FACULTY NEWS

EXTERNSHIPS FOR U.S. ATTORNEY NORTHERN DIST. OF ILLINOIS

All prospective third year (current second year) students who are interested in externing with the Office of the U.S. Attorney for the Northern District of Illinois for the Fall 1995 Semester, should pick up their applications from Professor Gross in Room 617. The primary goals of this externship are to provide the student with greater possible exposure to and participation in federal trial and appellate practice and to assist the office in handling its multitude of important cases. Completed applications must be received at the Office of the U.S. Attorney by Friday, February 24, 1995.

To receive law school credit for this externship, you must also apply to and be accepted into Chicago-Kent’s Advanced Externship Program. Professor Gross will explain those application procedures to you, when you pick up your application for the U.S. Attorney. The law school externship applications will be available in early March.

JUDICIAL EXTERNSHIPS: SUMMER & FALL 1995 SEMESTER

Informational meeting for those current first and second year students with a minimum 3.2 grade point average: Wednesday, February 15, 1995, 12:15 p.m. in Room 170. There will be a meeting for all
students who are interested in externing for a federal appellate, district, bankruptcy judge or magistrate for the Summer and Fall 1995 Semesters. Professor Vivien Gross will describe the kinds of experiences a judicial extern will have in the course of a semester, as well as how to apply. If you are interested in a judicial externship, but are unable to attend the meeting, please see Professor Gross in Room 617.

A judicial externship enables the student to become involved in particular legal problems through research and writing, and to contribute in the resolution of those legal problems. Depending upon the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge and the judge’s law clerk those legal problems which attorneys face in their profession, and the specific problems which attorneys confront in their courtroom. Take advantage of this wonderful opportunity! Current first year students and students interested in judicial clerkships upon graduation should definitely plan to attend. A judicial externship is an important asset in helping students obtain a clerkship.

Application Process: The applications for the Summer and Fall Judicial Externships will be available in Room 601, in the Law Offices, beginning Monday, February 13. Completed applications should be submitted to Ms. Jan Lund, Room 612, Law Offices, by Wednesday March 8, 1995 4:00 p.m.

Myers-Briggs Type Indicator Program: Date Changes for Day Session

The more you know about your strengths and your working style, the better you’ll be able to market yourself to prospective employers and the better you’ll perform on the job. The Myers-Briggs Type Indicator (MBTI) is an instrument that can help you recognize your working style and make the most of it.

What exactly is the MBTI? The Myers-Briggs Type Indicator is a psychometric instrument based on the work of Carl Jung and his theory of personality types. The MBTI helps you identify your behavioral preferences—including how you gather information and how you make decisions. Once you’ve identified your "type," you have one more piece of information to help you find your ideal work environment, plan an effective job search, and work with colleagues, supervisors and clients once you’re on the job.

An important note: the MBTI is not a "test"—there are no right or wrong answers. Nor is it a career interest inventory—it doesn’t tell you whether you should be a lawyer, a door-to-door salesperson or the next David Letterman!

We are offering two sessions—one for day students and one for evening students. Here’s what to do:

1. Make sure you can attend Part One and Part Two of the Myers-Briggs workshop. The dates for the day series changed since the workshop was announced in The Record on January 30th. You must attend both parts of the workshop for it to be worthwhile.

2. Sign up for the Myers-Briggs on the sign-up sheet at the reception desk in the Career Services Office no later than Thursday, February 9th at 8:00 p.m. Each session is limited to 40 students, so sign up early.

3. Before February 9th, find a spare half hour to forty minutes of time, and stop by the Career Services Office to complete the MBTI. You must complete the MBTI before the end of the day on February 9th in order to participate. The MBTI must be completed in the Career Services Office—we cannot allow the booklets to leave the office.
4. Come to the workshop prepared to learn about how you think and how you make decisions. Be prepared for some interactive exercises that will make the MBTI come alive. The MBTI can be a lot of fun, and it can help you see your professors, classmates, and significant other in a whole new way!

Has a crime been committed? If so, by whom? A tort? Why did the judge find the mother and the "deprogrammers" not guilty of all criminal charges? If you subscribed to GAYLEGAL - you would know!
