FROM DEAN CHAPMAN

Professional Responsibility

Evening Division 4Ls should note that Professional Responsibility will not be offered in the Evening Division in the Spring, 1995 semester. If you have not already taken this required course, you must take it this semester.

Student Health Insurance

Please read the notice in the Registrar’s section about the procedures and deadline for waiving student health insurance and make sure to verify that your waiver has been received by GM Underwriters. Every year there are students who miss the deadline or their waiver wasn’t received and they request refunds from the law school. This year it’s even more important to observe the deadline because you are being billed $229 for the whole academic year. If you miss the deadline or the insurance company doesn’t receive your waiver and you didn’t verify it with them, you will not be able to obtain a refund.

The health insurance coverage you get for the $229 is very minimal. Please consider purchasing the supplemental coverage offered by IIT or shop around for a more comprehensive policy.

Grade Distribution

A summary of the grade distribution by course category is attached to this Record. The distribution by individual instructor is posted on the second floor bulletin board.

London Consortium

I have been advised by the administrator of the London Consortium that they are flooded with inquires and applications for the Spring, 1995 semester in London. Four seats are reserved for each participating school in the Consortium until October 1, 1994. If you may be interested in the program, I suggest you pick up a brochure from Kym in my office, room 320, and make your decision as soon as possible.
Academic Award Winners: Mark Your Calendars

The annual Student Awards Luncheon will be held at the Midland Hotel on Tuesday, September 27, 1994 at 12 noon. Invitations will be mailed within a week or ten days to all students who earned academic achievements awards during the last academic year. Student who earned the highest grade in each section of each class will be among those honored at the luncheon.

FROM THE REGISTRAR

Pass/Fail Election

The last day for making or revoking a pass/fail election is **Friday, September 2, 1994 at 5:00 p.m.** This deadline will not be extended for any reason. Make sure to submit two copies of the form and retain one of the copies signed by the Registrar’s staff for your records. Also read §§ 2.4 and 2.7 of the Handbook.

Schedule Changes and Waiting Lists

The following information has been posted on the bulletin boards and in the cafeteria since last Tuesday and references were made to it on broadcast e-mail.

All waiting lists will expire today, Monday, August 29, 1994 at 5:00 p.m. Evening students may add any open course or section beginning at 5:00 p.m. and day students may add courses beginning tomorrow, Tuesday, at 8:30 a.m. in the Registrar’s office. There are seats in many sections that are listed as closed on the bulletin board because the seats have been held for students on the waiting list. These seats will be available at the above times.

Registration Change forms will be processed on a first-come, first-served basis. If you are a 3L evening student or a 2L day student and are not enrolled in an Advanced Research or Legal Drafting section by that time, you should appear and register for an open section. Registration Change forms will only be processed in person. You may designate someone to submit a Registration Change form for you, but you must give a signed Registration Change form to your designee to submit to the Registrar.

You may add an open course through Friday, September 2, 1994. When you submit a Registration Change form in the Registrar’s office, make sure the staff processes your change, initials the form and gives you the pink copy. If you do not have a signed pink copy of the change form, you may not be officially enrolled in the course. If you are not officially enrolled, you will not receive credit for the completed courses.

Tuition Payments

Students who elected the tuition installment plan must pay the third $300 installment by September 1, 1994. If this payment is not received by that date, your registration is subject to cancellation. On October 1, 50% of the balance will be due and the remaining balance will be due November 1, 1994.
Student Health Insurance Waiver

If you intend to waive the student insurance coverage, you must return the insurance waiver card to G-M Underwriters by Friday, September 16, 1994. Waiver cards are available in the Registrar's office. Please read the instructions regarding the waiver very carefully. If you submit a waiver to GM Underwriters Agency, they recommend in the insurance brochure that you call them at 1-800-521-2623 to make sure they have received the waiver. If you fail to do this and the waiver was not received, you will be billed the $229 charge for insurance.

Privacy Form

If you do not wish to have your name, address, or telephone number published in the Chicago-Kent Student Directory, you must submit a Privacy Form available in the Registrar's office by Friday, September 9.

January, 1995 Graduates

Please submit a Graduation Requirement Analysis Form to the Registrar by Friday, September 2, 1994 and read § 1.8 of the Student Handbook.

Professional Responsibility

FROM ASSISTANT DEAN OF STUDENTS JULIE FENTON

Time is rushing by. Those precious hours between classes you thought you'd use so efficiently seem to slip away. You chat with classmates. Get a bite to eat. Go to your locker. Oh, only 45 minutes left -- too little time to study -- get a cup of coffee and read the latest Record. The time evaporates, and you find yourself falling behind already.

The time to take control of your time is now. Don't wait until Read Week to play catch-up. Most of you know how to budget your time. Do it. Use whatever techniques work for you. Make lists. Use calendars. Prioritize tasks and do the most important ones first. Squelch those procrastination behaviors, such as putting your 1990 vacation photos in an album before you start fighting your way through your reading assignments.

If you aren't a good time manager, stop by my office (544). I have articles on time management and weekly worksheets to help you allocate and use your time efficiently. Or make an appointment with me to discuss organizing your time. Or put this down and pick up your text book right now! Time's a-wastin'!

Note to First Year Students and Second Year Evening Students: To help you with your classes, we have Teaching Assistants assigned to Torts, Criminal Law, Justice, Civil Procedure, and Property. The TA's have office hours each week, and we invite you to stop in and talk to them if you have questions you aren't prepared to ask your professors. The schedule of office hours and the TA's names are posted outside my office.
FINANCIAL AID NEWS

Although the Office of Admissions and Financial Aid will be open from 8:30 a.m. to 5:00 p.m., Deborah will only be available during the following hours:

Serving Our Society

As Director of SOS, I’d like to answer the big question on everyone’s mind. What is SOS (Serving our Society)?

SOS is part of a growing national network of law school pro bono programs. In conjunction with Pro Bono Students Illinois, SOS serves as a valuable resource for Chicago-Kent students interested in obtaining volunteer public interest positions during law school, and even after law school.

SOS serves as a bridge between Chicago-Kent students and those groups and individuals doing important social and public interest work, both legal and non-legal, in our community. Through SOS, the law school and its students commit added time and support to those entities. In addition, through SOS, Chicago-Kent hopes to build and nurture an ethics of involvement and service among our students that will carry into their professional lives.

At this time, SOS is in the process of becoming computerized. Chicago-Kent will receive computer software enabling SOS to gain access to a statewide data-base of volunteer opportunities.

Although we’ve only been in existence since February 1994, SOS has already successfully assisted many students in finding rewarding volunteer experiences at such agencies as the Department of Children and Family Services and Pro Bono Advocates. Besides, SOS offers you many benefits. You not only gain
worthwhile experience, you may meet interesting people and make valuable professional contacts. But most important, and really the true reason for SOS, you are making our community a better place by serving our society.

If you’re interested, either in volunteering or learning more about public interest opportunities, please stop by the SOS office located in Room 686 and speak to one of the student counselors, Ms. Juli Gumina (3L) or Ms. Sharon Doherty (2L), or call 906-5089 to set up an appointment. We will even have a monthly newsletter for you to read. Office hours for the Fall Semester are as follows: Mondays 1:00 p.m.-4:00 p.m.; Tuesdays 12:00 noon-2:00 p.m.; Wednesdays 2:30 p.m.-5:30 p.m. and Thursdays 2:00 p.m.-4:00 p.m. We look forward to serving you.

Students Fluent in Foreign Languages Wanted

Professor Alberto Benitez, a new clinical professor, is seeking students who are fluent in foreign languages who might be willing to serve as translators/interpreters for his immigration clients. He is looking for individuals who are willing to serve on a volunteer basis. He is grateful for the response he has received from students to date. Still needed are students fluent in Polish, Romanian, Portuguese, Vietnamese, and Chinese. Please contact him via email, ABENITEZ, or by phone, 906-5072.

Dear Dean Matasar

A special email I.D. has been created for your messages/complaints/concerns/praises about the law school. Send your email message to "DEARDEAN." You also are welcome to submit written messages if you prefer to do so; just place them in Dean Matasar’s mailbox on the second floor.

Toastmasters

Toastmasters International is a worldwide organization dedicated to helping its members improve their thinking, listening and speaking skills. Individual clubs provide a supportive environment where members practice those skills by going through a course of basic speech exercises.

Members can work at their own speed. Once the basic course is complete, there are twelve advanced manuals that deal with more specific types of speaking assignments such as: speaking to inform, the discussion leader, speeches by management, technical presentations, the professional speaker and the entertaining speaker.

The "Knowledge Speakers" Club is one of over 30 clubs in the downtown area and has recently moved its meeting location to Chicago-Kent. Meetings are held the second and fourth Tuesday over the lunch hour and guests are welcome to attend.

We would like to encourage the faculty, staff and students of Chicago-Kent to join us. Our membership is made up of a diverse group of professionals. Each meeting includes prepared speeches, evaluations of those speeches and a "Tabletops" session that allows us to practice our impromptu speaking skills. (Don’t worry - guests are not required to participate!) Dues are $24 every six months.

We invite you to visit and hope to see you at our next meeting. Meeting room locations are posted in the school lobby. If you have any questions, please call Scott Harden, membership chairperson, at 454-4378.
Payroll Authorization Information for Student Employees

A new payroll authorization must be completed by all student employees who plan to work after August 27, 1994. Payroll authorizations are available in the Office of Administration, Finance and CLE, Suite 265. The Payroll Authorization should be filled out completely, listing August 28, 1994 as the "Effective Date" of employment. Be sure the faculty member or administrator for whom you work signs the authorization.

Due the demand for the laser printer in the Career Services Office, we have implemented a new computer use policy. Students’ use of the computers in the office will be limited to 20 minutes when other people are waiting. Please sign in on the sheet provided by the computers indicating the time you arrived. If you wait more than twenty minutes, please let Dan Walsh or Gwen Johnson know. If you must relinquish use of the computer to another person, please sign the list again to put yourself back in line. We ask that you please use other computers in the building for composing letters and resumes. Thank you for being considerate when other people are waiting to use the computers.

**Online Research Service**

Reference librarians are available in Room 700, the large computer classroom on the seventh floor, to provide assistance with online research. This includes, but is not limited to, questions about formulating search queries for LEXIS and WESTLAW, locating appropriate database libraries and files to conduct research, and operating efficiently within the databases. We can also help with questions about work in WordPerfect and other applications on the computers, so please come and talk to us. There will be one librarian stationed in the classroom during scheduled hours, which are as follows:

- **1:00 p.m. to 3:00 p.m.:** Monday, Tuesday, Thursday

**Tutorials**

The Law Library staff is here, ready and willing to assist you in your law studies. Each week the Reference staff will be offering tutorials on research in a number of legal topics. The tutorial for the week of August 29 will be *Legal Newspapers*. Legal newspapers can provide information not readily available in other sources; for example, discussion of recent legislation and/or case law, current awareness of professional developments, and personnel news and job advertisements. Stop by the 9th floor library bulletin board to check out times - tutorials will run about 20 minutes and there is no need to sign up.

**U.S. Reports on LOIS!!**

LOIS, the Library’s online imaging system, now contains a complete set of ALL U.S. Reports, current through the latest advance sheet. Sign on using "Student" as your I.D. and "Student" as your password. You can search for cases by Case Name, Citation, Docket Number, and Date. Any questions? Stop by the Reference Desk and we’ll be happy to help you out.

**Network Connection Packets**

Xircom network connection packets are available for checkout at the Library Service Desk. You must be certified by the Center for Law and Computers before you can check these out. Connection packets are available for use in the Library for 3 hours.
NEWS FROM THE CENTER FOR LAW AND COMPUTERS

Help from the Helpdesk: Room 700 Computer Lab

The Center for Law and Computers' HELPDESK, organized and run by CLASS, is again in operation and student volunteers are available periodically throughout the day to answer questions. At other times, EMAIL your questions about printing, dial-in access to Kentnet, WordPerfect, and more to "HELPDESK." The HELPDESK volunteers log in to pick up these messages throughout the day, the evening and on weekends.

LEXIS and WESTLAW questions about printing, downloading documents, and creating searches can be answered by the LEXIS and WESTLAW representatives listed in The Record each week.

There are also HELPDOCS, a series of printed instructions, on using our resources. These helpful instructions are placed in the lab in Room 700 and updated often to reflect new services and procedures. Currently there are documents available on:

- Frequently Asked Questions About E-Mail
- Sending or Receiving Files Attached to An E-Mail Message - DOS and Windows
- Setting Up an Electronic Mailing List - DOS and Windows
- E-Mail 101: Internet Addresses
- E-Mail At-A-Glance - DOS
- WordPerfect 5.1 Table of Contents & Table of Authorities
- WordPerfect 6.0a Table of Contents & Table of Authorities
- WordPerfect 5.2 for Windows Table of Contents & Table of Authorities
- Mailmerge with WordPerfect 5.1 DOS
- Mailmerge with WordPerfect 5.2 Windows
- WordPerfect Headers, Page Numbers, and Backup
- Top Down Outlining in WordPerfect 6.0a
- Virus Detection Software
- Dial-In Software Update

If you have any comments or suggestions for new HELPDOCS email Dominick Grillo (DGRILLO). There is an Internet Helpdoc in the works currently.

Save Your File Often! Backup Your File Often!

Now is the time to get into good habits; remember to save your document often. You might think saving your files every 5 minutes is over-kill, but it is not. For the time it takes to hit 2 or 3 keys you can save yourself re-typing possible hours of typing. There are few things worse than losing the last 4 hours of changes to your document.

You should also keep a backup of your files on a second disk. Just save it on your first disk then swap disks in the floppy drive and save it again. There is a HELPDOC located in Lab 700 with more detailed instructions.

As always, label your disk and put your name on it. We can't return the disk to you if we don't know who's disk it is.
The Record

August 29, 1994

Virus Attacks!!!

There has been an increase of virus infections on Kentnet in these first few days of school. There are steps that you can take to help us stop the spread of viruses and to protect your own data.

Whenever you enter Kentnet you will be given an option to scan your floppy disks for viruses. Do NOT skip this step. Otherwise if a virus is on your disk it may spread to the lab machine that you are using and through that machine to other students’ disks. Plus, your own data may be wiped out!

If you find that you have a virus you must clean the infection off your disk. From the Kentnet menu look for Kentnet Services and then Virus Detection Software. One of the options is to clean a virus off of a disk. Just follow the prompts to eradicate the virus. (You will need to know the name of the virus to be cleaned. You are told the name of the virus when you are notified of an infection on your disk.) After you run the cleaning program you should re-scan your disk to insure that the virus is destroyed.

You can also create your own Virus Protection Disk. One of the options on the menu will lead you through the steps. There is also a Helpdoc in the document racks in the rear of Lab 700 with more information.

Email Information

Please do not use email to send mass-mailings. It puts a drain on system resources, especially disk space. As a reminder, the Kentnet Classifieds and USENET are available for postings of a general school-wide nature. Even if you have nothing to post, browse through the information there. You might find a good deal on used equipment, or tickets for sale, of people who share similar interests. Explore.

Network Access Through Xircoms

The Center for Law and Computers has made available Network Connection Packets that allow you to bring your own laptop into the building and connect it to Kentnet. The procedure for check-out is simple.

You MUST come to a quick training class before you will be allowed to check-out the packets from the Library Services Desk in the Library. These classes will familiarize you with the equipment and procedure necessary to connect your laptop to Kentnet. Any questions you have about the procedure will be answered. You must bring your laptop with you to the session.

After you complete the class you will be able to check-out the packets. The packets have everything needed - adapter, power supply, disk, and cable - to connect to Kentnet. Classes will be held in Lab 775 on the following dates and times (email Dominick Grillo (DGRILLO) if there are any questions):

- Tuesday, August 30 2:00 p.m. to 2:50 p.m.
- Wednesday, August 31 12:00 p.m. to 12:50 p.m.
- Thursday, September 1 5:00 p.m. to 5:50 p.m.
- Friday, September 2 10:00 a.m. to 10:50 a.m.
PC Clinic

The CLC would like to thank the members of CLASS for their sponsorship and help during the PC Clinic on August 19. Close to 50 students were provided assistance with their computers. CLASS members worked on tasks as varied as installing virus software to troubleshooting internal modems. See the Student Organization section for information on CLASS - they are holding their first meeting of the semester this week.

FROM SBA PRESIDENT TOM STOVALL

For those of you who missed the picnic on the 20th, you missed a great time. The weather turned out to be fantastic and a good time was had by all. The environmentalists among you will be glad to know that all the aluminum was save and given to a homeless person who asked for it. All the food that was left over was given to the Pacific Garden Mission on State street. Thanks to the ABA/LSD and their two representatives at Chicago-Kent, Phil Smith and Clarke Gillespie, for providing the volleyball equipment. My personal thanks goes out to Roy Patterson, Steve Neuman, Joel Sternstein, Phil Smith, and Clarke Gillespie for helping with the set up and clean up.

The SBA Fall budget was passed at the August 23 meeting. I will meet with Presidents and/or Treasurers of the student groups, this Tuesday August 30 at 2:00 p.m. and again at 5:00 p.m. in the C90 conference room next to the SBA office, to hand out copies and answer any questions.

The SBA does not have a list of officers for the following student groups. NO CHECK REQUESTS will be approved for these groups unless the SBA has these names.

Christian Legal Society

The first meeting of the year will be held in Room C-20 on Thursday, September 1 at 5:00 p.m. to 6:00 p.m.

I can’t believe that the school year has started already, but here we are! I would like to welcome all who are Christians to come to the first meeting to find out what we are all about.

Briefly, the Christian Legal Society is a non-denominational national organization of law students and attorneys. Here at Chicago-Kent one of our goals is to provide you with an opportunity for fellowship. Each week we meet for one hour to discuss various topics including law school, family, jobs and things more controversial as well.

Throughout the semester we will sponsor at least one or two speakers. The local Chicago Christian Legal Society Alumni have offered to open their houses for Thanksgiving and Christmas dinner for members from the area CLS Chapters. We may also organize a volunteer project. In addition many of us will be attending the National CLS conference in Snowbird, Utah in late October which all are welcome to attend.

If you are unable to attend our September 1 meeting and are still interested in the organization, please email JHaralds or stop by the office (C72) during the evenings between 4:00 p.m. and 7:00 p.m.

Computer Law Association (CLASS)

CLASS meeting (MacUsers come, too) -- Wednesday, August 31 at 3:00 p.m. in Room 744.

We are a group that helps students become more familiar with computers (you don’t have to be a computer whiz to join—we’ll train you). We also talk about things like new technology and games, have guest speakers, run the computer clinic and many other things. Come see what we’re all about. Refreshments will be served.

We need to elect CLASS officers for the 1994-95 school year, as well as sign up for HELPDESK hours--everyone is expected to volunteer 2 hours per week (you get free laser printing.)

If you’re on the CLASS email list and you don’t want to be or if you’d like to be added to the list, please let Kay (CGEMRICH) know.
Computer Questions???????????????????
CHECK WITH THE HELPDESK VOLUNTEER (in lab 700) or email HELPDESK
If you have a question (either about the schools’ computer or your own) ask the helpdesk volunteer. If there is no-one at the helpdesk send us an email (HELPDESK) and a CLASS member will answer your question.

Please attend our student newspaper’s first organizational meeting on Tuesday, Sept. 30 at 11:45 a.m. in Room C35.

We invite anyone with a scintilla of talent as a writer, photographer, cartoonist or desktop publisher. We welcome regular or one-time submissions.

For those who are talentless, please attend anyway if you care about what does or doesn’t appear in this year’s Commentator. Email Keith Picher (kpicher) or Brian Porter (bporter) if you have questions but are unable to attend. Our first deadline is September 23.

Dean’s Advisory Council

The Dean’s Advisory Council is a forum unique to Chicago-Kent. Students personally bring their concerns about Chicago-Kent to the Dean, and the Dean "takes the school’s pulse" by directly consulting with students. All students may attend meetings, but Members are appointed by the Dean, and may vote (if a vote is called for).

Student group leaders will shortly be receiving a letter in their organization mailboxes regarding the nomination of student group representatives to the Council.

The Student Bar Association also nominates at-large members to the Council. Any student may apply for at-large membership. Applications will be available beginning Thursday, September 1, outside the offices of the Student Bar Association on the Concourse level. The applications are brief, and instructions will be provided.

Please drop by the FLS table on Wednesday if you are interested in running for a position. You can also email Ellen Berger (EBERGER) with any questions.

Top 10 Computer Questions

Q1  How do I bring up email after I login?

A1  Hold down the ALT key and tap M. Email pops up over most applications on the network (Try this from within WordPerfect 5.1 for DOS).

Q2  How do I attach a file to an email message when I am dialed into the network from home?

A2  First, you need to transfer the file from your home computer to the computer system at Kent. From the KENTNET SERVICES MENU, Select TRANSFER A FILE FROM YOUR HOME COMPUTER TO CHICAGO-KENT. The system will ask you for the name of the file. You should type in the complete path and file name. For example if you are sending the file OUTLINE.TXT, located in your C:\WP51\TORTS directory, you would type in C:\WP51\TORTS\OUTLINE.TXT. The file will be placed on the G: drive.

Now the file has been copied to the Kent computer system. To attach the file to an email message, choose E-mail from the menu, create a message and press F6. Your file is on G: drive, so type G:\OUTLINE.TXT (or whatever you named your file) and press enter to attach the file to the email. And finally send your email.

Q3  How do I retrieve a file that is attached to an email when I am dialed in from home?

A3  First, get into email and bring up the email with the attached file. Press F6 and save the file to the G: drive. Exit email and select KENTNET SERVICES from the menu, then select TRANSFER A FILE FROM CHICAGO-KENT TO MY HOME COMPUTER. The system will allow you to pick your file and it will be transferred to the C:\DIALKENT directory on your home computer. NOTE: IF A FILE WITH THE SAME NAME ALREADY EXISTS IN THE C:\DIALKENT DIRECTORY, IT WILL BE OVERWRITTEN.

Q4  How do I share an email mailing list with others?

A4  On the Kentnet menu system under CLASSES is a menu option called E-mail MAILING LIST DISTRIBUTOR. This program allows you to copy email mailing lists from your private email area into a public place on the network. Others can then copy the mailing list into their private area and use it. We have stocked the public area with email mailing lists for almost every class being taught this semester. At the bottom are lists that other students have uploaded.
Q5 Is it o.k. to print my LEXIS/WESTLAW downloads on the dot-matrix printers in the computer lab?

A5 No. You should use the menu choice for printing your downloads so that they are printed at the Document Center. It costs 5 cents per page, but it is guaranteed delivery and it doesn’t tie up the printers when others are trying to print their papers.

Q6 Why do some people’s login names end in a number?

A6 When there is a "tie" with a login name (e.g. Bill Jones and Bob Jones would both have the same login name of BJONES), we append a "1" or "2" to both names so that it is less likely for one person to get the other person’s email. If you send email to BJONES, you will get an error message back. Use the F2 key within email to see a list of everybody’s valid email names.

Q7 How do I connect my notebook to Kentnet while within the building?

A7 For this you do NOT use the Dial-in software. The Center has made available, through the Library Services Desk on the 9th floor, a Network Connection Packet. These packets contain the necessary network drivers, network adapters, and cables to connect to Kentnet. However, before you can check one of these out you have to attend a short "Orientation" class on how it all works. These classes will be given throughout the semester. Check The Record for information on these classes.

Q8 I may have a virus on my disk; what do I do?

A8 First, always check your disks when you first login to Kentnet. If a virus is found when your disk is scanned the scan program will report to you the name of the virus. The name that is in the brackets (example - Monkey virus found - [Mon]) is important. It is this name that you will use to remove the virus. If no virus name is given, you do not have a virus.

Under the Kentnet Services / Virus Detection Software menu there are two options to allow you to clean your disk of viruses, depending on which floppy drive your disk is in. When you clean your disk you must know the name of the virus, which is the name in brackets. Enter the name of the virus in brackets: [virus name]. Read the warning option first.

You can also create a disk to take home and check and clean viruses from your home machine. It is also located under the Kentnet Services / Virus Detection Software menu.
