That can’t be taken away without the spouse’s consent. A nonspouse beneficiary does not have those rights. If we had same-sex marriages, domestic partners would have those protections against disinheritance or forgetfulness by employees."

Eglit said many workers who have been discriminated against don’t sue because of the time and money involved. "(One of the men, Dennis Williams) will need to show some calculated effort by law enforcement to convict him or not follow other leads. He may be able to do that. The reward could be whatever figure a jury feels is appropriate."

She was also interviewed by the Chicago Sun-Times, WMAQ-AM and WNUA-FM. In an article in the Chicago Daily Law Bulletin, Prof. Andrews said the story of the former Black Panther who spent more than two decades in the California prison system appealed to her "as a legal story because in some sense it shows how the law runs amok. I saw him as a victim of the law. He’s ultimately vindicated, but it takes half of his life. The law played a much different role in his life than what I confronted in law school." Andrews also appeared on the Ed and Ty Show on WJJD-AM and on Wisconsin Public Radio.

Prof. Marc Kadish was quoted in the Dallas Morning News about the popular appeal of author-attorney John Grisham’s books. The article was reprinted in August in the St. Louis Post-Dispatch.

FROM CAREER SERVICES

Fall On-Campus Interview (FOCI) Program

Curtis, Morris & Safford

The New York law firm of Curtis, Morris & Safford will be in Chicago on September 30 and would like to interview Chicago-Kent students. If you are a 2L/3L/4L with a technical background in biology, chemistry, electrical engineering or chemical engineering and are in the top 20% of your class, please submit a resume and completed fall on-campus interview packet (if you have not already done so) to the Career Services Office by Tuesday, September 25, at 5:00 pm. You will be notified by e-mail if you receive an interview.

Callbacks and Offers

Please let us know how you are faring in the program! E-mail SCHU or LABRAMS and tell us about any callbacks or offers you receive. This includes 3Ls and 4Ls receiving offers from their summer associate employers. Please let us know!

Thank you notes

As interviews get underway, students frequently ask us if they need to send thank you notes to on-campus interviewers. You should not send notes after on-campus interviews, but, may wish to send well-written notes after call-backs or initial interviews in an employer’s office. In the words of one of the speakers at the Interview Tips program, "a thank you note can do more harm than good if it is poorly written or identical to the one you send each interviewer."

For more information about content, number and timing of thank you notes, pick up the information sheet on the subject from the handout racks in the Career Services Office.
New Policy for Missing an Interview

Please remember to talk to Lisa Abrams or Stephanie Rever Chu if you have an emergency which will prevent you from attending an interview scheduled through the fall on-campus program. Also, if you are accepting a job offer, let Lisa or Stephanie know so they can cancel the remainder of your on-campus interview schedule.

Last year, several students missed interviews because they simply forgot about the date or time. Interviewers become very irate when a student doesn’t show up, and sometimes they refuse to participate in the program in future years. Please help us make sure this doesn’t happen again this year!

As a result of last year’s problems, Assistant Dean Lisa Abrams has instituted a new policy, effective immediately: any student who misses an interview for reasons other than an emergency will not be permitted to participate in the remainder of the program. Thanks for your cooperation with this policy.

The career fair is on October 18 at Bender Arena on the campus of American University. One on one interviews will be scheduled in advance and take place from 8:00 am until noon. Upcoming Programs

Judicial Externship Informational Meeting for Spring 1997 Semester

Informational Meeting

The Judicial Externship program is open to second and third year students with a minimum 3.3 grade point average. On Wednesday, September 25, 1996, at 3:00 pm in room 520, there will be a meeting for all students who are interested in externing for a federal appellate, district, or bankruptcy judge or magistrate for the Spring 1997 Semester. Professor Vivien Gross will describe the kinds of experiences a judicial extern will have in the course of a semester, as well as
how to apply. If you are interested in a judicial externship but are unable to attend the meeting, please see Professor Gross in room 617.

A judicial externship enables the student to become involved in particular legal problems through research and writing, and to contribute in the resolution of those legal problems. Depending upon the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge and the judge’s law clerk those legal problems which attorneys face in their profession, and the specific problems which attorneys confront in their courtroom. Take advantage of this wonderful opportunity!

Application Process

The applications for Spring 1997 Judicial Externships will be available in the Law Offices Reception Area as of Monday, September 23.

Completed applications should be submitted to Ms. Carole Ross, Secretary to Professor Gross, room 612, Law Offices, by Wednesday, October 9, 1996 at 5:00 pm.

JUDICIAL GROUP REJECTS PLAN TO END SMALL JURIES

The Judicial Conference of the United States, which sets policy for federal courts, has voted down a proposal that 6-person juries no longer be allowed in civil damages lawsuits. Six-person juries have been allowed since 1973. Some law professors and corporate defendants wanted a return to 12-person juries as the norm, while district court judges wanted to continue with 6-person juries because they save money. The plaintiffs’ bar tends to favor smaller juries because there may be fewer people to convince. The conference is still studying the issue of whether it will continue to require that verdicts be unanimous. This development was reported in the Wall Street Journal September 17 and 18, 1996. The newspapers are available in the leisure reading section on the 6th floor of the Information Center.

HOLIDAY HOURS

The Information Center will be open regular hours, Monday, September 23, even though there are no classes scheduled.

FRIENDS AND FAMILY

Saturday, September 28, is Chicago-Kent’s Friends and Family Day. Please be sure to bring them to tour the Information Center. We will be open our regularly scheduled Saturday hours 9 am - 8 pm.

During lab hours, Westlaw Student Representatives can be found in lab 700 or at the tables just outside of lab 700. Please feel free to e-mail us at CBROWN, MAMBROZI, or WESTQ if you have any questions or would like to set up an appointment. Remember, 24 hours a day, 7 days a week you can reach a WESTLAW Reference Attorney at 1-800-850-WEST.

Westmate 6.1

If you haven’t already picked up the new version of Westmate, it is available at the 9th floor library reference desk. Experience the joy of scrolling through documents, researching without typing command codes, and much more.

Field Searching Tips

One of the most powerful and easy to use Westlaw is by field searching. With this method you can restrict your queries or what you are viewing to only certain parts of documents. Two examples follow:

Let’s say you’ve got some case cites you may need but you don’t have time to read them on line and don’t want to print them all to read later. Once you’ve retrieved the case, let’s say 410 US 113 or any case of your choosing, you can use the browse function to limit what you see or print by fields such as the cite (CI), title of the case (TI), the synopsis (SY) and the headnotes (DI) and print these summaries to read later.

Another way to use field searching is for interviews. If you want to know what your interviewing attorney has worked on lately, go into the database that corresponds to their field such as CTA7- ALL for 7th Circuit Federal and State Cases or IL-CS-ALL for all Illinois state and federal cases. Then restrict your search to the attorney field and put a date restriction on it such as:

AT("name of the attorney") & DA(AFT 1995)

This will pull up all cases in which your attorney was listed after 1995.

SPECIAL NOTICES

ADVANCED EXTERNSHIP PROGRAM SPRING 1997
Third Year Students Only:

Do you wish to develop your legal skills, gain practical legal experience in a specialized area of law with a corporation, firm or government agency, and make yourself more marketable to prospective employers upon graduation? If so, consider applying to the Advanced Externship Program for Spring Semester 1997.
The Advanced Externship Program is a 4-credit hour program consisting of a 3-credit hour fieldwork and a 1-credit hour classroom component. The program is open to students in their last two semesters of law school. For the fieldwork component, an extern is placed in a private or public, civil or criminal practice and is required to work a minimum of 15 hours a week at his/her designated placement. Externs interested in civil law may select to work under the supervision of general counsel in major corporations or under the supervision of designated teaching lawyers in well-known firms or specific government agencies. Externs may specialize in such diverse legal areas as tax, commodities, securities, corporate, health care, medical malpractice, general corporate law, etc. Those interested in criminal law may select to work with designated supervising lawyers at the States Attorney’s Office, Public Defender’s Office, or the U.S. Attorney’s Office. Many externships offer the externs opportunities to obtain a 711 license and appear in court.

The accompanying classroom component consists of a 1-credit hour weekly class, which focuses on the profession and practice of law today.

If you are interested in learning more about externship opportunities or in applying to the program, please see Professor Vivien Gross in room 617.

More information about the program and an accompanying application form will be available in the Law Offices Reception Area as of Monday, September 30, 1996. Applications must be turned in to room 612 by 5:00 pm on Friday, October 18. All applicants must have scheduled and completed an interview with Professor Gross prior to turning in their applications. Slots may be limited. Should extern applicants outnumber the number of students who can be accepted into the program, students with at least one semester of Law Offices or LADR (Law Alternative Disputes Resolution program) will receive preference.

EVENING LAW STUDENT SOCIETY

Hello everyone! ELSS has board positions open; please contact Jeanette Sanniola (JSANNIOL) if you are interested or have questions.

We still need a Treasurer and two (2) Representatives from each year. Duties include: attending meetings (probably one per month), helping to organize events, keeping your section informed about ELSS activities and keeping ELSS informed about your section.

IMPORTANT! Please find attached to the Record a survey FOR EVENING STUDENTS ONLY! Please fill it out (it'll only take you a minute) and return it to the ELSS mailbox (#169 on the second floor) by October 11.

ELSS is an organization that is committed to addressing the concerns of evening students. In order to do this, we need to know what YOUR concerns are. This survey will assist ELSS in planning its activities/issues to address for the coming year. Thanks! Have a nice evening!

We will also be showing the American History School Rock cartoons.

PHI ALPHA DELTA

PAD will set up a table in the Spak (3rd Floor) this Wednesday and this Thursday from 11-1 (for our day friends) and again from 4-6 (for our night friends). Any questions about applications, outlining sessions, night student concerns, committees, etc. will be answered. Or just stop by and say “Hi.”

Everyone who is interest in participating on a committee should contact Adam (AWEISS). We are looking for both committee chairs and members. The time commitment is very flexible and the experience looks good on a resume. We will announce a meeting for the committee placings, but it would help if all those interested e-mailed Adam. The available committees are:

- Philanthropy
- Wine & Cheese
- LRE
- Academic Resources
- PR Representatives
- Alumni Liaisons
- Project Coordinators
- Speaker Events
- Social Chair Members

PAD’s tentative calendar is set. Please mark your personal calendars with the following events:
Sept. 24 (Tues.) - noon - OUTLINE SESSION -- We will be holding a seminar regarding how to outline for finals. We will have an expert briefly show you the ins and outs of writing the perfect law school outline. At the end of the hour, we will collect a copy of your classes and professors and then e-mail already-prepared outlines to each of you. These are a great way to supplement your studying. All of you should have received an e-mail about this, which details the time and room number. Only paid members can attend, and we will provide applications at the seminar.

Sept. 27 (Fri.) - MANDATORY INITIATION -- This is for all paid members who have not initiated before (this means you, 1Ls). The district-wide initiation will take place at the Dirksen Fed. Bldg. Afterwards, we will have an INITIATION PARTY at Lakeview Links. It is optional, will run from 8 pm-12 am, and includes all drinks and games. The cost is $10 for the party; the initiation is, of course, free.

Sept. 29 (Sun.) - AIDS WALK 7 -- PAD will be forming a team to participate in AIDSwalk 7. For details about the fundraiser e-mail Peggy (MZILLIGE).

Oct. 23 (Wed.) - JUDGES NIGHT -- This event gives everyone an opportunity to meet practicing attorneys and judges. It will be held at DePaul (1 E. Jackson, 11th Floor) from 5 pm -7:30 pm. It costs $7.50 for PAD members (non-members are not invited).

Oct. 26 (Sat.) from 9:30 am - 1:30 pm - INTERNET SEMINAR -- Again, this is at DePaul and will show you how to do legal research over the Net. The cost is $10 for members, $20 for non-members who RSVP, and $25 for non-members who don’t RSVP.

Oct. 31 (Thurs.) - SCHOLARSHIPS -- Applications for $500 scholarships are due. The winners are chosen by PAD Nationals.

Dec. 12 (Tues.) at 5:30 pm - FORMAL DINNER -- This is a PAD formal at LaRosetta (3 First National Plaza). It is black tie optional and will cost between $35 and $40.

**Please note** I know that a lot of these event cost money, but those are only the ones that are district-wide, which our chapter is not planning. Since we do not run these events, we have no control over the costs. Feel relieved, however, we will still plan FREE parties for our chapter. The dates and times just aren’t set yet.

Contact Adam (AWEISS) or (PADQ) with any questions.

WOMEN IN LAW

Elections: Are you looking for a way to be more involved? The positions of Co-Vice President (Day Division), Treasurer and Secretary are open to all upperclass WIL members and a 1L Representative pos. open to 1L WIL members. Interested candidates should have their platforms (brief) in the Women In Law mailbox by 5pm on Friday the 27. Elections will be held during the week of the 30th. You must have paid your $5 membership dues in order to run or vote for office. Fortunately, we’ll be accepting new memberships at the polls so there is no excuse not to participate! If you have any questions about the election, please e-mail either CRUNNELS or RDONEGAN.
Walk for Hope Against Breast Cancer: Every 3 minutes a woman is diagnosed with breast cancer. Every 12 minutes a woman dies of breast cancer. 2.6 million women have breast cancer, yet 1 million are unaware they have it. In 1996, 45,000 women will die from breast cancer, and as many as 180,000 women will be diagnosed with breast cancer. But there is hope. On Sunday October 13, from 10 am -12:45 pm, the City of Hope organization is sponsoring a fitness walk to raise money for breast cancer research. Registration begins at 9:00 am. The walk is 5 miles (with an option for 6.2 miles). Participants must raise a minimum of $25 in contributions. This is a "flat fee" contribution and not a "per mile walked" one. The event will be held rain or shine. Anyone interested in participating should e-mail RDONEGAN. Look for more information posted on the WIL bulletin board.
