FROM ASSOCIATE DEAN HOWARD CHAPMAN

Required Curves and the Pass/Fail Election

As previously announced in the Record, the faculty adopted a required curve for all elective courses in which at least 25 students are enrolled, which becomes effective this semester. The mandatory curve for required courses and the curve for elective courses are attached to this Record. A list of elective courses with at least 25 students enrolled which will be subject to the required curve is also attached.

The SBA recommended to the faculty that students be given another opportunity to make pass/fail elections for the current semester. Because the deadline for electing pass/fail was only four days after the notice of the required curve appeared in the Record, the faculty agreed to open the pass/fail election period for one week.

You may elect to take an elective course on a pass/fail basis by submitting two copies of a pass/fail election form to the Registrar’s office between October 14 and October 18 by 5:00 pm. The 6-hour maximum for elective pass/fail hours and other pass/fail restrictions will remain in effect; please refer to Handbook § 2.4. If a new election will put you over the 6-hour limit, you must submit a revocation of election form for a course you are currently taking under a pass/fail election. We already permit students to revoke a pass/fail election and elect to take a grade in a course up to the last day of the semester.

Indiana Bar Exam Requirements

Before this year, Indiana required students to take several specific courses in law school to qualify to take the Indiana bar examination. They repealed this provision and the only course now required is Professional Responsibility, which is a Chicago-Kent degree requirement.

The CALI award has replaced the AmJur award in more than 100 law schools.

FROM THE REGISTRAR

Change of Division

If you want to change divisions for the Spring semester, submit a Request to Change Divisions form to the Registrar's office by Friday, October 11, 1996. Students who change divisions will have the lowest registration priority within their starting date group for the Spring, 1997 registration. First-year students may not change divisions until they have completed one full year of law study.

Computer Exam Sign-up

Students who want to use a computer for their final exam may sign up in the Registrar's office beginning today. A list of instructors who will permit the use of computers for their final exam is posted on the second floor bulletin board. The deadline to sign up is Thursday, October 24.

If there are not enough computers to accommodate all students, some instructors will not permit any of their students to use computers, while others permit a lottery to select the eligible students. The order in which you sign up is not relevant; all students who sign up by the October 24 deadline will be treated similarly.

First Year Students - Undergraduate Transcripts

Registration for the spring semester will begin during the week of November 4. You will not be permitted to register unless a final official transcript from your undergraduate school is in your law school file. If your transcript has not arrived yet, you must request your undergraduate school to send a final official transcript directly to the Registrar's office as soon as possible.

Chicago-Kent Advanced Externship Program

Spring 1997 Advanced Externship Program: 3L’s

Do you wish to develop your legal skills, gain practical legal experience in a specialized area of law with a corporation, firm or government agency, and make yourself more marketable to prospective employers upon graduation? If so, consider applying to the Advanced Externship Program for Spring Semester 1997.

The Advanced Externship Program is a 4-credit hour program consisting of a 3-credit hour fieldwork and a 1-credit hour classroom component. The program is open to students in their last two semesters of law school. For the fieldwork component, an extern is placed in a private or
public, civil or criminal practice and is required to work a minimum of 15 hours a week at his/her designated placement. Externs interested in civil law may select to work under the supervision of general counsel in major corporations or under the supervision of designated teaching lawyers in well-known firms or specific government agencies. Externs may specialize in such diverse legal areas as tax, commodities, securities, corporate, health care, medical malpractice, general corporate law, etc. Those interested in criminal law may select to work with designated supervising lawyers at the States Attorney’s Office, Public Defender’s Office, or the U.S. Attorney’s Office. Many externships offer the externs opportunities to obtain a 711 license and appear in court.

The accompanying classroom component consists of a 1-credit hour weekly class, which focuses on the profession and practice of law today.

If you are interested in learning more about externship opportunities or in applying to the program, please see Professor Vivien Gross in room 617.

More information about the program and an accompanying application form will be available in the Law Offices reception area as of Monday, September 30, 1996. Applications must be turned in to room 612 by 5:00 pm on Friday, October 18. All applicants must have scheduled and completed an interview with Professor Gross prior to turning in their applications. Slots may be limited. Should extern applicants outnumber the number of students who can be accepted into the program, students with at least one semester of Law Offices or LADR (Law Alternative Disputes Resolution program) will receive preference.

NEWS FROM THE CENTER FOR LAW AND COMPUTERS (CLC)

Virus E-mails and Chain Letters
There is no virus called "Good Times." Viruses are not passed through e-mail messages. The
only virus is the "chain letter" of the warnings spreading and taking up space. And on that note, please do not send electronic chain letters to anyone. Chain letters of this type take up valuable network space.

**Connect your Notebook to the Network**
The CLC can help you configure your notebook computer for connection to KENTNET. To connect your notebook, you will need a 10Base-T Ethernet adapter and cable. If you want to connect your notebook computer to the network while at school or if you have other notebook computing problems, please see Melissa Mooney in Lab 700. If she is not there, sign up for an open appointment slot. Sign-up sheets are on the wall next to Melissa’s desk.

**This Week’s Tutorials: Using Folio VIEWS**

**Folio Basics,**
Thursday, October 10, 12:50-1:50 pm and Friday, October 11, 3:00-4:00 pm
Folio VIEWS is part of your LEXIS-NEXIS package this year. In this session, we will cover basic VIEWS hypertext research and text-retrieval tools. You will learn how to create a VIEWS file from a word-processing document or a downloaded research file and how to create basic hypertext links to make your papers and research easier to use.

**Advanced Folio Research Tips and Tricks,**
Thursday, October 10, 12:50-1:50 pm and Friday, October 11, 3:00-4:00 pm
This session covers advanced topics like creating a single VIEWS file from several sources, optimizing your online research by using VIEWS infobases, and linking information in several separate infobases.

Sign up for either session in room 703.

**Word Processing Tip: § and ¶ Symbols**
Here’s how to produce these special symbols in WordPerfect 6.1 and Word 6.0 for Windows:

**WordPerfect 6.1:**
- Press Ctrl W. A dialog box will appear with the Iconic Symbols character set showing.
- Click the button labeled Iconic Symbols. A pull-down menu will appear.
- Select Typographic Symbols. A new character set will appear in the Characters box.
- Click the § symbol or the ¶ symbol. A dotted box will appear around the character.
- Click the Insert and Close button. The symbol will appear, and the dialog box will close.
- Save time by entering the character numbers in the Numbers box. The § symbol is character 4,6. The ¶ symbol is character 4,5.

**Microsoft Word 6.0:**
- Click Insert on the menu.
- Click Symbol. The Symbol Dialog Box will open.
- In the Font box, select (normal text).
- Click the character you want with the mouse.
- Click Insert.
- Save time by pressing the Alt key and entering the character number. The § symbol is Alt 0167. The ¶ symbol is Alt 0182.

More info (and more symbols) are available in the Special Symbols HelpDoc available in Lab 700 or the CLC offices on the seventh floor.
Cutting and Pasting with Folio VIEWS

If you have tried to paste text from WordPerfect 6.1 or 7.0, or from Microsoft Word 6.0 or 7.0, you have noticed all you get is a snapshot (image) of the text that you can’t use like regular VIEWS text. Here are two ways to avoid this problem:

* Paste Special allows you to paste the text into the document as unformatted text. Unfortunately, this strips any formatting (bold, italic, indentation, etc.) you may have done. To avoid this problem, Insert at Cursor allows you to import text from any word processor. Just cut (or copy) the text you want to import, and paste it into a new word processing document. Close the document, and use File | Open with the Insert At Cursor option checked in VIEWS.

**THIS WEEK’s LEXIS QUICK TIP:** Legislative history research

One of the most important things to be aware of when conducting legislative research is the potential to be viewing documents that have been updated by recent legislative activity. LEXIS assists you with this problem by placing a LEXIS LINK MARKER at the beginning of the statute section if there is a recently passed public law that updates the statute you are looking at. You can access the update by activating the link marker or typing in the applicable link command (i.e. =1). For those statutes or sections that do not have link markers, you can run a subject search in the PUBLAW library to cover the most recent time period.

WESTLAW

Westlaw representative lab hours for the week of October 7th are as follows:

| Monday: 3:00-5:30 | Michael Ambroziak | Thursday: 4:00-7:00 | Michael Ambroziak |
| Tuesday: 6:00-9:00 | Michael Ambroziak | Sunday: 6:00-10:00 | Michael Ambroziak |
| Wednesday: 3:00-5:30 | Michael Ambroziak |

During lab hours, Westlaw Student Representatives can be found in lab 700 or at the tables just outside of lab 700. Please feel free to e-mail us at CBROWN, MAMBROZI, or WESTQ if you have
any questions or would like to set up an appointment. Remember, 24 hours a day, 7 days a week you can reach a WESTLAW Reference Attorney at 1-800-850-WEST.

Latin American News

If you speak Spanish and are looking for an alternative source of news, check out the PAPERSLAT database which derives its news from general circulation newspapers of Latin America. Currently it includes full text stories from EL NORTE and REFORMA, two Spanish-language daily newspapers from Mexico. The file will be expanded in the coming months and years with similar well-regarded publications. EL NORTE, based in Monterrey, Mexico is the largest general circulation newspaper in Mexico and is recognized for its independent coverage of politics, business, and national news. REFORMA is a Spanish-language daily newspaper published in Mexico City. REFORMA reports on local, national, and international issues.

Westmate 6.1

If you haven’t already picked up the new version of Westmate, it is available at the 9th floor library reference desk. The new graphical interface allows you to scroll through documents (no more page up-page down), completely avoid codes (point and click is your friend), and simplify many routine and more advanced research tasks. Saving research is also easier. If you want to save your research or current project, make sure you hit the “sign off” button (little yellow door) or choose the “sign off” option from the file menu (NOT “exit Westmate”). This will enable you to choose where to download, print, or save your project. Once you’re finished, then exit Westmate. And always remember to be nice, take naps, drink milk, share, don’t say mean things and always pet puppies.

SPRING REGISTRATION FOR IN-HOUSE PROGRAMS

Spring 1997 applications are available in room 600 and are due Friday, October 18.

Students who would like to learn how to practice law while they are in law school should register for the in-house clinical education program, LAW OFFICES. Applications are now available for spring. The spring applications are due October 18.

Students may enroll in Law Offices after they have completed their first year of law school (current first years may not apply for Spring 1997). To be eligible to enroll, ALL students (except LADR students) must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the deadline. BE SURE TO PICK UP A GREEN APPLICATION FORM. FOR THOSE WHO HAVE COMPLETED THE PINK APPLICATION FORM, PLEASE COMPLETE A NEW GREEN FORM AND GIVE THE NEW FORM TO THE RECEPTIONIST.

Students who have taken or are currently taking Law Offices (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference if availability permits. Next, priority will be given to the top ten students on the Fall 1996 waiting list who did not turn down a place, who were on the waiting list in the division they have marked as first choice, and who submitted their spring application by the due date. Other new students who have submitted their applications by the due date will be selected in the Law Offices lottery.

The in-house programs are comprised of two components. One is a graded classroom component for one credit. The other is a pass/fail three-credit fieldwork component. For the fieldwork component students work in practice groups on client cases or similar projects assigned to them by a supervising attorney. It also includes practice group lectures, supervising attorney conferences, section meetings, and various client interview experiences.

There are five in-house practice groups from which to choose - employment discrimination/civil rights with some general practice, criminal defense, mediation and other ADR procedures, health law, and tax.

For more information, you may talk to the clinical professors who supervise the various practice groups - Professors Gonzalez (room 629) and Norton (room 623) for employment discrimination/civil rights with some general practice; Professors Kadish (room 613), Kling (room 625), and Thomas (room 609) for criminal defense; Professor Kentra (room 690) for mediation and other ADR procedures; Professors Altman (room 611), Elster (room 692) and Toolan (room 621) for health law; and Professor Livingston (room 688) for tax.

Ferstman, of a book recently published by New York University Press, entitled *The Castration of Oedipus: Feminism, Psychoanalysis, and the Will to Power*. a challenging reversal-of-power thesis. Professor Smith would be very interested in discussing the book with interested faculty and students when he is here, Monday, November 4 through Wednesday morning November 6. Anyone person or group interested in such a discussion should so indicate in an e-mail to Professor Wright (rwright@kentlaw.edu).

JUDICIAL EXTERNSHIPS

SPRING 1997 SEMESTER FOR SECOND AND THIRD YEAR STUDENTS WITH A MINIMUM 3.3 GRADE POINT AVERAGE

Applications for Spring 1997 Judicial Externships are now available in the Law Offices Reception Area.

A judicial externship enables the student to become involved in particular legal problems through research and writing, and to contribute in the resolution of those legal problems. Depending on the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge and the judge’s law clerk those legal problems which attorneys face in their profession, and the specific problems which attorneys confront in the courtroom. Take advantage of this wonderful opportunity!

Completed applications should be submitted to Ms. Carole Ross, Secretary to Professor Gross, room 612, Law Offices, by Wednesday, October 9, 1996 at 5:00 pm.

ORGANIZATIONS

FROM MARK SCOTT, PRESIDENT OF THE STUDENT BAR ASSOCIATION

First, we are encouraged by the amount of work being done by the different student organizations. We see bake sales, food fairs, meetings, speaker events, and socials all taking place. Collectively, these types of activities have a tremendous impact on the student psyche. Please keep up the great work.

As many of you are aware, SBA operates through a committee process. Because committees play such an important role in the decision making process, we would like to encourage interested
members of the student population to participate in the many different forums. The SBA is seeking students for the following committees:

American Bar Association / Law Student Division Committee
Barristers Ball Committee (April 1997 event now being planned)
Chicago-Kent College of Law, IIT Relations Committee (liaison with IIT)
Communications Committee (e-mail distributions and signage to the student community)
Constitution/By-Laws Committee (amendment proposals for the governing documents)
Curriculum Committee (work with the appropriate Faculty committee)
Election Committee (Spring 1997 Election)
Finance Committee (financial by-laws, budget process and proposals)
Law Day Committee (Law Week, April 1997)
Public Relations Committee (within and outside the Chicago-Kent community)
Social Committee (monthly social events)
Speakers Program Committee (Fall Lecture Series, November 1996)
Student Organization Committee (liaison with the student organization leaders)

Your personal time commitment to any of the committees will be minimal. The overall collective impact for the student population will be immeasurable. Please e-mail SBAQ with your interest. We will put you in contact with the committee Chair.

Old Business:

1. **Pools #1 and #2:** Because of the enthusiastic level of response by the student community, we have not completed the report detailing the results. Several hundred students responded to each poll. We will publish a synopsis of the polls in the October 15 edition of the Record. We will publish a detailed report of each poll no later than October 15. The detailed report will be available outside the SBA office, C88.

2. **October Social:** Make sure your calendar is blocked on Thursday, October 17. The Fall Convissir Bash will begin at 7:00 pm. The event will be held at the Off-Track Betting, located at 223 West Jackson. Please be advised that student concerns (i.e. food and beverages) about previous events at the OTB have been addressed.

3. **Student Organization Award:** The SBA is considering the formation of a new award. This award will be given to the student organization that exemplifies the "outstanding" qualities expected by the student community. We would like to know your ideas as to the qualifications you believe should be considered. Please e-mail SBAQ with your thoughts.

New Business:

1. **Fall Lecture Series:** Please be advised that the SBA’s Fall Lecture Series will take place during the first week of November. The theme for the lecture series is "EMERGING LEGAL ISSUES FOR THE 21ST CENTURY." On November 4 - 7, the SBA will host several speakers that are expected to deliver riveting perspectives on a wide variety of topics. A pamphlet detailing the speakers and topics will be available before the beginning of the events. The Speakers Program Committee is working on the necessary details, however, the following topics have been considered:
   - Emerging Issues of Legal Ethics and Professionalism
   - Emerging Issues of Human Rights, including international concerns
   - Emerging Technology Issues, including "Cyberlaw"
   - Emerging Issues of Civil Rights
   - Emerging Medical Issues
If you are interested in participating in the formation of this very important event, please e-mail Jenni Henley, Chair of the Speakers Program Committee.

2. **Student Organization Amendment Request Forms:** Any student organization needing additional funding for the fall semester should submit the appropriate amendment request form as soon as possible. Today, October 8, is a deadline for consideration by the Finance Committee and the Board of Governors during the October 15 meeting.

3. **Concerns, Questions, Compliments:** Every Chicago-Kent student has representation on the BOG. The BOG has no less than one regular meeting every month. At times, special meetings are called. In addition, members of the BOG remain in contact with one another through considerable e-mail activity. During the October 1 BOG meeting, the entire student population was divided amongst the BOG Class Representatives. During this administration, you will receive SBA-related information by your assigned Representative. The Representatives will be introducing themselves to you through e-mail. Please get to know your SBA Representative and realize that any concern, question, or compliment that you may have should be addressed to your rep. This is the most comprehensive method we have in place to find out what is on your mind. Please use your Representative.

4. **Travel/Conference Budget Line Item:** Please be advised that the Finance Committee is reviewing the Travel/Conference budget line item. The SBA approved in excess of $10,000 for students to travel during the current semester. This line item accounts for more than 35% of the funds approved for student organization expenses. The committee is expected to make a proposal during the BOG’s October 15 meeting. Please e-mail your interest and arguments to your Class Representative or Kim Jessum, Chair of the Finance Committee.

**STUDENT ORGANIZATION MEETING**

Hello. My name is Karen Coffey and I am the Chair of SBA’s Student Organization Committee. I would like to meet with a representative for each student organization regarding student organization budget policies and other issues. We are here to serve you and we would like your input of how to best do that. This meeting is open to anyone in the student body who is interested in attending. We will meet on Wednesday, October 9, at 6:00 pm in C90. I apologize in advance to evening students for the inconvenient time.

**AMERICAN BAR ASSOCIATION**

**Law Student Division**

Unless you are in the top 10% of your class, if you want a job, you had better start establishing professional contacts right now. With over 700,000 members, the ABA is the nation’s largest professional development organization. Over 32,000 of your fellow law students take advantage of the networking opportunities and the myriad of member benefits the ABA has to offer each year. Besides a subscription to *ABA Journal* and *Student Lawyer*, the $15 membership fee entitles law students to a free year of dues after the bar exam. Members also enjoy discounts on travel, credit cards, health insurance, and dozens of personal and professional services.

**New for law students this year is a member discount on materials for the nation’s most reliable bar review course. The $200 savings on this package alone is reason enough to join the ABA-LSD.**
The ABA is organized by Sections, most dealing with substantive topics of law. If you want to meet the top authorities and hiring partners in areas like intellectual property, environmental law, tort and insurance practice, tax, or litigation, the ABA “puts your foot in the door.” Moreover, the ABA’s national headquarters is on Lake Shore Drive. Consequently, many ABA activities are only a few minutes from Chicago-Kent. Would you like to meet the person who is going to give you that important first job today... or wait until after graduation?

On behalf of Randa Ismail, National Secretary-Treasurer of the Law Student Division and Chicago-Kent 3L, I would like to invite you to a brief informational meeting on Tuesday, October 8, at 12 pm, in room 270 or at 5 pm in room C40. I am Bennett Miller, a 2L and Chicago-Kent’s ABA-LSD Representative. If you have questions about the ABA, the LSD, or cannot make the meeting Tuesday, feel free to e-mail me at BMILLER. Applications are also available on the Concourse.

THE FEDERALIST SOCIETY

Stay tuned for speaker events/debates on the Partial Birth Abortion Ban and the 30th anniversary of the *Miranda* decision.

“For the same reason that the Constitution cannot be reduced to constitutional law, the Constitution cannot simply be reduced to what Congress or the President says it is either. Quite the contrary. The Constitution, the original document of 1787 plus its amendments, is and must be understood to be the standard against which all laws, policies, and interpretations must be measured. It is the consent of the governed with which actions of the governors must be squared. And this also applies to the power of judicial review. For, as Felix Frankfurter once said, ‘[t]he ultimate touchstone of constitutionality is the Constitution itself and not what we have said about it.’”

Attorney General Edwin Meese
Speech, October 21, 1986
