The articles in the PTAB Bar Association section comprise the official Law Journal of the PTAB Bar Association, a collaborative effort of the Chicago-Kent Journal of Intellectual Property and the PTAB Bar Association. The Association selects articles from authors in its membership to be edited and published by the staff of the Journal. The Association and the Journal seek insightful and scholarly articles that advance the field of intellectual property and practice before the Patent Trial and Appeal Board of the United States Patent and Trademark Office. The views expressed in these articles do not represent the official views of the Association, the Journal, or Chicago-Kent College of Law.
