FROM THE REGISTRAR

January, 1995 Graduates

If you intend to complete your degree requirements this semester, please review the graduation list posted on the bulletin board outside the Registrar’s office. Your name will appear on your diploma and in the
June, 1995 Commencement program exactly as it appears on this list. If you want to make any changes or if your name does not appear on the list, please contact the Registrar.

Applications for the February, 1995 Illinois bar exam are available in the Registrar’s office. The deadline for filing the application is November 1, 1994. The law school automatically sends a completed Certificate of the Dean to the Illinois bar examiners for every student who is graduating in January, 1995; therefore please throw out the Certificate of the Dean that was included in your bar application.

If you are planning to take the February bar exam in another state, please submit that state’s documents to certify your graduation to the Registrar’s office well in advance of the due date.

Student Health Insurance

The deadline for the insurance waiver card to arrive at GM Underwriters is Friday, September 16, 1994, so obviously they must be mailed before that date. Brochures and waiver cards are available in the Registrar’s office. If you have mailed a waiver form, make sure to verify with the insurance company that they received it.

Fall, 1994 I.D. Validation Stickers

I.D. Validation Stickers for the Fall, 1994 semester are available in the Registrar’s office. I.D. Cards for First-year Students

I.D. cards for first-year students will be available in the Registrar’s office beginning September 19.

Clinton Admin. Hearing on Impact of National Information Infrastructure on Intellectual Property Rights

Students pursuing a career in intellectual property law might be interested in attending a public hearing chaired by Patent and Trademark Commissioner Bruce Legman on the Clinton Administration’s Working Group on Intellectual Property Rights’ report on the impact of the National Information Infrastructure on intellectual property rights. The Chicago hearing is scheduled for September 14 (Wednesday) at the University of Chicago, Ida Noyes Hall. It will run from 9:00 a.m. until 5:00 p.m. The report, among other things, recommends changes in U.S. copyright law to better protect the information and entertainment products expected to flow through the information superhighway.

FACULTY NEWS

During the summer, Professor Lori Andrews helped various federal agencies develop policies dealing with human subjects research. In June, she participated in a workshop for officials from various federal agencies, including the National Institutes of Health, the Department of Energy, the Environmental Protection Agency, and the Central Intelligence Agency, to help them implement a new intragovernmental accord signed by President Clinton regarding the conduct of research. Her presentation was called Assessing Risks and Benefits: Informed Consent. In July, Professor Andrews participated in a workshop sponsored by the Centers for Disease Control (CDC) and the National Institutes of Health. The CDC had collected blood samples from 50,000 people to undertake certain research; the researchers subsequently decided that they wanted to undertake additional research on the blood samples. Andrews presented a paper, What Should Be Done With Samples Already Collected, Stored, Available for Use in Genetic Studies. Professor Andrews also participated in several other national meetings. At the Law and Society Association Annual Meeting in Phoenix in June, she presented two papers, Conceptual Frameworks for Genetic Policy and Social Control of Pregnant Women. She also presented a paper Reproductive Technologies, Genetics and the Law of Motherhood: Accord and Discord in Feminist Theory at this summer’s Women’s Legal Institute at Chicago-Kent, "Two Decades of Women’s Legal Theory and Doctrine," held in July. In August, Professor Andrews attended the ABA Annual Meeting in New Orleans to participate in the meeting of the ABA Bioethics Coordinating Group, of which she is a member. The group oversees and coordinates all the ABA activities on topics such as reproductive and genetic technologies, repressed memory in criminal cases, and living wills. Professor Andrews also continued her work on a 14-member federal advisory committee, the Working Group on Ethical, Legal and Social Issues in the Human Genome Project.

Professor Marty Malin’s article Fathers and Parental Leave has been published at 72 TEX. L. REV. 1047 (1994).
EXTERNships for U.S. Attorney Northern Dist. of Ill.

Spring 1995 Semester, Third Year Students Only

All third year students who are interested in externing with the Office of the U.S. Attorney for the Northern District of Illinois for the Spring 1995 Semester should pick up their applications from Professor Gross in Room 617.* The primary goals of this externship are to provide the student with exposure to and participation in federal trial and appellate practice and to assist the office in handling its multitude of important cases. Completed applications must be received at the Office of the U.S. Attorney by Monday, September 26, 1994.

Should you be selected by the U.S. Attorney's office to receive law school credit for this externship, you must also apply to and be accepted into the law school's Advanced Externship Program. Professor Gross will explain those application procedures to you, when you pick up your application for the U.S. Attorney. The law school externship applications will not be available before late October.

*If Professor Gross is not in, please see Ms. Jan Lund, her secretary, in Room 610 to get your application.

Judicial Externships: Spring 1995 Semester

Second and Third Year Students, Minimum 3.2 Grade Point Average

Informational Meeting. On Tuesday, October 4, 1994 at 12:00 noon in Room 170, there will be a meeting for all students who are interested in externing for a federal appellate, district, bankruptcy judge or magistrate for the Spring 1995 Semester. Professor Vivien Gross will describe the kinds of experiences a judicial extern will have in the course of a semester, as well as how to apply. If you are interested in a judicial externship, but are unable to attend the meeting, please see Professor Gross in Room 612.

A judicial externship enables the student to become involved in particular legal problems through research and writing, and to contribute in the resolution of those legal problems. Depending upon the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge and the judge's law clerk those legal problems which attorneys face in their profession, and the specific problems which attorneys confront in their courtroom. Take advantage of this wonderful opportunity!

Application Process. The applications for the Spring Judicial Externships are now available in Room 601, Law Offices, as of Monday, September 26. Completed applications should be submitted to Ms. Jan Lund, Room 610, Law Offices, Wednesday, October 12, 1994 by 5:00 p.m.

Employment Opportunities

CAREER SERVICES NEWS

Job Postings Available On-line on Kentnet!

You no longer need to come to the Career Services Office to leaf through the "red books" or "blue books" to see the latest job postings--you can check them out on Kentnet. Look for the listings under the "Kentnet Services" menu option on Kentnet.

Fall On-campus Recruiting Information

Student interview schedules will be available at the Career Services Office after 12:00 noon on September 13th. I.D.s will be required. Please pick up your own schedule--if you must send someone else, a written proxy is required. Participants must pick up their schedules no later than 8:00 p.m. on Wednesday, September 14th.

A reminder to all participants: please check your email and the bulletin board daily!

Participants should check the information packet for materials to bring to interviews. Now is the time to request transcripts from the Registrar’s office: the Registrar requires three days to process requests.

Department of Justice News

Looking for more information about the Department of Justice? The Career Services Office has a twelve-minute videotape produced by the Department of Justice which you may view in the office. Dan Walsh, our resource manager, will be happy to set up the VCR for you.

If you missed the program on the Environmental and Natural Resources Division of the Department of Justice on Wednesday, September 7th, be sure to check out the videotape of the program! Copies will be available to check out and to view in the office.

The Department of Justice is seeking Asian/Pacific American law students to apply for entry-level attorney or summer law intern positions. The application procedure is the same as reported in the Fall On-Campus Packet, but Handout #21 has names of specific attorneys to contact for assistance and further information. Remember--the deadline for applying is September 23, 1994!

Department of the Interior, Solicitor’s Honors Program

The Solicitor General of the Department of the Interior is seeking third-year law students to apply for a two-year Honors Program. Applications are due in Washington, D.C. by September 30th and interviews will be held at Northwestern Law School on October 17th and 18th. See Handout #6 for full details! Also see the information contained in "Handouts Concerning Special Opportunities" below.
Updated Alumnae/i Advisor Network Available

Whether you are defining your interests, looking for information on specific employers, or trying to network in Chicago and elsewhere, the Alumnae/i Advisor Network may be beneficial to you! The Alumnae/i Advisor Network is composed of alums who have volunteered to provide information to current students and other alumnae/i. Each volunteer forwarded a questionnaire to us which contains advice on networking and indicates whether the alum would be willing to have students contact them for further advice.

The questionnaires are indexed geographically and by practice area so students can identify alums who may provide the most helpful information. The binder with this exciting information is located on the shelves containing non-circulating resources in the Career Services Office. This summer we doubled the number of participating volunteers, so take another look even if you used the Network for prior job searches. It’s an easy way to begin networking!

1994 Chicago Area Law Firm List

An alphabetical list of firms of four or more attorneys in the Chicago area, including practice areas and contact names, is now available in the Career Services Office! This list is a great resource on those small firms for which information is so scarce!

As you begin to put the list to work, please remember two caveats. First, although we update the list every August and doublecheck all entries, firms change rapidly and some move often. Second, do not say in a cover letter that you found a firm’s name on this list. We include all firms that we can identify: the firms are not asked whether they would like to be included. Happy searching!

Third Year Students Interested in Litigation: Opportunities at Katten, Muchin & Zavis

Katten, Muchin & Zavis has informed us that the firm is interested in receiving resumes and cover letters from third-year students considering careers in litigation. Although the firm required a 20% minimum ranking for fall on-campus interviewing, we have been told they will consider candidates who fall slightly below that ranking for in-office screening interviews.

We recommend sending a resume and carefully tailored cover letter to Katten, Muchin as soon as possible if you are interested. Information about the firm can be found in the Career Services Office in the black binders of Fall On-Campus Recruiters.

Upcoming Programs:

Public Defender’s Office Informational Program

Second- and third-year students interested in applying to the Illinois Public Defender’s Office are invited to attend an informational program on September 21st. This program replaces the Public Defender’s participation in on campus interviewing (they no longer interview on-campus at Chicago law schools). An attorney from the office will explain the new application procedures during this presentation.

Sign up to attend in the Career Services Office and mark your calendars for September 21st at either 3:00 p.m. or 5:00 p.m. in Room C25! The program will be videotaped and available for check-out for those who cannot attend.
A special note to first-year students: the videotape of this program will be available to you after November 1st!

Mock Interviews Still Available!

Several appointments for mock interviews with career strategist Deborah Gutman are still available on Monday, September 12; Tuesday, September 13; and Wednesday, September 14.

Sign up in the Career Services Office to have Deborah videotape an interview with you and offer constructive criticism as you review the tape with her. Don’t miss this great opportunity to prepare for interviews!

*Interviewing Tips from the Employer and Student Perspectives*

On Tuesday, September 13th, the Career Services Office presents a program on interviewing tips from the pros: attorneys involved in the hiring process and students who have been through the fall on-campus program.

Yvonne Owens (Chicago-Kent ’89) of Adler, Kaplan & Begy; James Hagy of Jones, Day, Reavis & Pogue; and third-year student Karen Ruzic will offer their insights at 11:45 a.m. in Room 170.

Chip Peters of Schiff, Hardin & Waite and Joleen Willis (Chicago-Kent ’94) of Wildman, Harrold, Allen & Dixon will give advice at 5:00 p.m. in Room 520.

Sign up to attend the programs in the Career Services Office. Both programs will be videotaped for those who are unable to attend. Don’t miss the chance to profit by hearing tips directly from employers who recruit on-campus at Chicago-Kent!

*The Big Picture: Job Search Strategies Beyond Fall On-Campus Interviewing*

Keep your schedule free on Tuesday, September 20th and Tuesday, September 27th at 11:45 a.m. for our special program: *The Big Picture: Job Search Strategies Beyond Fall On-Campus Interviewing*. Recent graduates and current students will share with you their successful methods for finding summer or post-graduation jobs.

The session on September 20th will focus on the small- to medium-size firm market. On September 27th, we’ll explore the government, public interest, and law-related job markets. Sign up to attend this program in the Career Services Office by September 10th—we’ll see you at the program!

The programs on September 20th and 27th will be at 11:45 a.m. in Room 510.

**Two Special Programs for Evening Students!**

Two programs addressing search strategies for evening students will be offered this fall.

First, the Evening Law Students Society is sponsoring a day-long program on Saturday, October 15th which will address topics including how to get legal experience and how to network effectively. Email Sandie Moon for more specific information!
Second, on Tuesday, November 15th at 5:00 p.m., the Career Services Office will present a program specifically addressing job search strategies for evening students. Watch The Record for more details about Special Career Planning Concerns for Evening Students.

LEXIS and WESTLAW Passwords and Software

The Law Library has LEXIS and WESTLAW passwords for those 1st year students who need to pick them up. We also have software - including Windows!! - for any student who needs a copy for home use. Stop by the Library Service Desk.

Online Research Service

Reference librarians are available in Room 700, the large computer classroom on the seventh floor, to provide assistance with online research. This includes, but is not limited to, questions about formulating search queries for LEXIS and WESTLAW, locating appropriate database libraries and files to conduct research, and operating efficiently within the databases. We can also help with questions about work in WordPerfect and other applications on the computers, so please come and talk to us. There will be one librarian stationed in the classroom during scheduled hours, which are as follows:

- 10:00 a.m. to 12:00 p.m.: Monday - Friday
- 1:00 p.m. to 3:00 p.m.: Monday, Tuesday, Thursday

Tutorials

The Law Library staff is here, ready and willing to assist you in your law studies. Each week the Reference staff will be offering tutorials on research in a number of legal topics. The tutorial for the week of September 12 will be on Finding Country Information. This tutorial will introduce you to many non-law research sources and to resources in the collection of the Library of International Relations. Stop by the 9th floor library bulletin board to check out times - tutorials will run about 20 minutes and there is no need to sign up.

Need Help with Citations?

Having trouble figuring out that legal citation? The Bluebook a puzzle? Stop by the reference desk - the reference librarians will help you translate that cite and locate the case.

Employers’ Resumes on LOIS

LOIS, the Library’s online imaging system, contains 1994 legal employers’ resumes. Sign on using "Student" as your I.D. and "Student" as your password. You can search for law firms, public interest groups, and other employers looking to hire law students/graduates. Stop by the Reference Desk and grab a bookmark on Searching Employers’ Resumes and ask a reference librarian for search tips - we’ll be happy to help you out.

Network Connection Packets

Xircom network connection packets are available for checkout at the Library Service Desk. You must be certified by the Computing Center before you can check these out. Connection packets are available for use in the Library for 3 hours.
NEWS FROM THE CENTER FOR LAW AND COMPUTERS

New Software Available On Kentnet!

WordPerfect for Windows 6.0a is back! The problems we have been having with it, especially with printing, have been fixed. Microsoft Word has now been added to Kentnet. Version 6.0 for DOS is now installed on all the lab machines. Version 6.0 for Windows has been installed on the machines in Labs 700, 760, and the 9th floor area. It will soon be installed on the machines in Lab 760.

New Computers Are Now Here!

Some of you may have noticed that we are constantly updating the computers in the labs. Over the summer we replaced approximately 20 machines in Lab 700 with fast new 486 Compaq machines. You can identify these machines because they are Compaqs, not IBM PS/2s, and the screen saver moves faster across the screens. Also over the summer new machines were placed in Lab 775, compliments of Mead Data Central. And, over the past 2 weeks we have replaced the machines in the 9th floor area with faster ones, compliments of West.

If you use Windows, we recommend that you first try to use the new Compaqs in Lab 700. These are the fastest machines we have, followed by the machines in 775 and the 9th floor. The computers in Lab 760 will run Windows, but at a greatly reduced speed.

Some Lab Guidelines

The following are some of the ways we try to keep our facilities available and in good condition for the Chicago-Kent community. Please try and follow them.

Students may run their own programs from the A: or B: drive. Students may not install or load any Windows or DOS programs to the hard drives (C:) of any computers or to the network drive at the law school.

Students may only save their work to the A: or B: drive. Students may not save their work on the hard drive (C:) or any network drive.

Copying of software (except where specifically permitted) is not allowed and is in fact a violation of the law.

Food and drink are not permitted in any of the computer labs or concentration areas.

Email should not be used for mass mailings. If you have a message that you think is of general interest to the Chicago-Kent community there are other ways to distribute that information. (Some of them are The Record, broadcast messages, USENET discussion groups, and the Kentnet Classifieds.)

Students should log out from their accounts when they are done using the computers. Not only does the next student have to wonder if the machine is still in use but it keeps others from access your account, specifically your email.
As always, the Chicago-Kent Code of Conduct applies in addition to what is stated above.

**Help From the Helpdesk: Room 700 Computer Lab**

A new Helpdoc is now available showing how to create some special symbols (paragraph, section, defendant, . . . ) in the different versions of WordPerfect. Pick it up and take a look.

The Center for Law and Computers’ HELPDESK, organized and run by CLASS, is again in operation and student volunteers are available periodically throughout the day to answer questions. At other times, EMAIL your questions about printing, dial-in access to KENTNET, WordPerfect, and more to “HELPDESK.” The HELPDESK volunteers log in to pick up these messages **throughout the day, the evening and on weekends.**

LEXIS and WESTLAW questions about printing, downloading documents, and creating searches can be answered by the LEXIS and WESTLAW representatives listed in *The Record* each week.

There are also HELPDOCS, a series of printed instructions, on using our resources. These helpful instructions are placed in the lab in Room 700 and updated often to reflect new services and procedures.

**Network Access Through Xircoms**

The Center for Law and Computers has made available Network Connection Packets that allow you to bring your own laptop into the building and connect it to Kentnet. The procedure for check-out is simple.

You **MUST** come to a quick training class before you will be allowed to check-out the packets from the Library Services Desk in the Library. These classes will familiarize you with the equipment and procedure necessary to connect your laptop to Kentnet. Any questions you have about the procedure will be answered. You must bring your laptop with you to the session.

After you complete the class you will be able to check-out the packets. The packets have everything needed - adapter, power supply, disk, and cable - to connect to Kentnet. Classes will be held in Lab 775 on the following dates and times (email Dominick Grillo (DGRILLO) if there are any questions):

Dean’s Advisory Council

There are approximately four meetings per semester. All students may attend meetings, but Members are appointed by the Dean, and may vote (if one is called for).

Student group leaders should have received a letter in their organization mailboxes regarding the nomination of student group representatives to the Council. If not, contact Harry Althaus in the Dean’s Office (HALTHAUS).

The Student Bar Association also nominates at-large members to the Council. Any student may apply for at-large membership. Applications are available outside the offices of the Student Bar Association on the Concourse level (C88). The applications are brief, and instructions will be provided.
