1994), the Lawyers Trust Fund of Illinois Legal Services Award (1992), and the American Civil Liberties Union of Illinois’ Litigation Award (1987).
