FROM DEAN DEUTSCH

I hope your first week of classes went well. My semester is revving up--I assume yours is, too.

I have some additional “what-I-did-on-my-winter-break” information from faculty members that wasn’t included in last week’s message: Professor Dale Nance, who is visiting at Cornell Law School this semester, published an article entitled “Verbal Completeness and Exclusionary Rules Under the Federal Rules of Evidence,” 75 Tex. L. Rev. 51. Professor Jeffrey Sherman published “Hairsplitting Under I.R.C. Section 2035(d): The Cause and the Cure,” at 16 U. Va. Tax Rev. 111, and he was interviewed by the Daily Herald in connection with an article on Baehr v. Mike, the Hawaii same-sex marriage case. Professor Steve Heyman’s article, “The Duty to Rescue: A Liberal-Communitarian Perspective,” will be published later this year in The Responsive Community, a communitarian journal. “Traps for the Unwary Employee: The Intersection of the ADA, FMLA, SSA and Workers’ Compensation Acts,” by Professor Mary Rose Strubbe, appeared in the Autumn, 1996, issue of the Illinois Public Employee Relations Report. Professor Richard Kling was the moderator of an Illinois Judges Association-Illinois State Bar Association panel on “Twenty-five Years of the Criminal Justice System--Is It Working?” Professor Diana Runcie’s article, “On Being Kool: Holding Cigarette and Alcohol Manufacturers Responsible for Targeting Their Products Toward the Poor, the Young, the Black and the Stupid,” will be published this winter in the Tulane Law Review. And Professor Sanford Greenberg’s article, “Who Says It’s a Crime: Deference to Agency Interpretations of Regulatory Statutes that Create Criminal Liability,” 58 U. Pitt. L. Rev. 1, has just been released.

* * * *

The university’s list of interprofessional projects for the Spring semester has been circulated, and there are a number that should be of some interest to law students. Project titles include: “Environmental, Economic, Policy and Social Impacts of Using Retrofitted Cars in Developing Countries,” “The Invention Center Team,” and “Development of Environmental Design Options for the Proposed Manchester Park Service Center,” among others. The complete project list is available in my office for interested students, and anyone interested in participating in a project for pay or, potentially, class credit, should contact me.
Finally, I’ve received several complaints from students about the level of noise in the library. Please remember that most individuals use the library for quiet study. If you are meeting in a study group, or just conversing socially, there are a number of lounge areas in the building that are available for your use, or you may want to gather off-campus to relax with your colleagues. Remember that, while there inevitably will be some conversation that takes place within the library, it is primarily a place for research and individual study, not for group discussions or socializing. Likewise, if your work is being disrupted by noise from other library users, I encourage you to ask politely that they find another space. You may also feel free to report noise problems to any member of the library staff. We very much want everyone to be able to maximize the usefulness of Information Center space and resources.

Enjoy your week, and don’t forget that there will be a special screening on January 21 of the award-winning PBS documentary, *Eyes On the Prize*, in honor of Martin Luther King, Jr., Day.

Public Interest Job Fairs

**Midwest Public Interest Law Career Conference:** Saturday, February 22 at Northwestern University School of Law. Deadline for registration: All materials must be turned into the Chicago-Kent Career Services Office by **noon on January 21.**
Are you considering a career in public interest law? Do you want to meet public interest employers? Make plans to attend the Tenth Annual Midwest Public Interest Law Career Conference at Northwestern Law School on Saturday, February 22, 1997. Legal employers from various organizations will be participating in the program. Many employers conduct interviews, and others are scheduled to participate in informal "table talk" networking.

Informational packets containing the list of employers and their hiring criteria may be obtained by signing up in the Career Services Office immediately. Please read the packet carefully and return your registration form, preference sheet and the two resumes for each preferred employer to Barbara Clemmer in the Career Services Office no later than Tuesday, January 21 at noon. Interview schedules should be available in the Career Services Office by February 17.

Upcoming Career Services Programs:

Summer Opportunities for 1Ls

How do most students spend the summer? Are clerking jobs available? How do you find a clerking job? What's the timetable for summer hiring? How critical is it to gain legal experience during the summer?

On Tuesday, January 28 at noon and 5:00pm the Career Services staff will address the common concerns of first-year students regarding how they spend the summer after their first year of law school. Room to be announced.

Practice Tracks 1997:

You've heard us talk over and over again about the importance of information gathering in identifying a career path and conducting a job search. We've recommended that you do some informational interviewing with practitioners to help you decide what you want to do and how best to market your skills. Now we've made this process even easier by bringing the practitioner to you!

On Saturday, February 1, J.D.s from 70 practice areas and alternative careers will be at Northwestern University School of Law for the express purpose of talking informally with students about careers in different areas. The practitioner will be positioned at tables in Northwestern's atrium so that students can circulate to speak with as many or as few of the attorneys as they wish.

It's your chance to find out directly from practitioners how job seekers are faring in a particular segment of the market, what it's like to practice in an area, which credentials are helpful in finding employment in the area, what skills you should stress in applying, and more!

Join other area law students from 10:00am until 1:00pm at Northwestern to take advantage of this easy way to gather information! Please sign up in the Career Services Office if you plan to attend Practice Tracks. See the Career Services bulletin board for further information about which areas are being represented.

Note: The participating attorneys have volunteered their time. Participation does not indicate that the represented organizations have job openings. This program is sponsored by the Chicago Area Law School Consortium.
Are You Leaving Chicago This Summer?

The National Association for Law Placement annually publishes a listing of summer sublets of law students' apartments in cities across the country. If you know you will be needing an apartment for the summer, or would like to sublet your own apartment, you can register to be included in the Exchange directory. This directory will be mailed to law schools nationwide in mid-March.

Registration forms must be received by the NALP office in D.C. no later than February 14, 1997. Late forms cannot be accepted. Pick up Handout #50 for additional information and registration materials.

ORGANIZATIONS

FROM MARK SCOTT, PRESIDENT OF THE STUDENT BAR ASSOCIATION

We hope you enjoyed the winter break. For many, the break provided an opportunity to visit friends and family. For some, the break yielded unencumbered time that could be used to complete law school related activities. We would like to wish all of the Moot Court teams the best of luck in their upcoming competitions.
Traditionally, the SBA and the student organizations work harder during the spring semester. We will see more speaking events, student activities, and socials than ever before. Your colleagues are busily organizing and finalizing the following:

1. **Spring 1997 Budgets:** The Finance Committee met last week. A proposal will be presented to the Board of Governors (BOG) at this Thursday’s meeting. As soon as the budgets are approved, we will release the information to the community. If during the approval process any student organization needs financial assistance, please contact Kim Jessum or Elayna Pham.

2. **Financial Statement:** The SBA Financial Statement will be available to the student community no later than Tuesday, January 28. The statement will reflect the financial standing of the SBA as of the end of the fall semester. Copies of the statement will be provided outside the SBA office, C88.

3. **Law Week:** Law Week will occur April 6 - April 12, 1997. The week will be filled with a variety of speaking events and student activities (similar to the Fall Lecture Series). Please forward any suggestions regarding themes and activities to George Petrovich and Carlos Poza, Co-Chairs.

4. **Barristers Ball:** The Barristers Ball is the largest social event for the entire Chicago-Kent community. Please open your daytimers and write B-Ball on April 12. You will not want to miss this event. We should be able to announce the location within the next couple of weeks. We are in the midst of negotiations for the location. If you would like to participate on the planning committee, please contact Pegg Zilligen, Chair.

5. **Spring 1997 Election:** You will choose the 1997-1998 SBA administration this semester. Please consider participating in SBA. The SBA is only as strong as you want it to be. The election will occur during the later part of March or early April. We will provide interested students an opportunity to sit down with current BOG members and discuss different positions and responsibilities.

6. **Student Polls/Surveys:** We expect to poll the student community on a couple of different issues. Of particular concern are the Career Services Office and the Information Center. Additionally, we are interested in putting together a survey that gauges your overall experience at Chicago-Kent, including the classroom, administration, student organizations, and faculty. If you are interested in organizing a survey, please e-mail SBAQ.

**New Business:**

1. **January Social:** Please note that the first SBA Social will be on Thursday, January 30, 1997. The social will begin at 7:00pm. The location has not been determined. We will provide more information in next week’s Record.

2. **Work-A-Day:** We would like to encourage your participation in the ABA/Law Student Division’s 1997 Work-A-Day event. The national event couples student volunteers with a local organization. This year’s theme is Children. Bennett Miller is organizing the event. Please contact Bennett for more information.

3. **Student Organization Master List:** We are updating the Student Organization Master List. The list includes the names of each organization’s executive board. Please forward any updated information to SBAQ.
4. **May 1997 Graduation:** A couple of students requested that we look at reserving a block of rooms at a hotel over the Memorial Day weekend. So that we can get an idea of the room needs, please e-mail SBAQ with your expected numbers. We will see what we can do.

5. **Fundraising Seed Money:** Another Student Organization took advantage of the seed money that we are able to provide. Please remember that the SBA can help Student Organizations begin their fundraising efforts. Although there are some requirements attached to the repaying of the seed money, please realize that the assistance can provide your organization the opportunity to acquire the product.

On a final note, congratulations to all of you University of Florida GATORS. The National Championship finally came our way. Maybe former Dean Matasar had something to do with it.

CHAGE, CBENTLEY, CPOULSON, or JMRAZ. (Our quote is a rerun because no one actually read the last Record of last semester.)

"I asked professors who teach the meaning of life to tell me what is happiness. And I went to famous executives who boss the work of thousands of men. They all shook their heads and gave me a smile as though I was trying to fool with them. And then one Sunday afternoon I wandered out along the Des Plaines River. And I saw a crowd of Hungarians under the trees with their women and children and a keg of beer and an accordion."

Carl Sandberg

TO: All Continuing Students
FROM: Assistant Dean Michael S. Burns
DATE: Spring Semester 1997
RE: CRITICAL INFORMATION REGARDING: MERIT/NEED-BASED AND MERIT-ONLY SCHOLARSHIPS

Continuing students may be eligible to receive both merit-only and merit/need-based scholarships.

**Merit-only** scholarships are based solely on your academic performance and do **not** require a financial aid application. If you are **exclusively** interested in merit-only scholarships, you do **not** need to apply for financial aid.

**Merit/need-based** scholarships are based on both your academic record and your financial need. If you want to be considered for scholarships based on financial need, you must submit the required financial aid application forms, even if you are not planning to take out student loans. In order to be considered for need-based scholarships, you must:

1) submit the Chicago-Kent Institutional Application on or before **April 15, 1997**, and

2) must have a Student Aid Report (SAR) on file in the Office of Financial Aid on or before **June 1, 1997**.

**Students who do not meet these deadlines will not be eligible for need-based scholarships.**
