SPECIAL NOTICES

LADR! A Program for First Year Students

Litigation and Alternative Dispute Resolution is a program for students admitted to the law school for the 1994-95 academic year.

Information Meetings will be on Wednesday, November 9 and November 16, in Room 590 at 3:00 p.m. and 5:30 p.m.

Becoming a lawyer takes more than sitting through three years of law school lectures. It involves more than learning how to cross-examine hostile witnesses, writing persuasive briefs, and talking to clients. Reading about subjects such as legal ethics or law practice management is not the same as learning about them from experience.

Chicago-Kent College of Law’s program, Litigation and Alternative Dispute Resolution, is different from anything at any other law school. Throughout the program you will learn legal doctrine, lawyering skills, and professional values, and work in Chicago-Kent’s teaching law firm, supervised by clinical professors.
who are expert practitioners and mentors. You will learn the art of lawyering through two years of intensive skills and clinical training. Your experience will teach you how to become a competent, ethical, socially responsible lawyer.

Thirty Chicago-Kent students will be admitted to the program each year based upon academic potential, law school performance, and reasons for entering the program. Only students who are currently first year students may apply for admission. Applications are due during the spring '94 semester on Friday, January 27, 1995. Faculty advisors will be assigned to each student in the program to help them tailor their course selection to their particular career interests. Each program graduate will be awarded a Juris Doctor degree and a Program Certificate.

For Further Information. Please attend the information meetings on Wednesday, November 9, or Wednesday November 16 at either 3:00 p.m. or 5:30 p.m. in Room 590. You may also contact Professor Gary Laser, Room 631, or pick up a brochure in Room 600. Applications will be available in early November. Applications are due on Friday, January 27, 1995.

From Prof. Vivien Gross, Director of SOS (Serving Our Society)

For those of you interested either in volunteering or learning more about public interest opportunities, please stop by the SOS office in Room 686 and speak with either one of our counselors, Ms. Juli Gumina (3L) or Ms. Sharon Doherty (2L) or call 906-5089 to set up an appointment. We have so many wonderful placements. Here are just three new pro bono opportunities to entice you to volunteer your time and efforts. This week, we’ll shine the spotlight on environmental law:

1) The Chicago Legal Clinic in South Chicago has a innovative environmental poverty law program focusing on community education, possible litigation and legal activity.

2) The Citizen Advocacy Center in Elmhurst needs help. The Center is a public education in areas of legislation, voter initiative and public rights, including environmental issues.

3) The Illinois Pollution Control Board in Chicago needs students to review past Board decisions and develop a keynote index.

Remember, there is always something to interest everyone! Stop by the SOS office for more information or to apply. Have we got a public service opportunity for you!

ADVANCED EXTERNSHIP PROGRAM

Spring 1995, For Third Year Students

Do you wish to develop your legal skills? Gain practical legal experience in a specialized area of law with a corporation, firm or government agency? Make yourself more marketable to prospective employers upon graduation? If you have answered "yes" to any of the above questions, consider applying for the Advanced Externship Program for Spring Semester 1995.

The Advanced Externship Program is a four-credit hour program consisting of a 3 credit-hour fieldwork and a 1 credit-hour classroom component. The program is open to students in their last two semesters of law school. For the fieldwork component, an extern is placed in a private or public, civil or criminal practice and is required to work a minimum of 15 hours a week at his/her designated placement. Externs interested in civil law may select to work under the supervision of general counsel in major corporations or under the supervision of designated teaching lawyers in well-known firms or specific government agencies. Externs may specialize in such diverse legal areas as tax, commodities, securities, corporate, health care, medical malpractice, and general corporate law, etc. Those interested in criminal law may select to work with designated supervising lawyers at the States Attorney’s Office, Public Defender’s or the U.S. Attorney’s office. Many externships may offer the externs opportunities to obtain a 711 license and appear in court. The classroom component consists of a 1 hour class weekly, focusing on various aspects of today’s practice of law and on the externs’ fieldwork experiences.

If you are interested in learning more about externship opportunities or in applying for the program, please see Professor Vivien Gross in Room 617.

Applications are available in the Law Offices. They must be turned in to Professor Gross by 4:00 p.m. on Friday, November 4, 1994. All applicants must have scheduled an interview with Professor Gross prior to turning in their applications. Slots are limited. In the event qualified applicants outnumber available slots, students with at least one semester of Law Offices will be given priority.

Judicial Clerkships:

Judicial Clerkships: An Informational Program--Special Attention to 1996 Graduates

A special program on the value of a judicial clerkship as an entry level career opportunity will take place on Thursday, October 27th at 5:00 p.m. in the Ogilvie Auditorium. Chicago-Kent professors Susan Adams and Stephen Sowle will discuss the responsibilities of clerks, the advantages of a judicial clerkship, and the application and selection process. Professor Vivien Gross will discuss the Faculty Judicial Clerkship Committee and its procedures. All students, including first year students, are invited to the program. Students graduating in 1996 are particularly urged to attend because applications to most federal and some state judges for 1996 clerkships need to be made in early spring of 1995.

1995 & 1996 Graduates Seeking a Judicial Clerkship Placement

All 1995 and 1996 graduates who seek counseling on judicial clerkship opportunities by a member of the Faculty Judicial Clerkship Committee need to pick up the committee’s application materials in the Career Services Office. It is the purpose of the Faculty Judicial Clerkship Committee to assist Chicago-Kent students in obtaining clerkships by counseling on strategies for seeking a clerkship. Students are reminded that a judicial clerkship is a post-graduation full-time position on the staff of a judge. Most federal judges hire their law clerks 12 to 18 months before employment starts; state judges hire their clerks 1 to 12 months before employment starts. Students wishing to receive faculty counseling must submit an application by Wednesday, November 9th at 8:00 p.m. to the Career Services Office.

**Handouts Concerning Special Opportunities:**

**1995 PILI Internship Program**

PILI (Public Interest Law Initiative) funds summer internship positions for law students in public interest agencies every year. The purpose of PILI is to provide law students and young lawyers with experience and training in the legal institutions serving the public interest.
Eighteen Chicago area agencies are participating in the PILI program. Students can apply to a maximum of five agencies.

PILI accepts applications from interested students, acts as a clearinghouse for resumes, and funds internships. Hiring decisions are made by the agencies themselves.

Hiring occurs at different times for each agency, some as early as November. Applications will not be accepted after January 10, 1994. The earlier you apply, the better your chances of being selected.

First and second year students interested in public interest work are encouraged to apply. Detailed information, including a list of participating agencies, is available in Handout #35 in the Career Services Office.

**McCutchlen/Albert J. Moorman Public Interest Law Fellowship**

Third year students are invited to apply for a two-year fellowship in a civil law project in California to promote equal justice. The McCutchlen/Albert J. Moorman fellowship will be awarded as part of the national public interest fellowship program run by NAPIL.

Applicants must follow the procedures outlined on Handout #26 for NAPIL fellowships: the first step is to develop a two-year project, either working with an existing non-profit organization in California, or creating an independent project if a sponsoring organization cannot be found. Information about the McCutchlen/Moorman Fellowship is available on Handout #36. The application must be postmarked by November 4, 1994.

**Advocates for Basic Legal Equality, Inc. (ABLE) Summer Clerk Program**

ABLE, a non-profit law firm offering high quality legal services in civil matters to low-income individuals and groups, is seeking applications from first and second year students for its 1995 Summer Law Clerk Program. Applicants are encouraged to apply as soon as possible because positions will only remain open until filled. More information is available on Handout #37.

Online Research Service

Reference librarians are available in Room 700, the large computer classroom on the seventh floor, to provide assistance with online research. This includes, but is not limited to, questions about formulating search queries for LEXIS and WestLaw, locating appropriate database libraries and files to conduct research, and operating efficiently within the databases. We can also help with questions about work in WordPerfect and other applications on the computers, so please come and talk to us. There will be one librarian stationed in the classroom during scheduled hours, which are as follows:

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

Kentnet Classifieds Now Available In More Places!

You asked, and we heard. The Classifieds used to be available only from the lab machines while in the building. No more! They have been added to the menu system in the Spakateria, 5th floor lounge, and the email stations around the building. We hope this will make the Classifieds more useful to the Chicago-Kent Community.
Internet Information

Did you know there are over 40 million people on the Internet? Or that 25% of US law firms have a direct connection to the Internet?

The Internet is quickly becoming an important source for information, as well as keeping in touch with others around the world.

Did you know you can send email to anyone on the Internet from Chicago-Kent? Here’s how:

1. Go into email.
2. Type F2 to compose a new message (nothing new here, right?).
3. At the "To:" line, type "inet". This is short for "Internet".
4. A dialog box will appear. Type in the Internet email address of the person you wish to send a message to. For example, suppose you wanted to send an email message to the President of the United States. You would type:

   president@whitehouse.gov

   NOTE: That there are no spaces in this address. There are never spaces in Internet email address.

5. Compose your message as normal.

Remember that HELPDOCS are available in the computer lab in Room 700.

Bonus Information!

If you know that someone is on the Internet, and you want to reach them but just don’t know that person’s email address? MIT has an RTFM Internet Server that will search for someone’s email address for you.

To find someone’s email address, you can send the following command to "mail-server@rtfm@mit.edu":

   send usenet-addresses/name you are looking for

It takes awhile. In fact, don’t expect to see a reply until the morning. It only looks at the first word in the "name you are looking for," so you might want to just search for the last name.

For example, suppose you wanted to find Larry Donahue’s email address. You would send the following command to "mail-server@rtfm@mit.edu":

   send usenet-addresses/donahue

You will receive a rather large list of people with the name of "Donahue" and their email addresses. You can search through that list for the name you are looking for!

Please note that only people who have posted messages to USENET will be found. If you have other Internet questions, please send a message to HELPDESK.
Courtroom Animation

On Wednesday, October 26, from 6:00 p.m. to 7:50 p.m., Mike Warnecke, a partner at Keck, Mahin and Cate will demonstrate his use of courtroom animation on behalf of the plaintiff in the 1990 trade secret case between Rockwell Graphic Systems, Inc. and DEV Industries, Inc. Mr. Warnecke’s presentation has been arranged for the Computer Law class. The case involved a claim that the defendants had stolen a trade secret involving the design and production of printing presses and printing press parts. We invite you to join us in the Marovitz Courtroom for what should be an interesting and lively discussion around questions of evidence, trial techniques and strategies, economic decisions, etc.

WestLaw Representatives

Your WESTLAW reps are Brian Gill (BGILL), Cynthia Tackett (CTACKETT), Tim Engling (TENGLING), and Shalla Hyderi (SHYDERI). They will be in the computer lab (Room 700) in the library or right outside the room at one of the tables during the following hours. You may also contact them via email for assistance in using WESTLAW.

to hear four cases on oral argument

Tuesday, October 25, 1994
9:30 a.m. - 12:30 p.m.
Abraham Lincoln Marovitz Courtroom

The judges will be hearing argument in actual cases on their appellate docket. At the conclusion of the arguments, expected to occur between noon and 12:15, the judges will hold a question-and-answer session for all Chicago-Kent students. This is a wonderful introduction to litigation for new students and an excellent opportunity for anyone who has not witnessed appellate argument. The question-and-answer session provides a rare opportunity to ask sitting judges all the questions you have about brief writing, oral argument, litigation practice, and other topics of interest.

The arguments are open to the public. All students are encouraged to attend part of the session. You may enter and leave the courtroom at any time, as your schedule requires. However, please remember to be respectful of the judges and the lawyers arguing the cases: please enter and leave quietly.
