Summer Registration

Registration for summer classes will take place during the week after spring break, beginning Monday, April 3 for Evening Division students. The Summer Registration Bulletin with the final version of the summer schedule and registration instructions will be distributed this week. Students may pick up their summer registration forms in the Registrar’s office beginning Wednesday afternoon, March 22.

Fall Registration

The preliminary fall semester schedule will be distributed this week as soon as it's ready. Please don’t call my office to ask when it will be available. Registration for the fall semester begins April 17, 1995. You will have to make a $300 deposit at registration unless financial aid will cover all of your tuition. Furthermore, you will not be permitted to register unless your tuition account is paid in full or you have an approved petition to register with an outstanding balance. Additional information about this petition will appear in the next Record.

Some faculty members and I will meet with students at the following times to discuss the preliminary fall schedule, course selections for the summer and fall semesters, and how to plan your legal education:

First-year evening division students who change to the day division after their first year will have several special requirements which are available in the Registrar’s office.

**FINANCIAL AID**

1995-1996 Financial Aid Application Materials

Financial aid packets for the 1995-1996 academic year are now available in the Office of Admissions and Financial Aid, Suite 230. Students who plan to apply for financial aid for the next year should pick up the application packet for continuing law students as soon as possible. 1995 Summer Session Financial Aid Application

Financial aid applications for the 1995 summer session are now available in the Office of Admissions and Financial Aid, Suite 230. Students attending Chicago-Kent during the summer or who are visiting another law school or visiting abroad may receive financial aid if they follow the instructions listed below. Recent changes in the federal regulations have changed the awarding of summer financial aid. It is imperative that you meet the deadlines described below in order for you to receive the first disbursement of your summer loan check by Monday, May 22, 1995 (the first day of summer school).

Remember: You must spend a certain amount of semesters "in residence" in order to receive your J.D. Please refer to Section 1.5 of the Student Handbook for more information or consult the November 14, 1994 issue of *The Record*.

Summer School at Chicago-Kent

Students who will be attending Chicago-Kent during the summer session and who need loans to cover their summer tuition, books/supplies, transportation, and "moderate but adequate living expenses" must be enrolled for a minimum of three credit hours and must complete all of the required financial aid documents*.

Note: Due to a recent change in the federal regulations, this is the last year that students can receive summer financial aid based on a minimum enrollment of three (3) credit hours. For the 1996 summer session, students must enroll in a minimum of four (4) credit hours in order to be considered for financial aid.

Students who will be attending Chicago-Kent for the 1995 Summer Session must complete all of the financial aid documents* for the 1995-1996 academic year as well as the 1995 Summer Financial Aid Application in order to be considered for financial aid during the summer. All forms are available in the
Office of Admissions and Financial Aid. The deadline for submitting all of the financial aid forms is Monday, April 3, 1995.

1995 Summer Abroad Programs

Students who require financial aid and who are planning to visit another law school or take part in another law school's overseas program during the summer must complete all of the required financial aid documents* for the 1995-1996 academic year, the 1995 Summer Financial Aid Application and complete the Consortium Agreement Information sheet. All forms are available in the Office of Admissions and Financial Aid, Suite 230.

Note: In order to receive financial aid while visiting another law school or participating in an overseas program, students must complete the "Petition to Visit Another Law School", which is available in the Registrar's Office, Suite 220. The petition must be approved by Dean Chapman. For more information, please consult Section V of the Student Handbook.

The deadline for submitting all of the financial aid forms is Monday, April 3, 1995.

*The Required Financial Aid Documents for 1995-1996

The documents that need to be completed by all students who want be considered for financial aid (and need-based scholarships) for the 1995-1996 academic year and who want to be considered for a loan for summer school include the following:

- Chicago-Kent Financial Aid Application
- Free Application for Federal Student Aid (FAFSA)
- Financial Aid Transcripts (if you have never received a federal loan at Chicago-Kent)

If selected by the Department of Education, you may also be required to complete a Verification Worksheet and submit a signed copy of your and your spouse's 1994 Federal income tax return.

Commonly Asked Questions Regarding Summer Financial Aid

Will borrowing money during the summer affect my eligibility for loans in the fall/spring? Yes! Any loan that you borrow during the summer will reduce your eligibility for that loan program in the fall/spring. For example, a student who borrows $2000 in the Subsidized Stafford loan program during the summer will only be able to borrow a maximum of $6500 during the fall/spring because the student cannot exceed the annual maximum of $8500.

Why do I have to complete the 1995-1996 financial aid materials in order to be considered for financial aid for the 1995 summer session? Summer is what we call a "leader" because financial aid during the summer affects a student’s eligibility for the following fall/spring. Since summer is a "leader" federal regulations now mandate that we review the financial aid documents for the 1995-1996 academic year in order to determine a student’s eligibility for the 1995 summer session.
When will I get loan checks for summer school? All federal loans must be disbursed in two equal disbursements, regardless of the academic term. Normally, students receive one disbursement during the fall and one during the spring. During the summer, students must complete their financial aid file for the summer as well as for the 1995-1996 academic year by Monday, April 3, 1995 in order for it to be possible for them to receive their first disbursement when summer school starts (Monday, May 22, 1995). It is imperative that students applying for financial aid promptly respond (2-3 days maximum) to all requests for financial aid documents. The financial aid office will request all second disbursements for all summer loans be issued on Monday, June 19, 1995. This is the earliest date that second disbursements may be requested.

When will I get my refund check for living expenses for summer school? The university's refund policy will remain the same during the summer term. Students will be required to sign all federal loan checks over to the university regardless of their balance. Any amount exceeding the student's charges will be refunded to the student in 3-5 business days. BUDGET ACCORDINGLY!

What do I do after I submit my 1995 Summer Financial Aid Application and complete my 1995-1996 financial aid file? The following are the four events that need to occur once your summer and 1995-1996 financial aid files are complete:

1. Receive an Award Letter from the Financial Aid Office.
2. Submit a signed Award Letter to the Financial Aid Office.
3. Submit loan applications to the Financial Aid Office.
4. Read your email!

Don't forget to submit loan applications once you receive an Award Letter!

SPECIAL NOTICES

17th Annual Piper Lecture:

The Tensions Between Regulating Workplace Harassment and the First Amendment

On Tuesday, April 11, Chicago-Kent will present the 17th Annual Kenneth M. Piper Lecture The Tensions Between Regulating Workplace Harassment and the First Amendment in the Richard B. Ogilvie Auditorium at 11:30 a.m.

Over the years the courts have interpreted Title VII of the 1964 Civil Rights Act and other equal employment opportunity statutes to impose liability for harassment which creates a hostile work environment for women, minorities and other members of protected classes. A hostile environment may be created not only by physical acts and gestures, but also by statements and other communications by supervisors, co-workers and, in some cases, customers.
The imposition of liability for the consequences of communication implicates the First Amendment's guarantees of free speech and free exercise of religion.

The Piper Lecture speakers will focus on the potential tensions between the EEO policy of eliminating harassment from the workplace and the First Amendment. The speakers include:

Nadine Strossen, Professor of Law at New York Law School and National President of the American Civil Liberties Union. She is the author of a book entitled DEFENDING PORNOGRAPHY: FREE SPEECH, SEX AND THE FIGHT FOR WOMEN'S RIGHTS. She has been awarded the first "Richard S. Arnold Prize for Distinguished Scholarship in Freedom of Expression," by the Speech-Communications Association. Professor Strossen serves on the Boards of Directors for the National Coalition Against Censorship, and the National Coalition for Public Education and Religious Liberty; and the Advisory Board for Feminists for Free Expression.

Gilbert F. Casellas, Chair of the U.S. Equal Employment Opportunity Commission. Prior to appointment to the EEOC, Mr. Casellas was appointed by President Clinton to the position of general counsel of the United States Department of the Air Force. Before entering public service, Mr. Casellas was a partner at the law firm of Montgomery, McCracken, Walker & Rhoads in Philadelphia. He has served as chair of the Board of Governors of the Philadelphia Bar Association, national president of the Hispanic National Bar Association, and as special counsel to the Philadelphia Commission on Human Relations.

Linda S. Greene, Professor of Law at the University of Wisconsin Law School, where she teaches Constitutional Law, Legislation, and Civil and Constitutional Rights seminars. Professor Greene began her legal career as a civil rights attorney at the NAACP Legal Defense and Educational Fund in New York. She has served as counsel to the United States Senate Judiciary Committee, where she specialized in judicial confirmation, federal courts, constitutional law and civil rights issues. Professor Greene has written on a wide range of issues including constitutional equality, civil rights laws, presidential and congressional powers, and sports law. She is currently chair of the Legislation Committee of the U.S. Olympic Committee. She appears frequently on television and radio as a constitutional law expert and political commentator.

Evening or day division students who will be graduating at the end of spring or summer term are eligible. We are looking for individuals who have distinguished themselves by outstanding service to their fellow students, their school and their community. If you know of such a person and wish to put forward their name for membership in the Bar and Gavel Society, please prepare a nominating letter which:

1) Provides a description of the particular service or pattern of service, including the amount and quality of time spent. (The degree of the nominee's participation in comparison to their other obligations would be a consideration.)

Information Center Model Forwarded to Senator Kerrey

The report of the National Institute for Standards and Technology (NIST) which touted the Legal Information Center as the model for the National Archives with respect to the use of technology for information delivery as well as the mechanisms used for copyright compliance was forwarded this week to Senator Robert Kerrey (D-Nebraska).

The National Archives is seeking the support of Senator Kerrey for funding to provide archival materials to the entire state of Nebraska. Senator Kerrey was already aware of the work with imaging and document delivery being accomplished by the Legal Information Center, having requested a meeting with Professor Voges on that subject approximately a year ago. This report further validates that work.

The report also extols the use of the inner city high school students for the conversion efforts. The ExTEND program which was developed for the Legal Information Center has provided jobs, mentoring, and access to higher education for those students.

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

TECHSHOW: March 30 1995 - April 1, 1995

Chicago-Kent College of Law Center for Law and Computers is co-sponsor of the 1995 ABA TECHSHOW designed for lawyers, MIS professionals, and administrators who use -- or want to use -- technology. Meet practicing lawyers from across the country. Discuss their interest in using technology in practice and your expertise in using technology in legal education.

TECHSHOW is at the Sheraton Chicago Hotel and Towers, 301 East North Water Street. You can meet conference participants and discuss Chicago-Kent’s leading role in integrating technology into legal education at the exhibit. On Saturday morning, April 1, 1995, Chicago-Kent will sponsor hands-on computer workshops at the law school for participants interested in document assembly and expert
systems, where student volunteers can meet the top document assembly vendors. Student assistants are also needed to help TECHSHOW participants on Friday, March 31, 1995, at Chicago-Kent during the hands-on workshop on Cruising the Internet.

Email Jim Judge (JJUDGE) to reserve a place at TECHSHOW. Jim will arrange a special student "orientation" to discuss what to expect, who will be attending, and what questions will be asked. Pick up a TECHSHOW brochure outside Room 703.

More Free Pages For Printing

The CLC has increased the free pages of laser printing that students receive this semester. The new limit is 400 free pages, up from 300.

If you enjoy helping your fellow students and would like to get even more free printing, consider joining CLASS (Computer Law Association) and working at the HELPDESK. For only 1 or 2 hours per week of your time your printing allowance will be increased. Interested? Contact Laura Wallace (LWALLACE), President of CLASS. Besides additional printing, CLASS members work on Chicago-Kent’s World Wide Web pages, including setting up their own pages. CLASS members run the Computer Clinic, have offered classes on how to surf the Internet, and are given training by CLC staff.

CLASS Staffs the Helpdesk

A schedule has been posted by the Helpdesk in Lab 700. CLASS members staff the HelpDesk weekdays during the days and evenings. If you have an email problem, word processing problem, or just general questions about computers, stop by and ask them.

Remember, you should email HELPDESK about general problems or questions about computers. CLASS and Center staff check HELPDESK throughout the week, including weekends and evenings!
Virus Warning

KENTNET has been hit hard in the past weeks by viruses, especially the NYB virus. When you first enter KENTNET, DO NOT skip the virus scan. You run the risk of infecting the lab machine or your own disk. And once your disk is infected, your home machine will be next!

If your disk is infected, you should immediately clean it. Look under "KENTNET SERVICES" for various virus-related programs, including an option to clean your floppy. If you have a home machine, you should create a Bootable Virus-Fixer Disk to scan your home computer.

The members of CLASS are available to answer your questions and give you assistance. You can find them at the HelpDesk in Lab 700, or by emailing HELPDESK.

In memory of Jon, GayLaw and KJF have joined forces to establish a summer public interest fellowship in his name. This new fellowship will be awarded annually in Jon’s name to a Kent Student who spends the summer working in the public interest law field.

In an effort to raise funds for this new fellowship, we will be selling ANN SATHER’S CINNAMON ROLLS in the Spak every Monday until the end of the semester. Stop by and enjoy these famous cinnamon rolls for only a dollar and help us out in our effort to establish this new fellowship.

ADVANCED EXTERNSHIP PROGRAM
FALL 1995
THIRD YEAR STUDENTS

Do you wish to develop your legal skills? Gain practical legal experience in a specialized area of law with a corporation, firm or government agency? Make yourself more marketable to prospective employers upon graduation? If you have answered "yes" to any of the above questions, consider applying for the Advanced Externship Program for Fall Semester 1995.

The Advanced Externship Program is a four credit hour program consisting of a 3 credit hour fieldwork and a 1 credit hour classroom component. The program is open to students in their last two semesters of law school. For the fieldwork component, an extern is placed in a private or public, civil or criminal practice and is required to work a minimum of 15 hours a week at his/her designated placement. Externs interested in civil law may select to work under the supervision of general counsel in major corporations or under the supervision of designated teaching lawyers in well-known firms or specific government agencies. Externs may specialize in such diverse legal areas as tax, commodities, securities, corporate, health care, medical malpractice, and general corporate law, etc. Those interested in criminal law may select to work with designated supervising lawyers at the States Attorney's Office, Public Defender's or the U.S. Attorney's office. Many externships may offer the externs opportunities to obtain a 711 license and appear in court.

The accompanying classroom component consists of a 1 hour class weekly, which focuses on various aspects of today's practice of law and on the externs' fieldwork experiences.

If you are interested in learning more about externship opportunities or in applying for the program, please see Professor Vivien Gross in Room 617.

More information about the program and an accompanying application form are available in the Law Offices Reception Area. Applications must be turned in to Room 610 by 4:00 p.m. on Friday, March 24, 1995. All applicants must have scheduled an interview with Professor Gross prior to turning in their applications. Slots are limited. In the event applicants outnumber the number of students that can be accepted in the program, students with at least one semester of Law Offices or LADR (Law Alternative Disputes Resolution program) will receive a preference over other students in being admitted in the Externship Program.
In an effort to assist students in making decisions regarding courses and professors, the SBA and ELS would appreciate your anonymous completion of this form. We will try to have results available prior to FALL registration.

Please follow these instructions when completing the survey:

1. Do not put your name on the form

2. Please use a separate form for each course you evaluate. You may take as many copies as you need, and may photocopy the form yourself if you so choose.

4. Please keep in mind that we are looking for constructive criticism in order to assist students in selecting courses and professors. Do not use this as a personal complaint forum. These evaluations are compiled for students by students.

5. Please drop off completed forms in the box outside C78 on the concourse NO LATER THAN APRIL 3, 1995.

Thanks for your help.

RE: CRITICAL INFORMATION REGARDING: FINANCIAL AID AND MERIT-AND-NEED-BASED SCHOLARSHIPS

The time of year has arrived for you to begin the process of applying for financial aid for the 1995-1996 academic year. Please take note of the calendar of important dates below; I suggest that you save this memo for future reference. Your financial aid, whether a loan and/or a merit-and-need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. The application packets can be obtained in the Office of Admissions and Financial Aid, Suite 230.

Please note that the Monday, April 3, 1995 deadline is the first day after spring break (the dates for spring break are March 25, 1995 - April 2, 1995). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid no later than Monday, April 3, 1995.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By April 3

1. The Free Application for Federal Student Aid (FAFSA) should be received by the processor no later than Monday, April 3, 1995. A preaddressed envelope is enclosed in the FAFSA booklet. Plan to mail it in sufficient time to meet the deadline.

2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid, Suite 230, no later than Monday, April 3, 1995. All sections of the application must be complete in order for them to be accepted.

NOTE: Monday, April 3, 1995 is a strict deadline. This deadline is the cut-
off date for determining the allocation of merit-and-need-based scholarships.

By May 15

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR should be in the Office of Admissions and Financial Aid by Monday, May 15, 1995, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student’s Use Box on the back of page one of the SAR.

Corrections: If you need to make corrections to your SAR, please call the Office of Admissions and Financial Aid at (312) 906-5180 because our office may be able electronically correct the errors.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement, which are available in the Office of Admissions and Financial Aid. If you are selected for Verification, our office will automatically send the Verification Worksheet upon receiving your Student Aid Report (SAR). These materials and your SAR must be returned before a financial aid award will be determined for you.

By June 30

1. You are expected to turn in student loan applications from the lender of your choice by June 30. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

2. You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid within three weeks of the date printed on the letter.

We are ready to help if you need assistance—just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation. Continuing students are eligible to receive both need-and-merit-based and merit-only scholarships. Merit-only scholarships do not require a financial aid application. If you are only interested in these merit-only scholarships, you do not need to apply for financial aid. However, if you want to be considered for need-and-merit-based scholarships, then you must complete all of the financial aid forms, even if you are not planning to take out student loans. Need-and-merit-based awards constitute a larger dollar amount than merit-only awards.

Law Offices
Summer 1995 Applications are Due Today
Monday, March 20

Students who would like to learn how to practice law while they are in law school should apply for the in-house clinical education program, Law Offices. Applications are now available for the summer. The summer applications are due no later than March 20. They are available in Room 600.

Students may apply for Law Offices after they have completed their first year of law school (current first years may apply for the summer 1995 semester). To be considered for a place, all students must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the March 20 deadline.

Students who have previously taken or who are now taking Law Offices (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference in their same practice group if availability permits. New students who have submitted their applications by the due date will be selected in the Law Offices lottery. The total number of available places during the summer semester is dependent upon the number of supervising attorneys in each practice group. The number of available new places is dependent upon the number of continuing students and has not yet been determined.

The in-house program is comprised of two components. One is a three credit fieldwork class graded on a pass/fail basis in which students work in practice groups on client cases or similar projects assigned to them by a supervising attorney. The fieldwork component also includes practice group lectures, supervising attorney conferences, section meetings, and various client interview experiences. The other is a graded classroom component for one credit.

There are eight in-house practice groups from which to choose - employment discrimination/civil rights with some general practice, criminal defense, commercial litigation, transactions (non-litigation), immigration, tax (prerequisites are Personal Income Tax and Tax Procedure), health law, and mediation & other ADR procedures. For more information, you may talk to the clinical professors who supervise the various practice groups - Professors Gonzalez (Room 629), Norton (Room 623), and Schwartz (Room 611) for employment discrimination/civil rights with some general practice; Professors Kadish (Room 613), Kling (Room 625), and Thomas (Room 609) for criminal defense; Professor Smith (Room 690) for
commercial litigation; Professor Lemberis (Room 688) for transactions (non litigation); Professor Benítez (Room 627) for immigration; Professors Brown (Room 615) and Livingston (Room 694) for tax; Professors Smith (Room 690) and Kentra (Room 684) for mediation & other ADR procedures; and Professors Toolan (Room 621) and Elster (Room 692) for health law. Professor Laser (Room 631) is also available to answer your questions.
LAW OFFICES
FALL REGISTRATION FOR IN-HOUSE PROGRAMS

FALL 1995 APPLICATIONS ARE NOW AVAILABLE IN ROOM 600
DUE NO LATER THAN THURSDAY, APRIL 13

Students who would like to learn how to practice law while they are in law school should apply for the in-house clinical education program, LAW OFFICES. Applications are now available for the fall. The fall applications are due no later than April 13.

Students may apply for Law Offices after they have completed their first year of law school (current first years may apply for the fall 1995 semester). To be considered for a place, ALL students must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the April 13 deadline.

Students who have previously taken, who are now taking Law Offices, or who will take Law Offices during the summer 1995 semester (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference in their same practice group if availability permits. Next, priority will be given to the top ten students on each first choice waiting list who did not turn down a place for Fall 1995, who were on the waiting list in the division they have marked as first choice, and who submitted their spring application by the due date. New students who have submitted their applications by the due date will be selected in the Law Offices lottery. The total number of available places during the fall semester is dependent upon the number of supervising attorneys in each practice group. The number of available new places is dependent upon the number of continuing students and has not yet been determined.

The in-house program is comprised of two components. One is a three credit fieldwork class graded on a pass/fail basis in which students work in practice groups on client cases or similar projects assigned to them by a supervising attorney. The other is a graded classroom component for one credit.

There are six in-house practice groups from which to choose - employment discrimination/civil rights with some general practice, criminal defense, commercial litigation, transactions (non-litigation), immigration, and tax (prerequisites are Personal Income Tax and Tax Procedure). This
year we are offering two additional practice groups with funding from a Department of Education grant - Health Law, and Mediation & Other ADR Procedures. If the grant is funded for a second year, these two practice groups will be offered in the fall semester.

For more information, you may talk to the clinical professors who supervise the various practice groups - Professors Gonzalez (Rm. 629), Norton (Rm. 623), and Schwartz (Rm. 611) for employment discrimination/civil rights with some general practice; Professors Kadish (Rm. 613), Kling (Rm. 625), and Thomas (Rm. 609) for criminal defense; Professor Smith (Rm. 690) for commercial litigation; Professor Lemberis (Rm. 688) for transactions (non litigation); Professor Benítez (Rm. 627) for immigration; and Professors Brown (Rm. 615) and Livingston (Rm. 694) for tax.
