Residency Requirement Revisited

I received several questions from students about the residency requirement item that appeared in last week's Record. Furthermore, that announcement omitted the recent change the faculty made to the residency requirement for senior students. Therefore I am reprinting the comprehensive explanation of the requirement which appeared in the Registration Bulletin for the current semester.

Important Note Regarding Loan Deferments: The number of hours required to meet the residency requirement explained below is unrelated to the definition of full-time, half-time or part-time for financial aid and scholarship purposes. For financial aid and scholarship purposes, a "full-time" student is one registered for at least 12 hours, a "half-time" student is one registered for 6 - 11 hours, and a "part-time" student is one registered for fewer than six hours, regardless of the division in which the student is enrolled. Part-time students are not eligible for loan deferments. J.D. students must be enrolled for at least six hours in every semester (except the summer session) to maintain deferrals on student loans disbursed on or after 7/1/87. Therefore, even if you need fewer than six hours to graduate in your last semester, if you are enrolled for fewer than six hours, your student loan deferments will end.

Residency Requirement: Students must be aware of the law school's residency requirement, which is mandated by the ABA accreditation standards and appears in §1.5 of the Handbook. The faculty recently amended the residency requirement by adding the underlined sentence in the section as set forth below. Note, the Handbook has not been revised since this change so the section as it appears in the Handbook is not correct. The residency requirement will be waived for students graduating in June, 1995 because the number of hours required to graduate was changed after they entered the law school.

§1.5 Semesters in Residence (Revised)

A Day Division student must spend at least six semesters "in residence" at the College or other ABA-approved law school; a Day Division semester "in residence" is a semester with at least 12 credit hours. However, a semester "in residence" for a Day Division senior student is a semester with at least 10 credit hours. An Evening Division student must spend at least eight semesters "in residence" at the College or other ABA-approved law school; an Evening Division semester "in residence" is a semester with at least eight credit hours. If a student attends two summer sessions, the number of semesters required "in residence" may be reduced by one, provided Day Division students take at least ten hours and Evening Division students take at least eight hours during the two summer sessions. The minimum credit hour requirement for summer sessions applies only...
The Record March 6, 1995

...to students who began their studies after 1992. Students who change from one division to the other should consult with the Associate Dean regarding their residency requirement.

Students who need 84 hours to graduate should note that if they attend only one summer session, or they attend two summer sessions but don't take at least ten hours over the two summers, they must spend six semesters in residence as defined in the section. If a student does not plan carefully, he or she may have to take more hours than required for graduation in the last semester to meet the residency requirement.

Intensive Trial Advocacy 1

The law school offers two intensive Trial Advocacy 1 programs: "regular" and intellectual property ("IP"). The Intellectual Property Trial Advocacy course will meet from Saturday August 12, 1995 through Saturday August 19, 1995, including the intervening Sunday. The "regular" Intensive Trial Advocacy 1 course will meet from Saturday, January 6, 1996 through Saturday, January 13, 1996, including the intervening Sunday.

Each course is three credit hours and is described below. Students interested in registering for either regular or IP Intensive Trial Advocacy 1 must complete a request form attached to this Record and submit it to the Registrar by Wednesday, March 22, 1995. You may submit a separate request form for each program, but you must indicate on each form which one you prefer in the event your name is selected for both courses.

The names of students eligible to enroll and the waiting lists will be posted on Thursday, March 23. The reason we select students for the Intensive Trial Advocacy courses so early is so you will know prior to registration for the summer and fall, 1995 semesters if you will be in the Intensive Trial Advocacy course.

Students eligible to enroll for either program will register in April for Trial Advocacy 1 with their other Fall, 1995 courses. Both Intensive Trial Advocacy courses are considered fall semester courses for purposes of tuition and computing the fall semester grade point average. Tuition will be payable with the other fall semester courses. However, the credits will not count as part of the fall semester course load for purposes of credit hour limitations.

Because of the special nature, high cost and significant demand for these courses, if you are selected for one of these courses, change your mind, decide not to take it and do not notify the Registrar by the deadline indicated below, you will be charged full tuition for the course unless a replacement student takes the course. Replacement students will be notified in the order of the posted waiting lists.

Intellectual Property Intensive Trial Advocacy 1

This Trial Advocacy 1 course teaches trial skills in the context of intellectual property cases. To enroll, you must be in good academic standing, and have completed Evidence and either Patents or Copyrights. The course will meet from Saturday August 12, 1995 through Saturday August 19, 1995, including the intervening Sunday. The instructors are Judge James Holderman of the U.S. District Court and Paula Holderman. Both are experienced patent lawyers and have taught the course at Chicago-Kent, the University of Chicago and other law schools.

Enrollment is limited to 12 students. If more than 12 students submit a request, a lottery drawing will be conducted on Wednesday, March 22, after the 6:00 p.m. deadline for submitting requests. Students who take IP Intensive will be eligible to take Trial Advocacy 2, but are not obligated to take it.
Deadline for Dropping: If you are selected to take the course and do not notify the Registrar that you are not taking it by Tuesday, May 2, 1995, you will be required to pay full tuition for the course unless a replacement student takes your place.

Regular Intensive Trial Advocacy 1

This course is similar to the Trial Advocacy 1 course described in the Bulletin; the only difference is the accelerated pace of the course. Classes will be held from Saturday, January 6, 1996 through Saturday January 13, 1996, including the intervening Sunday, from 8:30 a.m. to 6:30 p.m. To be eligible to enroll, you must be in good academic standing, have completed Evidence and you must agree to enroll in Trial Advocacy 2 in the Spring, 1996 semester. There will be five sections of regular Intensive Trial Advocacy with eight students in each section. The forty seats will be allocated as follows: 14 for Evening Division students; 13 for current 2L Day Division students and 13 for current 1L Day Division students. Students will be selected within each category by a lottery drawing conducted on Wednesday, March 22, after the 6:00 p.m. deadline for submitting request forms.

Deadline for Dropping: If you are selected to take the course and do not notify the Registrar that you are not taking it by Monday, August 28, 1995, which is the end of the first week of the fall semester, you will be required to pay full tuition for the course unless a replacement student takes your place.

Additional Class Award Winners

Congratulations to the following students who earned the top grade in the class indicated, but were inadvertently omitted from the list published in the last Record:

- Energy Law, Professor Bosselman: Michael J. Fleck
- Law and Economics, Professor Hasen: Kathleen L. Hobbins
- Personal Income Tax, Professor Brody: Tracy S. Menges
- Pretrial Litigation, Professor Gonzalez: John P. Heil

Academic Awards Continued (Am Jur, etc.)

The students who earned the highest grade in the following courses will be awarded an "Am Jur" certificate by the Lawyers Cooperative Publishing. The winners of these awards may indicate that they received an Am Jur award in the specified course on their resumes:

Several years ago, the faculty established the Academic Achievement Awards to recognize the students who earned the highest grade in each course. The faculty did not want to limit recognition to the particular courses Lawyers Coop selected for their "Am Jur" awards. Students who earn the highest grade in each section of each course are awarded the Academic Achievement Award and may indicate this on their resume. If the course in which you received the highest grade is one of the Am Jur courses, list it only as an Am Jur award; do not list two awards for the same course on your resume.
Check Out the Earned Income Credit: The Government May Owe You Money

The rules regarding the Earned Income Credit have been significantly changed for 1994, whether you file a single or joint tax return. If you had a child living with you in 1994, earned some income but less than $23,755, and meet some other tests, you may be entitled to a payment of up to $2,038, depending on your income. If you had two qualifying children, the credit could be as much as $2,528. For more information, see a tax preparer, research § 32 of the Internal Revenue Code, obtain a tax preparation book or IRS Publication 596. But . . . please do not call me for tax advice!

The documents that need to be completed by all students who want be considered for financial aid (and need-based scholarships) for the 1995-1996 academic year and who want to be considered for a loan for summer school include the following:

- Chicago-Kent Financial Aid Application
- Free Application for Federal Student Aid (FAFSA)
- Financial Aid Transcripts (if you have never received a federal loan at Chicago-Kent)

If selected by the Department of Education, you may also be required to complete a Verification Worksheet and submit a signed copy of your and your spouse’s 1994 Federal income tax return.

Commonly Asked Questions Regarding Summer Financial Aid

Will borrowing money during the summer affect my eligibility for loans in the fall/spring? Yes! Any loan that you borrow during the summer will reduce your eligibility for that loan program in the fall/spring. For example, a student who borrows $2000 in the Subsidized Stafford loan program during the summer will only be able to borrow a maximum of $6500 during the fall/spring because the student cannot exceed the annual maximum of $8500.

Why do I have to complete the 1995-1996 financial aid materials in order to be considered for financial aid for the 1995 summer session? Summer is what we call a "leader" because financial aid during the summer affects a student’s eligibility for the following fall/spring. Since summer is a "leader" federal regulations now mandate that we review the financial aid documents for the 1995-1996 academic year in order to determine a student’s eligibility for the 1995 summer session.

When will I get loan checks for summer school? All federal loans must be disbursed in two equal disbursements, regardless of the academic term. Normally, students receive one disbursement during the fall and one during the spring. During the summer, students must complete their financial aid file for the summer as well as for the 1995-1996 academic year by Monday, April 3, 1995 in order for it to be possible for them to receive their first disbursement when summer school starts (Monday, May 22, 1995). It is imperative that students applying for financial aid promptly respond (2-3 days maximum) to all requests for financial aid documents. The financial aid office will request all second disbursements for all summer loans be issued on Monday, June 19, 1995. This is the earliest date that second disbursements may be requested.

When will I get my refund check for living expenses for summer school? The university’s refund policy will remain the same during the summer term. Students will be required to sign all federal loan checks over to the university regardless of their balance. Any amount exceeding the student’s charges will be refunded to the student in 3-5 business days. BUDGET ACCORDINGLY!
What do I do after I submit my 1995 Summer Financial Aid Application and complete my 1995-1996 financial aid file? The following are the four events that need to occur once your summer and 1995-1996 financial aid files are complete:

1. Receive an Award Letter from the Financial Aid Office.
2. Submit a signed Award Letter to the Financial Aid Office.
3. Submit loan applications to the Financial Aid Office.
4. Read your email!

Don’t forget to submit loan applications once you receive an Award Letter!

SPECIAL NOTICES

The 12th Annual Conference on Section 1983 Civil Rights Litigation

All Students Interested in Civil Rights Litigation: On Thursday and Friday, March 16-17, 1995, Chicago-Kent will host Professor Sheldon Nahmod’s 12th Annual Section 1983 Conference. If you can attend only one or a few segments, you should come at the beginning for Professor Nahmod’s introduction to the prima facie case. This is a unique opportunity, especially for students who intend to be involved in federal court litigation when they practice.

Law students (J.D. only) who are enrolled at Chicago-Kent are welcome to attend any or all of the program sessions free of charge (note: course materials are not included; however, copies of the materials will be available in the library at a later date). The Chicago-Kent team defeated John Marshall in the semifinal round, and the University of Minnesota in the final round. Other Chicago schools at the competition included DePaul and the University of Chicago. If the team makes it to the semifinal rounds, they will argue in the United Nations in New York. In addition,

Faculty Advisor is Adjunct Professor Malia Pollick.

Bar and Gavel Society Nominations

Once again it is time for the Student Bar Association to seek nominations for the Bar and Gavel Society. Evening or day division students who will be graduating at the end of spring or summer term are eligible. We are looking for individuals who have distinguished themselves by outstanding service to their fellow students, their school and their community. If you know of such a person and wish to put forward their name for membership in the Bar and Gavel Society, please prepare a nominating letter which:

1) Provides a description of the particular service or pattern of service, including the amount and quality of time spent. (The degree of the nominee's participation in comparison to their other obligations would be a consideration.)

2) Addresses whether the nominee is receiving some other recognition for the service performed. (Unsung acts are particularly valued.)

3) Discusses to what extent the nominee is motivated to such service beyond any obligation to perform the service.

4) Describes the effect these services had on the reputation of Chicago-Kent.

Nomination letters may be sent via KENTNET to the attention of PSMITH2 or by hardcopy to the Student Bar Association. Nominees will be asked to supply a copy of their resume. Self nomination is not a bar to acceptance in the Society. The deadline for nominations is April 7, 1995.

FACULTY NEWS

On February 15, 1995, the Chicago Area Law Librarians held a continuing education session at Chicago-Kent. The topic, *Imaging Information: Implementing and Managing Imaging Technology for Information Management*, was presented by Professor Mickie Voges. Professor Voges presented background information on the technologies involved in imaging, the criteria to be used in decision-making both at the management level and at the technological level, and experiences of Chicago-Kent which were relevant. Margaret Kazmierczak addressed issues relevant to the day-to-day management of workflow and personnel and Gretchen Van Dam spoke about the user response to imaged information as well as the educational issues. The presentations were followed by demonstrations and answer sessions presented by reference librarians Eduardo Seput and Maria Lopez on the scanning and
indexing steps, by Gretchen Van Dam and Amy Pavlik on the use of LOIS, and by Margaret Kazmierczak on the technical requirements and hardware for LOIS. All sessions were quite well-received by the attendees who were impressed with the level of expertise and the leadership of the Chicago-Kent Legal Information Center staff.

CAREER SERVICES NEWS

1Ls: Opportunities to Maximize Your Academic Credentials in Law School

Chicago-Kent's Diversity Committee believes it's important that all students, early in their law school careers, develop an awareness of the means by which they can distinguish themselves in law school. The Diversity Committee has planned a program designed to help first year students learn how to make the most of the activities available at Chicago-Kent. The program is scheduled for Monday, March 20 at 5:00 p.m. in the auditorium.

Students at Chicago-Kent are fortunate to have a wide range of opportunities from which to choose including Moot Court, Law Review, trial advocacy, clinical opportunities including the LADR program, judicial and advanced externships, teaching assistantships, and certificate programs in environmental and international law.

Faculty advisors and student representatives from each of these programs will be on hand to explain how membership or participation may be a helpful credential and will briefly describe how to get involved. Sign up in the Career Services Office to attend. We'll see you on the 20th!

Members of groups traditionally underrepresented in the legal field are especially encouraged to attend.

Jobathon III: It's Time!

The Student Careers Committee sponsors its third Jobathon beginning March 13th. We are seeking students to spend a few hours in the Career Services Office calling legal employers to inquire about summer and part-time law clerk and full-time attorney positions. Last spring, 56 previously unknown job openings were discovered during the Jobathon!

Benefits for volunteers: (1) learning how to speak to employers without getting tongue-tied; (2) having access to the new postings before the rest of the student body -- last year several callers found summer jobs this way! (3) free juice and sodas.

We provide the training, scripts, phones and office space!

We strongly encourage 1Ls and 2Ls having GPAs of 3.2 or above to consider applying for federal judicial externships for this Summer or next Fall. A federal judicial externship is a wonderful credential to have on your resume regardless of the type of legal work you want to pursue. For 1Ls considering applying for post-graduate judicial clerkships, an externship can be an important prerequisite to obtaining a clerkship.

Applications for Summer and Fall judicial externships are available in Room 601 in the Law Offices and in the handout racks in the Career Services Office. Completed applications are due no later than Wednesday, March 8th at 4:00 p.m. to Ms. Jan Lund in Room 612.

CHECK IT OUT . . . NEWS FROM THE LAW LIBRARY

Legal Information Center Touted as Model

The National Institute of Standards and Technology (NIST) (the technical consulting arm for the federal government under the Department of Commerce) has released a report which declares the Chicago-Kent Legal Information Center as the model for information handling and delivery and for copyright compliance.

The report is the result of a consultation with the National Archives and Records Administration which was seeking advice on ways for that agency to provide access to the materials it holds and which are spread in centers across the country. NIST referenced ExLIBRIS, which is the image system called LOIS here at Chicago-Kent, and ExMENTIS, which is the transaction tracking software that the Legal Information Center uses and which also provides copyright license control.
The report also recognizes the ExTEND program which is run at the Legal Information Center as one of the most effective ways to convert material while providing opportunities for inner city youth.

Tutorials

The topic for tutorials being presented this week from March 6 - March 12 is the U.S. CODE CONGRESSIONAL & ADMINISTRATIVE NEWS, generally referred to as USCCAN. Most of you know about this publication from looking up new laws and legislative histories, but you may not know about all the other good things that can be found in these books. To find out, come to the library reference desk at the times listed on the bulletin board. Each tutorial will take about 20 minutes. You don’t have to sign up, just come. For any comments and suggestions for new topics, contact Lenore Glanz (email LGLANZ). We would like to hear from you.

"Partner down the Hall" Program Announced

In law practice, often the most efficient and effective place to start a project is with an experienced attorney who can proffer advice and background information. At Chicago-Kent, the attorneys on the Legal Information Center Staff offer the "Partner Down the Hall" Research Assistance Program. The purpose of this program is to provide individual assistance to students in the context of actual written assignments. The staff will be available to assist in analyzing the problem and discussing research strategies.

To make an appointment, please email "PARTNER". Briefly describe the problem you are working on and set out times most convenient for you. Confirmation of your appointment will be made that day.

Legislative Information on the Internet

In conjunction with the tutorials being offered this week, we would also like to encourage students to find Legislative information on the Internet. Using the WWW browsers available through the KENTNET menu (Lynx, Netscape, Cello) students can go to the following addresses in order to locate the full-text of legislation, the Congressional Record, committee information, voting records and much more. While most of the information at these sites is related to the 103rd and 104th Congresses, they also contain links to other governmental information as well. If there are any questions about accessing or using these sites, please feel free to ask the reference staff.

THOMAS: Legislation (both House and Senate), Congressional Record http://thomas.loc.gov

HOUSE WEB SITE: Legislation, Congressional Record, Committee Hearings, Schedules http://www.house.gov

CAPWEB: Committee information broken down by state, name, party http://policy.net/capweb

Eduardo Seput of the Library Reference staff attended the meeting, along with 300 information specialists from the three countries.
A major purpose of the Forum was to establish library cooperation links in response to the North American Free Trade Agreement. Among the topics discussed were: copyright regulations, marketing libraries, interlibrary loan programs, customs legislation for foreign material and new information technologies.

**NEWS FROM THE CENTER FOR LAW AND COMPUTERS**

**The 1995 American Bar Association TECHSHOW: March 30, 1995 - April 1, 1995**

Chicago-Kent College of Law Center for Law and Computers is cosponsor of the 1995 ABA TECHSHOW designed for lawyers, MIS professionals, and administrators who use -- or want to use -- technology. Meet practicing lawyers from across the country and discuss their interest in using technology in practice and your expertise in using technology in legal education.

TECHSHOW is at the Sheraton Chicago Hotel and Towers, 301 East North Water Street. You can meet conference participants and discuss Chicago-Kent’s leading role in integrating technology into legal education at the exhibit. On Saturday morning, April 1, 1995, Chicago-Kent will sponsor hands-on computer workshops at the law school for participants interested in document assembly and expert systems, where student volunteers can meet the top document assembly vendors. Student assistants are also needed to help TECHSHOW participants on Friday, March 31, 1995, at Chicago-Kent during the hands-on workshop, *Cruising the Internet*.

Email Jim Judge (JJUDGE) to reserve a place at the TECHSHOW. Jim will arrange a special student "orientation" to discuss what to expect, who will be attending, and what questions will be asked. Pick up a TECHSHOW brochure outside Room 703.

**1L’s: The Brief!**

Most word processors have a built-in feature to create a Table of Authorities and a Table of Contents automatically which should be explained in your word processing manual. If you use WordPerfect 5.1, WordPerfect 5.2 for Windows and WordPerfect 6.0a for Windows word processors, there are HelpDOCs in the lab in Room 700 to explain how to automatically create a Table of Contents and Table of Authorities in these word processors.

**Student Printing Accounts**

You can check your laser printing account at any time. Choose "KENTNET SERVICES" from the main KENTNET menu.
WestLaw Representatives

Chicago Alternative Policing Strategy
Police-Community Partnership Against Crime

Is the Chicago-Kent neighborhood considered safe?

What are the statistics?

How do I deal with the homeless?

Should I give money to panhandlers?

Who are the panhandlers, anyway?

Are the parking lots safe?

Are the train stations safe?

How do I deal with the homeless/panhandlers at the train stations?

Get these questions answered and meet the neighborhood beat police at a Community Policing Meeting at Chicago-Kent Tuesday, March 7, 12:30 p.m. to 1:45 p.m., Room 570. Do you live at Presidential Towers? Find out how the neighborhood measures up. Is it safe at night? Can you go running early in the morning? Is your car safe on the street? Where can you find police when you need them? Who are the neighborhood beat police?

See the back of this notice for some good advice.
Stay Alert! Stand Tall and Walk Confidently! Trust Your Instincts!

Before Leaving Your Home

- DETERMINE travel routes and estimate time you'll spend at each location.
- LEAVE word with friend or relative indicating your destination and expected time of return. If possible, have a trusted person stay in your home while you are out.
- CARRY only identification, phone numbers and credit cards you will need. Keep list of all important material you would need to replace in case of loss.
- PROVIDE ADEQUATE LOCKS. Use deadbolt locks which are manually activated and with a bolt at least one-inch long; or jimmy resistant bolt, manually activated, which interlocks into the strike plate for security. Install a small glass magnifier in front door.
- LOCK all doors and windows before departure. If returning at night, leave exterior light burning.
- ON RETURNING HOME, enter cautiously. If door was forced open or you note other evidence of a break-in, back out fast and call the police.

In Public Places

- BEWARE OF PICKPOCKETS. Watch out for anyone who jostles you—it may be accidental but, then again, it may not. A good purse is one with flap which folds over opening and fastens at bottom. The easiest purse for you to open also is easiest for offender. Men should carry wallet in inner or side pocket.
- BEWARE OF PURSE SNATCHERS. Remain alert. On heavy shopping days, best bet is to leave purse at home and carry keys, money and cards in inside pockets. If you must carry handbag, hold securely with flap next to body.
- IN THE A, try to sit near side. Avoid dark corners or area of vacant seats at rear or in balcony. Do not place purse in empty seat next to you.

When Walking

- PLAN your route. Avoid shortcuts through deserted parks, vacant lots and unlit passages. Walk only on streets with plenty of light and traffic.
- DON'T LOITER. Remain alert at all times, even when window shopping. Be prepared to run if followed. If followed by someone in a car, run in opposite direction.
- CHANGE your route as needed. Avoid unlit doorways and other shadowy areas. At night, walk in the middle of street if necessary until reaching better illuminated street.

Biking, Jogging, and Other Outdoor Activities

- CHOOSE routes in advance and vary routes.
- AVOID jogging or biking at night.
- CONSIDER carrying a whistle or shriek alarm.
- IN HELPING to remain alert, refrain from wearing headphones.
- KNOW the area. Learn the locations of business establishments, hospitals, police and fire stations where you can go for help.

Using Elevators

- BEFORE entering, look at persons occupying elevator. If uneasy, wait for next elevator.
- IF YOU NOTICE person in elevator hasn't pushed a floor indicator button, do not get off at your floor. Go to the lobby and report suspicious activity.
- STAND near control buttons. If attacked or threatened, sound alarm. Also push two or three floor buttons.
- IF SUSPICIOUS person enters, exit elevator.

Using Public Transportation

BOARD transportation from well-lighted areas. Remain there until bus or train arrives.
- CHOOSE boarding location with most passengers.
- REMAIN alert and observe fellow passengers. Change seat if you become uneasy with behavior of others.
- WHENEVER POSSIBLE, sit on aisle seat to prevent being trapped inside.

If Attacked and Opportunity Arises

- SCREAM as loud as you can to attract attention. Attempt to escape, if possible, by striking hard and fast.
- SOME METHODS that have proved effective in inflicting pain include: gouging eyes with thumb; scratching with fingernails; poking umbrella into midriff; strong punch to groin; and bashing temple, nose or Adam's apple with fist, purse, book or other object.
- IF ATTACKED FROM BEHIND: Dig heel in to offender's instep, kick shin. Batter face with back of your head. Grab offender's little finger or thumb and bend back sharply. Promptly call police and provide all information of attack and description of offender.

Whether at home, on the street, or in public places: Be alert to anything suspicious. Dial 9-1-1. The call is free — remain anonymous, if you do.

RE: CRITICAL INFORMATION REGARDING: FINANCIAL AID AND MERIT-AND-NEED-BASED SCHOLARSHIPS

The time of year has arrived for you to begin the process of applying for financial aid for the 1995-1996 academic year. Please take note of the calendar of important dates below; I suggest that you save this memo for future reference. Your financial aid, whether a loan and/or a merit-and-need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. The application packets can be obtained in the Office of Admissions and Financial Aid, Suite 230.

Please note that the Monday, April 3, 1995 deadline is the first day after spring break (the dates for spring break are March 25, 1995 - April 2, 1995). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid no later than Monday, April 3, 1995.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By April 3

1. The Free Application for Federal Student Aid (FAFSA) should be received by the processor no later than Monday, April 3, 1995. A preaddressed envelope is enclosed in the FAFSA booklet. Plan to mail it in sufficient time to meet the deadline.

2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid, Suite 230, no later than Monday, April 3, 1995. All sections of the application must be complete in order for them to be accepted.

NOTE: Monday, April 3, 1995 is a strict deadline. This deadline is the cut-
off date for determining the allocation of merit-and-need-based scholarships.

**By May 15**

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR **should be in the Office of Admissions and Financial Aid by Monday, May 15, 1995**, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student's Use Box on the back of page one of the SAR.

**Corrections:** If you need to make corrections to your SAR, please call the Office of Admissions and Financial Aid at (312) 906-5180 because our office may be able electronically correct the errors.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement, which are available in the Office of Admissions and Financial Aid. If you are selected for Verification, our office will automatically send the Verification Worksheet upon receiving your Student Aid Report (SAR). These materials and your SAR must be returned before a financial aid award will be determined for you.

**By June 30**

1. You are expected to turn in student loan applications from the lender of your choice by June 30. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

2. You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid within three weeks of the date printed on the letter.

We are ready to help if you need assistance—just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation. Continuing students are eligible to receive both need-and-merit-based and merit-only scholarships. Merit-only scholarships do **not** require a financial aid application. If you are only interested in these merit-only scholarships, you do **not** need to apply for financial aid. However, if you want to be considered for need-and-merit-based scholarships, then you must complete **all** of the financial aid forms, **even if** you are not planning to take out student loans. Need-and-merit-based awards constitute a larger dollar amount than merit-only awards.
HLSA will be selling tickets in the cafeteria this Thursday and Friday!
