UNDERGRADUATE NEWS

ROUND TABLE

The Round Table has been exceptionally fortunate in having unusually fine speakers for the last three meetings. Judge William Holly, recently appointed to the Federal Bench, was present at the January meeting and told some of his experiences in practice and of his work on the Practice Act.

At the February meeting the members were given a birds-eye view of the subject of Patent Law and its practice by Mr. Arthur A. Olsen, well-known patent lawyer who is practicing in Chicago. In March, the membership was honored with the presence of Judge Daniel P. Trude, of the Circuit Court, who discussed the various problems confronting a judge under the present system.

The Round Table is pleased to announce the election of the following members, on the basis of their scholarship standing: Gardner Abbott, J. W. Cavanaugh, H. W. Dutton, N. T. Leiber, Paul Matthews, E. L. Moore, J. R. Peterson and R. C. Swander.

DELTA THETA PHI

Through the graduation at the mid-year of Brother Donald G. Rowley, Webster Senate lost a loyal active. He expressed his intention of taking the March bar examination, and if our earnest wishes have any potency, he should come through with flying colors.

A number of promising men now wear the green and white pledge shield: R. C. Moore, A. L. Borah, John Keith, C. O. Wies, F. J. Roach, J. M. Killen, and J. B. Stevens. It is readily apparent that the membership, augmented, in due course, by these men, will be in a favorable position next year.

Some very interesting meetings have been enjoyed lately at the Great Northern Hotel, where we have been gathering jointly about every second Friday with McKenna Senate of the Loyola Law School. At a recent meeting we were favored with a visit from brother Harold P. O'Connell, Judge of the Municipal Court, who informally discussed some of the problems in the Boys court, the Morals court and the Felony court. We understand that Judge O'Connell's name will be on the ballot in the April elections, and regardless of individual party affiliations, we wish him success.

A joint smoker with McKenna, Douglas and perhaps Warvelle and Wigmore senates is planned for April.

PHI ALPHA DELTA

On January 20, 1934, Blackstone Chapter participated in the nation-wide celebration of the Thirty-second Anniversary of Phi Alpha Delta Law Fraternity. The seven Illinois Chapters joined at the Drake Hotel in a formal dinner and dance. Sixteen radio stations covering the United States broadcasted various commemorative ceremonies. Brother Allan T. Gilbert, National Justice and Brother Dwight H. Green, United States District Attorney, addressed the members from station WMAQ.

The chapter announces the graduation, last January, of two of its members, Clement H. Vig and James W. Collins. Mr. Vig will not take the March bar examination, as he may go abroad on business. This year, Brother Hervey Dutton and Brother Richard C. Swander were elected to the Round Table.

Blackstone announces the initiation into Phi Alpha Delta of the following men. Walter F. Born, Edwin G. Carpenter, Hervey Dutton, Frank Kupfer, William Kupfer, Charles G. Nichols, John O'Brien, W. W. Reynolds, Joseph K. Clark and J. Meyer Holland.

PHI DELTA PHI

Fuller Inn wishes to announce the initiation of the following men: J. Andrews, P. J. Chittenden, G. E. Hall, J. R. Lenfesty, H. MacDonald, P. E. Matthews, E. L. Moore, J. L. O'Keefe, H. Reck, J. F. Sokal, A. N. Thyfault, R. F. Webster, and L. Whidden. These men were welcomed into the Inn at the Annual Banquet given at the Hotel Sherman.

At a recent meeting, the following men were elected to office for the ensuing year: J. W. Gorby, Jr., Magister; W. W. Speer, Jr., Reporter; J. E. Gubbins, Clerk; J. B. Moore, Historian. The new administration promises an increased effort to make contact with the alumni, and to make the smokers more educational as well as entertaining.

KAPPA BETA PI

Alpha Chapter held its regular January meeting at the home of its Chancellor, Ellen H. Dearmont, at which time plans for rushing were made. It was decided that the requisite scholastic standards for admission should be maintained. The first Rush-

ing Party of the year was held at the home of Agnes M. Kasper, Dean of the Chapter, on February 17th, and the second Rushing Party was held at the home of Anne G. Carter, Associate Dean, on March 17th.

Alpha Chapter was pleased, but not at all surprised, to learn of the appointment of Phyllis M. Kelley, one of the founders of Kappa Beta Pi, as an Assistant to the Judge of the Probate Court. This is the first time that the post has been held by a woman.

Alpha Chapter is also pleased to announce that Mary Arthur, '32, has been appointed First Assistant Tax Attorney of the Pullman Company. Miss Arthur was formerly Secretary to the head of the Law Department of the Pullman Company, Mr. Robert Kelly. The post which she now occupies adds her to Alpha's famous "firsts," this being the first time the position has been held by a member of the fair sex.

Alpha Chapter also takes this opportunity of extending congratulations to its distinguished sister Florence Allen of Cleveland, who has been recently appointed to the bench of the Circuit Court of Appeals by President Roosevelt. Judge Allen was formerly an incumbent of the bench of the Supreme Court of Ohio.

On February 6th, Alpha joined with the other Chicago chapters of Kappa Beta Pi in doing honor to another distinguished member of its group, Dr. Cosette Faust-Newton, at a dinner at the Medina Athletic Club. Dr. Faust-Newton delivered an interesting address on "The Philippines." Mrs. Jean Smith Evans, Zeta, Grand Registrar, was the official hostess.

Two members of Alpha Chapter became full-fledged attorneys at law in February when they received their licenses from the Supreme Court; they are Sylvia Zelden and Sara Liebenson Kamin, both of whom successfully passed the November bar examination.

Not exactly in point with matters of legal achievement, but an achievement none the less, is the fact that the University of Illinois has recently awarded a B. S. degree to Ellen H. Dearmont. In her thesis, Mrs. Dearmont identified Leatherstocking, the hero of James Fenimore Cooper's "The Prairie" with the pioneer, Daniel Boone, and her work in this regard is considered a valuable addition to the work which has already been done on American Literature. Mrs. Dearmont received a B. S. from the Missouri State Teachers' College at Cape Girardeau, and an M. A. in English from Columbia University.

ALPHA SIGMA IOTA

Alpha elected the following men as officers of the chapter: Chancellor, Herbert F. Kent; Vice-Chancellor, Nathen K. Footlik; Sergeant-at-arms, Robert Katz. The following men continue in office from last term: Master of Rolls, Maurice Sherman; Master of Finance, Charles Schy.

Alpha announces the initiation of the following members on February 23, 1934: Joe Benson, Sam Cohen, Irwin Glickman, Arthur Gomberg and Leo B. Fisher. The initiation and celebration was held in the Joseph Urban Room in the Congress Hotel.

A smoker took place at the Bismark Hotel on March 9, 1934. Past Master-in-Chancery Archie Cohen gave an interesting talk on "Fraternalism." A large number were present and everyone was impressed with the spirit of the members.

Brothers Adler, Denenberg, Echt and Gordon are impatiently awaiting the result of their efforts in this March bar examination. We know that they will keep up the precedent long established by Alpha and succeed in passing the examination at the first attempt.

The National Convention of the fraternity will be held at the Standard Club in Chicago on March 25, 1934.
