FROM DEAN MATASAR

Welcome back! I hope you had an enjoyable, relaxing Spring Break, and that you’re ready for the final push toward the end of the semester. While you’re working on closing out 1994-95, we’re already busy making plans for 1995-96...

Part of our planning for the next academic year includes a day of special programming for students who will be graduating in 1997, and thereafter. A committee of faculty and staff members has designed Professionalism Day 1995: "Maximizing Your Professionalism." The program, which is scheduled for Monday, August 21, 1995, will be attended by all second-year day division students. (Second-year evening division students will have the option to attend the 1995 session, or to attend the fall, 1996, session; third-year students are welcome to attend.)

A top-flight group of alumnae/i practitioners, faculty, and staff members will be on hand to give practical advice on getting a head start in the marketplace, and on how to maximize your career potential. I’m very excited about this new program, and I know that it will be a fun and informative way to start the year. More details about Professionalism Day 1995 can be found in the special section within this week’s Record.

We’ve also had a number of terrific showings in advocacy competitions during the past few weeks:

National Trial Competition

Chicago-Kent’s Trial Advocacy Team made it to the "Final Four," i.e. the semi-final round, of the National Trial Competition in Houston, TX, March 15-18. Team members were Alex Harris, Jennifer Coleman, and Elizabeth Lienau. Coaches were Judge David Erickson, Asst. State’s Attorney Lori Wolfson and Asst. State’s Attorney Mike Rogers. Two hundred teams from 120 law schools began the competition; 21 advanced to the National Competition in Dallas and Chicago-Kent’s team was one of the 4 finalists.

1995 American Bar Association National Appellate Advocacy Competition

Chicago-Kent’s Moot Court team of Scott J. Fisher and Brian M. Ziff won the 1995 ABA Midwest Regional Appellate Advocacy Competition. Mr. Fisher was named 6th Place Oralist. The team’s coach is Scott G. Richmond and the faculty advisor is Professor Marc Grinker. The Midwest Regional Competition was held
in Houston, TX the weekend of March 25. The top 16 teams in the country, including Chicago-Kent's, will now advance to the ABA National Final Rounds to be held in Chicago, August 4-6.

**Niagara International Moot Court Competition**

Chicago-Kent won the Niagara International Moot Court Competition, held at University of Western Ontario Law Faculty in London, Ontario, Canada, during the weekend of March 17-18. A total of 18 teams -- 13 from the U.S. and 5 from Canada -- participated.

Team members were Jordan Labkon, Brian Gill, James Lasenby, and Gwendolyn Harrison. Jordan Labkon, James Lasenby and Danielle Singer were awarded the Best Respondent Brief Memorial. Upon winning the finals, the team participated in a formal toast to the Queen and heard a speech from Dr. Henry King, the last surviving prosecutor from the Nuremberg Trials. The team was then awarded the Niagara Cup, as well as the award for Best Respondent Memorial.

The team was coached by Professor Ted Lemberis.

**1995 NorthCentral Regional Phillip C. Jessup International Law Moot Court Competition**

For the very first time, Chicago-Kent has won the NorthCentral Regional Competition, and will now advance to the International rounds of the competition to be held in Philadelphia the first week of April. The Chicago-Kent team defeated John Marshall in the semi-final round, and the University of Minnesota in the final round. In addition, the team won second best memorial honors for the region, and team member Seema Khan was named fourth best oralist. The team members are: Mary Ann Spangler, Seema Khan, Brian Magnusson, Diane Miller, and John Bredin. The faculty advisor is Professor Bartram Brown.

**Saul Lefkowitz Midwest Regional Competition**

On February 25, 1995, the Intellectual Property Law Moot Court Trademark Team won the Midwest Regional of the Saul Lefkowitz Competition. Only four teams in the country advanced to the National competition. Chicago-Kent has now won the Midwest Regional of the Lefkowitz Competition two years in a row. Team members were: Amanda Howland and Ian Warren. Faculty advisor was Adjunct Professor Malla Pollick.

**Cardozo/BMI Entertainment and Communications Law Moot Court Competition**

Chicago-Kent took second place in the 1995 Cardozo/BMI Entertainment and Communications Law Moot Court Competition, held in New York, March 23 - 26. The teams members were John Greenwald and Kevin Mulrooney. The faculty advisor was Professor Deb Quentel.

**1995 Salmon P. Chase Law School Environmental Moot Court Competition**

Chicago-Kent was represented at the Salmon P. Chase Environmental Moot Court Competition by Jane Banaszak, Yanick Polycarpe, and Andrew Scott. The team advanced to the semi-final round, and placed third in the competition. The coach was Eric Brodie and the faculty advisor was Professor Stuart Deutsch.

**1995 Pace University National Environmental Moot Court Competition**

At the Pace University National Environmental Moot Court Competition in White Plains, New York, the Chicago-Kent team advanced to the quarter-final round. They argued three times in the preliminaries,
during which the team took two best oralists, and one second best oralist honors (first and second best oralists are decided for each round). Team members were: Malea Drew (best oralist), Evan McGinley (best and second best oralist) and Janet Stearns. The team coach was Eric Brodie and the faculty advisor was Professor Stuart Deutsch.

Congratulations to ALL the winners, participants, coaches, and advisors! GREAT JOB!

FROM DEAN CHAPMAN

Welcome back; I hope you had an enjoyable or productive spring break.

1995-1996 Academic Calendar Change

The academic calendar for the 1995-1996 academic year was recently changed by the faculty to reschedule Professionalism Day, which will be held on Monday, August 21, 1995. Advanced JD classes will begin on August 21, 1995 at 4:00 p.m.; the day classes canceled on August 21 for Professionalism Day will be made up on Tuesday, November 28, 1995. A revised copy of the 1995-1996 academic calendar is attached to this Record, which includes the recently confirmed 1996 commencement date of Sunday, May 19, 1996.

SUMMER REGISTRATION INFORMATION

Summer Registration Begins Today

Registration for summer classes begins today for Evening Division students. The Summer Registration Bulletin with the registration instructions is available in the Registrar’s office. You may pick up your summer registration form in the Registrar’s office. Note that the schedule in the Registration Bulletin does not include the Legal Drafting sections listed below.

Summer Schedule Additions

The following Legal Drafting sections were added to the 1995 Summer Schedule after the Registration Bulletin was distributed. These sections will specialize in general practice. A copy of the revised summer schedule is attached to The Record.

Note: enrollment is limited to 10 students for each of the day student sections and 5 students for each of the evening student sections. If you register for one of these sections, be sure to list an alternative course, if you want one, in the event the Legal Drafting section is closed when your registration form is processed.

Other limited enrollments courses on the summer schedule are Trial Advocacy (12 students in the MW section and 12 students in the TT section) and Negotiations (24 students).
Professional Responsibility in the Summer Session

The course descriptions for most courses appear in the Law School Bulletin (not the Handbook). However, the Professional Responsibility course description in the Bulletin does not accurately describe the course that Prof. Bernstein will teach this summer. The following description was submitted by Prof. Bernstein for the summer course.

Professional Responsibility

This section of Professional Responsibility will be oriented around certain practical realities. First, it is understood that students have taken the Justice course—which means that some grounding in jurisprudence will be presumed, and also that we will spend very little time on familiar law-versus-morality debates. Second, the Multistate Professional Responsibility Exam (MPRE) will be kept in mind. Although no Professional Responsibility course can track this particular exam without distorting its content, our section will dedicate time to the subjects covered on the MPRE. Third, the summer session calendar decrees that we meet in eight sessions, each lasting three and a half hours. Before registering, consider carefully whether you can accept our long evenings. A separate topic will be addressed at each meeting: Regulation of the Profession; The Advocate’s Role; Conflicts of Interest; Financing Legal Services; Lawyers’ Special Obligations to the Court, the Profession and Society; Confidentiality and Loyalty; Negotiation, Settlement, and the Role of the Judge; and A Professional-Responsibility Revisit to the First-Year Curriculum. Attendance and participation will count heavily in the determination of grades.

Clarification of Residency Requirement

Evening Division students may satisfy the summer session residency requirement by attending three summer sessions instead of two summer sessions, provided at least eight hours are taken over the three summers.

FALL REGISTRATION INFORMATION

Corrections to the Preliminary Fall, 1995 Schedule

Please note the following substantive corrections to the preliminary fall schedule. Other corrections have been made to course numbers and text; therefore you must use the final version of the schedule that will appear in the Registration Bulletin to register, not the yellow preliminary schedule.

(1) Professional Responsibility in the Evening Division

On page 5 of the preliminary schedule, it states that Professional Responsibility will be offered in the Evening Division in the Spring, 1994 semester. That statement is correct; it was offered in the Spring, 1994 semester. However, as stated at the top of page 12 of the preliminary schedule, Professional Responsibility is not scheduled to be offered in the Spring, 1996 semester. Evening students who plan to graduate in 1996 should take this required course during the 1995 summer session or the fall semester.

(2) Prof. Malin’s seminar is entitled Public Sector Employees, not Labor Relations, as originally published. The course description appears on page 179 of the Law School Bulletin.
(3) Prof. Gerber’s European Union seminar will meet on Thursday at 4:00 p.m., not Wednesday.

(4) Prof. Hablutzel’s Securities Regulation course will meet from 9:35 to 10:30 a.m., not p.m.

Fall Registration Begins April 17

The preliminary fall semester schedule is available in the Registrar’s office; registration for the fall semester begins April 17, 1995. The Registration Bulletin with registration instructions, the final version of the schedule, course descriptions for courses not listed in the Law School Bulletin, biographies of new faculty members, the final schedule and other information will be distributed next week.

Schedule and Planning Meetings

Some faculty members and I will meet with students at the following times to discuss the preliminary fall schedule, course selections for the summer and fall semesters, and how to plan your legal education:

- **1L Day Division students**: Tuesday, April 4 at 12:30 p.m. in the Auditorium
- **1L Evening Division students**: Tuesday, April 4 at 8:00 p.m. in 510, following Contracts
- **Advanced Day Division students**: Wednesday, April 5 at 3:00 p.m. in 510
- **Advanced Evening Division students**: Tuesday, April 4 at 5:00 p.m. in 210

Professors’ Opinions on Which Courses You Should Take

I distributed a questionnaire to the faculty last fall asking them to indicate which courses they felt every student should take regardless of his or her particular areas of interest and the courses a student should take if interested in specializing in a particular substantive area. The responses are attached to this Record.

Intensive Trial Advocacy

The names of the students eligible to register for Intensive Trial Advocacy, both the August, 1995 Intellectual Property course and the January, 1996 regular intensive course are posted on the second floor bulletin board. You must register for the appropriate course on your Fall, 1995 registration form or you will lose your seat in the class.

International Law/Moot Court

The law school will initiate an International Law Moot Court Program in the fall semester. All students who are interested in participating should register for the International Law/Advocacy section of Advanced Research. Evening students who cannot register for this section should register for Professor Strzynski’s evening International Advanced Research class. Students who are interested in participating in the International Law Moot Court Program and who have already completed a course in Advanced Research will be permitted to do so.
$300 Deposit Due at Registration; Tuition Must be Paid Up

You will have to make a $300 deposit at registration unless financial aid will cover all of your tuition. Furthermore, you will not be permitted to register unless your tuition account is paid in full or you have an approved petition to register with an outstanding balance.

OTHER ANNOUNCEMENTS

June, 1995 Graduates

A list of June, 1995 graduates is posted on the second floor bulletin board. Your name will appear on your diploma exactly as it appears on this list. Please inform the Registrar if you want to make any changes. If you are planning to graduate in June and your name is not on the list, contact the Registrar immediately.

PROFESSIONALISM DAY 1995

"Maximizing Your Professionalism"

A Conference for Second-Year Students

The Office of Career Services and the Office of the Dean of Students announce an innovative one day conference for the Class of 1997 at the law school on the first day of fall classes, Monday, August 21, 1995.

Full-time students graduating in 1997 will attend the conference in place of regularly scheduled day classes. Evening students graduating in 1997 may attend the conference this year or during the fall of 1996. Third-year students are welcome to attend the conference.

What is Professionalism Day?

Professionalism Day is a day of special programming for students graduating in 1997. Students will gain practical skills and knowledge from legal practitioners that will give Chicago-Kent's students a head start in today's competitive legal marketplace.
Chicago-Kent is the first law school to implement such a conference. Developed by faculty and staff at the law school, the concept of Professionalism Day has been enthusiastically received by legal employers as an additional way to help students transition from legal education to the practice of law.

What topics will be covered in Professionalism Day?

I. Strategies for Professional Excellence
   - Build a foundation for long term professional success.
   - Identify ways to make yourself indispensable to your employer.
   - Enhance your success by building strong work relationships with colleagues and support staff.

II. Understanding the Bottom Line: Law as a Business
   - Learn about the business of practicing law in law firms, corporations, public interest organizations or government offices.
   - Understand the way in which economics influences the hiring and training process.
   - Find out what to expect in a performance review. Learn how to prepare for and make the most of a review.

III. Maximizing Your Professional Impact
   - Learn how to make an outstanding first impression.
   - Develop a professional style to maximize your effectiveness in the profession.
   - Find out the secrets of building professional relationships that last through your career.

What is the format for Professionalism Day?

The conference will begin with morning coffee and pastries during registration. Programs are scheduled in the morning and afternoon. Lunch will be provided. The conference will close with a networking reception, where students will have the chance to meet with alumnae/i practitioners. Professional attire is required.

Professionalism Day speakers will include alumnae/i as well as other practitioners from private practice, corporations, government offices and public interest organizations.

What about my classes?

Professionalism Day will replace regularly scheduled day classes for second- and third-year students on Monday, August 21st. The programming will not affect Monday evening classes, which will proceed as scheduled for all students.

How do students register for Professionalism Day?

Watch The Record for further information about registration. Mark your calendars now for Monday, August 21st!

FINANCIAL AID

1995-1996 Financial Aid Application Materials

Financial aid packets for the 1995-1996 academic year are available in the Office of Admissions and Financial Aid, Suite 230. Students who plan to apply for financial aid for the next year should pick up the application packet for continuing law students as soon as possible. 1995 Summer Session Financial Aid Application

Financial aid applications for the 1995 summer session are now available in the Office of Admissions and Financial Aid, Suite 230. Students attending Chicago-Kent during the summer or who are visiting another law school or visiting abroad may receive financial aid if they follow the instructions listed below. Recent changes in the federal regulations have changed the awarding of summer financial aid. It is imperative that you meet the deadlines described below in order for you to receive the first disbursement of your summer loan check by Monday, May 22, 1995 (the first day of summer school).

Remember: You must spend a certain amount of semesters "in residence" in order to receive your J.D. Please refer to Section 1.5 of the Student Handbook for more information or consult the November 14, 1994 issue of The Record.
Summer School at Chicago-Kent

Students who will be attending Chicago-Kent during the summer session and who need loans to cover their summer tuition, books/supplies, transportation, and "moderate but adequate living expenses" must be enrolled for a minimum of three credit hours and must complete all of the required financial aid documents*.

Note: Due to a recent change in the federal regulations, this is the last year that students can receive summer financial aid based on a minimum enrollment of three (3) credit hours. For the 1996 summer session, students must enroll in a minimum of four (4) credit hours in order to be considered for financial aid.

Students who will be attending Chicago-Kent for the 1995 Summer Session must complete all of the financial aid documents* for the 1995-1996 academic year as well as the 1995 Summer Financial Aid Application in order to be considered for financial aid during the summer. All forms are available in the Office of Admissions and Financial Aid. The deadline for submitting all of the financial aid forms is Monday, April 3, 1995.

1995 Summer Abroad Programs

Students who require financial aid and who are planning to visit another law school or take part in another law school's overseas program during the summer must complete all of the required financial aid documents* for the 1995-1996 academic year, the 1995 Summer Financial Aid Application and complete the Consortium Agreement Information sheet. All forms are available in the Office of Admissions and Financial Aid, Suite 230.

Note: In order to receive financial aid while visiting another law school or participating in an overseas program, students must complete the "Petition to Visit Another Law School", which is available in the Registrar's Office, Suite 220. The petition must be approved by Dean Chapman. For more information, please consult Section V of the Student Handbook.

The deadline for submitting all of the financial aid forms is Monday, April 3, 1995.

*The Required Financial Aid Documents for 1995-1996

The documents that need to be completed by all students who want be considered for financial aid (and need-based scholarships) for the 1995-1996 academic year and who want to be considered for a loan for summer school include the following:

Chicago-Kent Financial Aid Application

Free Application for Federal Student Aid (FAFSA)

Financial Aid Transcripts (if you have never received a federal loan at Chicago-Kent)
If selected by the Department of Education, you may also be required to complete a Verification Worksheet and submit a signed copy of your and your spouse's 1994 Federal income tax return.

**Commonly Asked Questions Regarding Summer Financial Aid**

**Will borrowing money during the summer affect my eligibility for loans in the fall/spring?** Yes! Any loan that you borrow during the summer will reduce your eligibility for that loan program in the fall/spring. For example, a student who borrows $2000 in the Subsidized Stafford loan program during the summer will only be able to borrow a maximum of $6500 during the fall/spring because the student cannot exceed the annual maximum of $8500.

**Why do I have to complete the 1995-1996 financial aid materials in order to be considered for financial aid for the 1995 summer session?** Summer is what we call a "leader" because financial aid during the summer affects a student's eligibility for the following fall/spring. Since summer is a "leader" federal regulations now mandate that we review the financial aid documents for the 1995-1996 academic year in order to determine a student's eligibility for the 1995 summer session.

**When will I get loan checks for summer school?** All federal loans must be disbursed in two equal disbursements, regardless of the academic term. Normally, students receive one disbursement during the fall and one during the spring. During the summer, students must complete their financial aid file for the summer as well as for the 1995-1996 academic year by Monday, April 3, 1995 in order for it to be possible for them to receive their first disbursement when summer school starts (Monday, May 22, 1995). It is imperative that students applying for financial aid promptly respond (2-3 days maximum) to all requests for financial aid documents. The financial aid office will request all second disbursements for all summer loans be issued on Monday, June 19, 1995. This is the earliest date that second disbursements may be requested.

**When will I get my refund check for living expenses for summer school?** The university's refund policy will remain the same during the summer term. Students will be required to sign all federal loan checks over to the university regardless of their balance. Any amount exceeding the student's charges will be refunded to the student in 3-5 business days. **BUDGET ACCORDINGLY!**

**What do I do after I submit my 1995 Summer Financial Aid Application and complete my 1995-1996 financial aid file?** The following are the four events that need to occur once your summer and 1995-1996 financial aid files are complete:

1. Receive an Award Letter from the Financial Aid Office.
2. Submit a signed Award Letter to the Financial Aid Office.
3. Submit loan applications to the Financial Aid Office.
4. Read your email!

**Don't forget to submit loan applications once you receive an Award Letter!**

They also work closely with students in drafting and revising their work. Applicants should have received superior grades (B+ or above) in their Legal Writing courses and have a strong interest in helping other students to master the skills of legal research and writing. Membership on Law Review

Please indicate on your resume the name of your first-year legal writing professor and the grades you received in the course. The interview will last approximately 20 minutes and then applicants will be asked to complete a short closed-book quiz on grammar, punctuation and citation form.

If you have any questions please contact Professor Ehrenberg.

17th Annual Piper Lecture:

The Tensions Between Regulating Workplace Harassment and the First Amendment

On Tuesday, April 11, Chicago-Kent will present the 17th Annual Kenneth M. Piper Lecture The Tensions Between Regulating Workplace Harassment and the First Amendment in the Richard B. Ogilvie Auditorium at 11:30 a.m.

Over the years the courts have interpreted Title VII of the 1964 Civil Rights Act and other equal employment opportunity statutes to impose liability for harassment which creates a hostile work environment for women, minorities and other members of protected classes. A hostile environment may be created not only by physical acts and gestures, but also by statements and other communications by supervisors, co-workers and, in some cases, customers.

The imposition of liability for the consequences of communication implicates the First Amendment’s guarantees of free speech and free exercise of religion.

The Piper Lecture speakers will focus on the potential tensions between the EEO policy of eliminating harassment from the workplace and the First Amendment. The speakers include:

Nadine Strossen, Professor of Law at New York Law School and National President of the American Civil Liberties Union. She is the author of a book entitled DEFENDING PORNOGRAPHY: FREE SPEECH, SEX AND THE FIGHT FOR WOMEN’S RIGHTS. She has been awarded the first "Richard S. Arnold Prize for Distinguished Scholarship in Freedom of Expression," by the Speech-Communications Association. Professor Strossen serves on the Boards of Directors for the National Coalition Against Censorship, and the National Coalition for Public Education and Religious Liberty; and the Advisory Board for Feminists for Free Expression.

Gilbert F. Casellas, Chair of the U.S. Equal Employment Opportunity Commission. Prior to appointment to the EEOC, Mr. Casellas was appointed by President Clinton to the position of general counsel of the United States Department of the Air Force. Before entering public service, Mr. Casellas was a partner at the law firm of Montgomery, McCracken, Walker & Rhoads in Philadelphia. He has served as chair of the Board of Governors of the Philadelphia Bar Association, national president of the Hispanic National Bar Association, and as special counsel to the Philadelphia Commission on Human Relations.
Linda S. Greene, Professor of Law at the University of Wisconsin Law School, where she teaches Constitutional Law, Legislation, and Civil and Constitutional Rights seminars. Professor Greene began her legal career as a civil rights attorney at the NAACP Legal Defense and Educational Fund in New York. She has served as counsel to the United States Senate Judiciary Committee, where she specialized in judicial confirmation, federal courts, constitutional law and civil rights issues. Professor Greene has written on a wide range of issues including constitutional equality, civil rights laws, presidential and congressional powers, and sports law. She is currently chair of the Legislation Committee of the U.S. Olympic Committee. She appears frequently on television and radio as a constitutional law expert and political commentator.

Please plan to attend.

Professor Stewart’s Advisees

Bar and Gavel Society Nominations

Once again it is time for the Student Bar Association to seek nominations for the Bar and Gavel Society. Evening or day division students who will be graduating at the end of spring or summer term are eligible. We are looking for individuals who have distinguished themselves by outstanding service to their fellow students, their school and their community. If you know of such a person and wish to put forward their name for membership in the Bar and Gavel Society, please prepare a nominating letter which:
1) Provides a description of the particular service or pattern of service, including the amount and quality of time spent. (The degree of the nominee’s participation in comparison to their other obligations would be a consideration.)

2) Addresses whether the nominee is receiving some other recognition for the service performed. (Unsung acts are particularly valued.)

3) Discusses to what extent the nominee is motivated to such service beyond any obligation to perform the service.

4) Describes the effect these services had on the reputation of Chicago-Kent.

Nomination letters may be sent via KENTNET to the attention of PSMITH2 or by hardcopy to the Student Bar Association. Nominees will be asked to supply a copy of their resume. Self nomination is not a bar to acceptance in the Society. The deadline for nominations is April 7, 1995.

CAREER SERVICES NEWS

All Students Planning Careers in Patent Law:

Register Now for the Patent Law Interview Program!

Information and registration procedure: Read the following information carefully! The registration deadline is Friday, April 7th.

The Eighth Annual Patent Law Interview Program will be held August 4-6, 1995 at the Marriott Suites Chicago O’Hare Hotel. Over 900 students registered and 54 employers attended last year’s program. Many patent law employers recruit exclusively through specialized interview programs such as this and do not participate in regular fall on-campus recruiting.

Here are the requirements for participating:

1) Patent employers generally hire only those students whose educational backgrounds make them eligible to sit for the patent bar exam. Participation in the Patent Law Interview Program is therefore limited to students eligible to sit for the patent bar exam. Check your eligibility under the U.S. Patent and Trademark Office’s requirements for taking the patent bar exam, available in the Patent Law Interview Information packet at the reception desk in Career Services.
2) The program is only open to students graduating in 1996 and 1997 who are enrolled at Chicago-Kent for the fall 1994 semester.

3) Students who wish to register for the program must sign up on the sign-up sheet in the Career Services Office to receive a Patent Law Interview Program registration packet. The registration material must be completed and returned to the Career Services Office no later than noon on Friday, April 7th.

4) An $18.00 registration fee (payable by check to Loyola Law School) is due with the other registration materials no later than noon on Friday, April 4th. The $18.00 fee covers the mailing, staffing, and photocopying costs for the extensive employer materials that will be sent by Loyola Law School to each registrant during the summer. The fee is nonrefundable if a student decides to cancel participation after April 14. Students who register for the program and pay the registration fee are not guaranteed interviews or job offers through the Patent Law Interview Program.

Please sign up for and pick up the Patent Law Interview Program packet at the Career Services Office reception desk.

Jobathon Continues!

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

THANK YOU

From March 30-April 1 Chicago-Kent College of Law co-sponsored TECHSHOW95 with the American Bar Association. During those three days, over 2,000 attorneys from across the country met at the Sheraton Chicago Hotel and Towers to discuss the latest technology for lawyers. They came from California, Texas, New York, as well as the Midwest. They were senior partners from large firms, solo practitioners, and MIS directors. Chicago-Kent arranged a separate track of sessions focusing on document assembly, artificial intelligence and expert systems. There was a special session, Building Electronic Lawyers in an Electronic Law School, that concentrated on Chicago-Kent's unique position as the leader in integrating technology into legal education.

For the first time, specific Internet sessions were conducted at the law school on Friday afternoon at which the TECHSHOW participants came to learn about Lawyering on the Internet. These sessions were particularly popular and attendance had to be limited. During the Saturday hands-on Document Assembly workshop, many of the TECHSHOW participants visited the law school and experimented with document assembly software. Student volunteers helped to provide tours of the building giving information not only about its construction and resources but also the technology infrastructure available for today and in the future.

Chicago-Kent students took part in the TECHSHOW at the Chicago-Kent Exhibit booth at the Sheraton Chicago, at the Friday Internet workshop, and at the Saturday hands-on workshops. Special thanks go to Monica Shaw, Ellen Berger, Christina Hansen-Dardick, Ray Lemming, Beth Donahue, Art Stone, Larry Mraz, Joan Harrop, Tom Stovall, Arnold Feldman, Tim Engling, Theresa Unkrur, Martin Cordero, Marlene Nelson, Vickie Bensley, Serge Roytenberg, Jason DeVore, Reiko Nakamura, Eugene Kuo, Kyong Lee, Larry Donahue, Joseph Steele, Robert Jolly, Edmund Greenidge, Angel Lezak, Nan Kargahi, and Nick Spiropoulos for their help in meeting the TECHSHOW participants, answering questions about the law school, showing interested people the law school building and the computer labs, and generally making our school's co-sponsorship of the TECHSHOW a complete success. The success of this conference is due, in large part, to the enthusiasm and graciousness of these students.

Evening or day division students who will be graduating at the end of spring or summer term are eligible. We are looking for individuals who have distinguished themselves by outstanding service to their fellow students, their school and their community. If you know of such a person and wish to put forward their name for membership in the Bar and Gavel Society, please prepare a nominating letter which:

1) Provides a description of the particular service or pattern of service, including the amount and quality of time spent. (The degree of the nominee's participation in comparison to their other obligations would be a consideration.)
2) Addresses whether the nominee is receiving some other recognition for the service performed. (Unsung acts are particularly valued.)

3) Discusses to what extent the nominee is motivated to such service beyond any obligation to perform the service.

4) Describes the effect these services had on the reputation of Chicago-Kent.

Nomination letters may be sent via KENTNET to the attention of PSMITH2 or by hardcopy to the Student Bar Association. Nominees will be asked to supply a copy of their resume. Self nomination is not a bar to acceptance in the Society. The deadline for nominations is April 7, 1995.

ORGANIZATIONS

Asian American Law Students Association

The Chicago-Kent chapter of AALSA (Asian American Law Students Association) proudly joins the DePaul, John Marshall, Loyola, Northwestern, and University of Chicago chapters of AALSA in sponsoring a speaker event that features Captain Bruce I. Yamashita, USMC. A Georgetown Law Center graduate, Capt. Yamashita struggled for five years to challenge successfully his discharge from the United States Marine Corps. His case appeared on 60 Minutes in a story that revealed a pattern of racial discrimination and bias in the Marines. A reception for Capt. Yamashita begins at 5:30 p.m. -- the speaker event starts at 6 p.m. -- on Wednesday, April 5, and the DePaul Center, One East Jackson (at State), 11th Floor Cafeteria (North).

Please mark your calendars for CAALSA network-night! Friday, April 14 at Club Cairo, 720 N. Welles, time TBA.

Black Law Students Association (BLSA)

BLSA and the National Lawyer’s Guild, are co-sponsoring a panel on the Crime Bill and its impact on minority communities and the poor, Thursday, April 6, 1995 at 5:15 p.m. in the auditorium. Please plan to attend this important discussion to gain understanding as to how the bill—as currently constructed—could have a very negative impact on these groups. Panelists to be announced; however, Chicago-Kent alum Stan Willis has committed to participate. Reception to follow.

1Ls Kimberly Banks and Symeon Davis were two of the three winners of a national BLSA essay competition for continuing students. Their prize of $500 each was announced Saturday night at the closing banquet of the national convention in Atlanta. The topic was: "Black to the Basics: Lifting as we Climb," which was also the theme of this year’s convention. Each essay will be published in the NBA JOURNAL (Nat’l Bar Assn.).

Please join us for another Bazaar/Foodfest/Lecture on Thursday, April 27, 1995 in the Auditorium. The bazaar and foodfest are all day, the lecture/video: "The Road to Brown" will be shown at Noon and 5:15 p.m. (Viewing time: 50 mins.) It is about the life of civil rights lawyer (and Justice Thurgood Marshall’s mentor and Howard Law professor) Charles Hamilton Houston. The video is also provides
an excellent example of how precedent is used in the American legal system. Please join us for this fun and educational event. Remember: Thursday, April 27, 1995, 10:00 a.m. - 8:00 p.m.

Chicago-Kent BLSA Goes to "Hotlanta"!!!

On Thursday - Sunday, March 16 - 19, 1995, NBLSA held its national convention in Atlanta, Georgia. The delegates were President Helen Paxton Arnold and Vice-President Angela Whitaker. Additionally, the entire Executive Board attended: Hope Gary, secretary; Yvette Hairston, treasurer; Dierdre White, corresponding secretary; and Kisha Rhyne, academic support chair. Also enjoying the wonderful city of Atlanta— which was hosting its Black Expo during our stay—and the convention, were members Helen Glover, Beverly Fisher, Angela Hunt and Tiffany Ricker.

For the delegates, the convention consisted of numerous and long plenary sessions, that were nonetheless very interesting and issue-oriented. One always feels like a member of Congress at these meetings where Robert’s Rules of Order are for the most part, strictly applied.

This year’s convention theme, "Black to the Basics: Lifting as We Climb," reminded us of our obligations to our community at a time when the poor and people of color are experiencing a severe backlash in this country. At the Judicial Luncheon on Thursday, we were thus inspired by a dynamic speech delivered by sister-Judge Thelma Wyatt Cummings Moore. On Friday at the Black Law Institute Luncheon, Atlanta Mayor William Campbell (a proud former BlSA member), spoke to thunderous applause and a standing ovation. Both speakers really hammered away at the convention theme, reminding us that as future Black lawyers, we owe a debt to those who came before us—making our matriculation at the nation’s law schools possible—to bring others along.

Between the plenaries and the inspiring luncheons were some provocative workshops on subjects such as Reparations: A Check Marked Insufficient Funds; Integration: Myth or Reality; and What Does it Mean to Give BACK to BLACK. There were also many fun activities, such as parties, the Barrister’s Ball hosted by Emory University Law School and a reception sponsored by the National Black Prosecutor’s Assn. We (Angela & Helen) heard these were great activities; however, after spending all day and night in plenaries, only to repeat the process the next day, the delegates sensibly went to bed.

Two of the convention highlights are always the National Frederick Douglass Moot Court competition, won this year by Emory University (although John Marshall of Chicago placed 2nd in some of the major categories) and the closing Nelson Mandela Scholarship Banquet on Saturday night. Chicago-Kent was particularly proud because our 1Ls, Kimberly Banks and Symeon Davis, were two of the three winners of the National Sandy Brown Memorial Essay Contest for continuing BLSA members. They will each receive a $500 prize and their essays will be published in a future edition of the NBA (NATIONAL BAR ASSOCIATION) JOURNAL. So, as at our regional convention in February, Chicago-Kent BLSA continues to place our school in the limelight.

Just so you won’t feel too sorry for the delegates, the final plenary session ended at 2:00 p.m. on Saturday afternoon, and FINALLY there was time to get out and truly enjoy Atlanta. This was also the first really beautiful day weather-wise. Sadly, there was one mishap: at the party following the closing banquet on Saturday night, Helen Arnold danced non-stop until 2:00 a.m. Full recovery from her night of hanging out with 25-year-olds is expected by the time we return from Break.

The Jon Simmons Memorial Fellowship Committee

As most of you know, Jon Simmons ’94, was murdered last October. In addition to being a respected and well-liked member of the law school community, Jon was also committed to public service and believed the law could be a positive force of change in society. In memory of Jon, GayLaw and KJF have joined forces to establish a summer public interest fellowship in his name. This new fellowship will be awarded annually in Jon’s name to a Chicago-Kent student who spends the summer working in the public interest law field.

In an effort to raise funds for this new fellowship, we will be selling ANN SATHER’S CINNAMON ROLLS in the Spak every Monday until the end of the semester. Stop by and enjoy these famous cinnamon rolls for only a dollar and help us out in our effort to establish this new fellowship.

Anyone interested in helping the Fellowship Committee in our fundraising efforts, or interested in making a tax-deductible donation to the fund should contact JWIBBELS, KOBRIEN or STROESTER.

IS OUR CRIMINAL JUSTICE SYSTEM RACIST?

Confront the Statistics:

A Black man is 7 times more likely to go to prison than a white man.

One out of four African American males will go to prison in his lifetime.

The incarceration rate for Black people in the U.S. is 5 times the incarceration rate for Black people in South Africa.

It costs more to send a person to prison for a year than to Harvard University for a year.

In the face of these facts, legislatures appear to prefer spending more money on creating more prisons, and spending less on preventive measures.

Please join us for a forum on racist imprisonment to explore these issues and more.

April 5, 5:15-6:30; Auditorium; A reception will follow.

RE: CRITICAL INFORMATION REGARDING: FINANCIAL AID AND MERIT-AND-NEED-BASED SCHOLARSHIPS

The time of year has arrived for you to begin the process of applying for financial aid for the 1995-1996 academic year. Please take note of the calendar of important dates below; I suggest that you save this memo for future reference. Your financial aid, whether a loan and/or a merit-and-need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. The application packets can be obtained in the Office of Admissions and Financial Aid, Suite 230.

Please note that the Monday, April 3, 1995 deadline is the first day after spring break (the dates for spring break are March 25, 1995 - April 2, 1995). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid no later than Monday, April 3, 1995.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By April 3

1. The Free Application for Federal Student Aid (FAFSA) should be received by the processor no later than Monday, April 3, 1995. A preaddressed envelope is enclosed in the FAFSA booklet. Plan to mail it in sufficient time to meet the deadline.

2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid, Suite 230, no later than Monday, April 3, 1995. All sections of the application must be complete in order for them to be accepted.

NOTE: Monday, April 3, 1995 is a strict deadline. This deadline is the cut-
off date for determining the allocation of merit-and-need-based scholarships.

By May 15

1. After you file the FAFSA, you will be sent the Student Aid Report (SAR). All pages of the SAR should be in the Office of Admissions and Financial Aid by Monday, May 15, 1995, even though it will say that you are not eligible for the Pell Grant (Pell Grants are for undergraduates only). Be sure to complete the Student's Use Box on the back of page one of the SAR.

Corrections: If you need to make corrections to your SAR, please call the Office of Admissions and Financial Aid at (312) 906-5180 because our office may be able electronically correct the errors.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Statement, which are available in the Office of Admissions and Financial Aid. If you are selected for Verification, our office will automatically send the Verification Worksheet upon receiving your Student Aid Report (SAR). These materials and your SAR must be returned before a financial aid award will be determined for you.

By June 30

1. You are expected to turn in student loan applications from the lender of your choice by June 30. Loan applications for Law Access, LAWLOANS, Chase Manhattan, and any Illinois bank are available in the Office of Admissions and Financial Aid, Suite 230. However, the office has a limited supply of applications so it is best to contact your lender directly to obtain the necessary application.

2. You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid within three weeks of the date printed on the letter.

We are ready to help if you need assistance--just call the Office of Admissions and Financial Aid at (312) 906-5180.

Thank you for your cooperation. Continuing students are eligible to receive both need-and-merit-based and merit-only scholarships. Merit-only scholarships do not require a financial aid application. If you are only interested in these merit-only scholarships, you do not need to apply for financial aid. However, if you want to be considered for need-and-merit-based scholarships, then you must complete all of the financial aid forms, even if you are not planning to take out student loans. Need-and-merit-based awards constitute a larger dollar amount than merit-only awards.
LAW OFFICES
FALL REGISTRATION FOR IN-HOUSE PROGRAMS

FALL 1995 APPLICATIONS ARE NOW AVAILABLE IN ROOM 600
DUE NO LATER THAN THURSDAY, APRIL 13

Students who would like to learn how to practice law while they are in law school should apply for the in-house clinical education program, LAW OFFICES. Applications are now available for the fall. The fall applications are due no later than April 13.

Students may apply for Law Offices after they have completed their first year of law school (current first years may apply for the fall 1995 semester). To be considered for a place, ALL students must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the April 13 deadline.

Students who have previously taken, who are now taking Law Offices, or who will take Law Offices during the summer 1995 semester (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference in their same practice group if availability permits. Next, priority will be given to the top ten students on each first choice waiting list who did not turn down a place for Fall 1995, who were on the waiting list in the division they have marked as first choice, and who submitted their spring application by the due date. New students who have submitted their applications by the due date will be selected in the Law Offices lottery. The total number of available places during the fall semester is dependent upon the number of supervising attorneys in each practice group. The number of available new places is dependent upon the number of continuing students and has not yet been determined.

The in-house program is comprised of two components. One is a three credit fieldwork class graded on a pass/fail basis in which students work in practice groups on client cases or similar projects assigned to them by a supervising attorney. The fieldwork component also includes practice group lectures, supervising attorney conferences, section meetings, and various client interview experiences. The other is a graded classroom component for one credit.

There are six in-house practice groups from which to choose - employment discrimination/civil rights with some general practice, criminal defense, commercial litigation, transactions (non-litigation), immigration, and tax (prerequisites are Personal Income Tax and Tax Procedure). This
year we are offering two additional practice groups with funding from a Department of Education grant - Health Law, and Mediation & Other ADR Procedures. If the grant is funded for a second year, these two practice groups will be offered in the fall semester.

For more information, you may talk to the clinical professors who supervise the various practice groups - Professors Gonzalez (Rm. 629), Norton (Rm. 623), and Schwartz (Rm. 611) for employment discrimination/civil rights with some general practice; Professors Kadish (Rm. 613), Kling (Rm. 625), and Thomas (Rm. 609) for criminal defense; Professor Smith (Rm. 690) for commercial litigation; Professor Lemberis (Rm. 688) for transactions (non litigation); Professor Benítez (Rm. 627) for immigration; and Professors Brown (Rm. 615) and Livingston (Rm. 694) for tax. Professor Laser (Room 631) is also available to answer your questions.

Clinical Classroom Courses

The final exam for all clinical classroom courses is on July 18 at 3:00 p.m. Classroom courses may be graded by use of simulations and/or papers in addition to or in lieu of a final exam.
FACULTY CURRICULAR SUGGESTIONS

A survey was distributed to the full-time faculty asking the following two questions:

(1) In your opinion, which elective courses should every student take, regardless of his or her particular areas of interest.

(2) If a student is interested in specializing in a particular substantive area, which elective courses should the student take.

The responses are set forth below.

TENURE-TRACK PROFESSORS

Lori Andrews  Office: 743  Extension: 65359

"Of the listed courses, there are none that I feel all students absolutely must take. Students interested in specializing in health care law should take the Health Care Law class. The additional courses they take would depend a lot on what their future plans are. For those who want to work in hospitals, corporate law issues would be important. For those who want to be involved with pharmaceutical companies, patent law would be important. I think rather than trying to develop an all-purpose list for health law students, it will be important for me and other faculty members teaching in this field to make it clear that we are available to help students choose courses that fit their interests."
