WELCOME

CLASS OF 1931

By this time the members of the Freshman Class have already been initiated into the rigorous and exacting life of a law student. Already the new members have acquired that look of knowing what it is all about. They know now that pursuing a full law course in Evening School is a matter of strictest business: one that requires daily preparation and careful attention to all the matters at hand. There can be no let-down for the conscientious law student from the moment he commences his semester until he hands in his final examination paper.

The stage is set for them. They are playing the stellar roll. The faculty and upper classmen will be greatly interested in watching their play unfold itself under the direction of the different professors. Indications to date are that their final grades will reveal their determination to improve themselves. The Review wishes them success in their work at Kent.

STUDENT LOAN FUND

A generous contribution has recently been made to the STUDENT LOAN FUND OF CHICAGO-KENT COLLEGE OF LAW by Honorable Anton J. Cermak, President of the Cook County Board of Commissioners. The sons-in-law of Mr. Cermak, Messrs. Richey V. Graham '23, and Floyd Kenlay '29, have also contributed to the fund at this time.

The first gift to this fund was made by Honorable Henry Horner, Judge of the Probate Court of Cook County, the same being made in memory of Elizabeth DeBelle Levering, a classmate, who met with a fatal accident.

The faculty has decided that the fund be used for the purpose of assisting students in obtaining books for law school purposes. Students wishing to benefit by this fund must have been in attendance at the College for a period of at least one year. The administration of the fund is in the hands of the Registrar of the College.

The gift of Mr. Cermak is greatly appreciated by the College and bears testimony to his interest in educational matters and especially in the student who needs assistance in acquiring a legal education.

It is hoped that these gifts will inspire further contributions in order that the usefulness of the fund may be increased.

SCHOLARSHIP PRIZES ANOUNCED

At the end of each year the College awards prizes to the students who have attained the highest rankings in their respective classes for the year's work just completed. These scholarship prizes are made possible by the different funds left in the custody of the Trustees of the College.

For the year 1927-28 the following men were honored:

Senior Class
Willis Gale .................................. First Prize
Arthur O. Graves .......................... Second Prize

Junior Class
Hugh E. Johnson ............................. First Prize
Charles H. Edwards ...................... Second Prize

Freshman Class
Charles C. Kirshbaum .................. First Prize
Dudley R. Emerson ...................... Second Prize
Edward F. McCabe ..................... Second Prize

First prize in each instance is a cash
prize of $100.00. These prizes are known as the Thomas A. Moran prizes, awarded in honor of the late Hon. Thomas A. Moran, dean of the College from 1896 to 1904. The prizes are paid from the income realized from a fund contributed to by former students in Dean Moran's classes. Second prize in each instance is a scholarship prize, offered by the College for the ensuing semester, to the student who has attained a proficiency in his studies during the preceding semester which ranks him second highest in his group.

The scholarship prize, awarded to Arthur O. Graves of the June, 1928, graduation class, will entitle him to return to the College for graduate work.

The scholarship offered to the second highest in the Freshman Class will be divided between Dudley R. Emerson and Edward F. McCabe, who ranked equally.

**FACULTY PERSONNEL CHANGES**

The beginning of the 1928-29 college year finds very few changes among the faculty and subjects of instruction.

Mr. George B. Lear, a member of the Chicago Bar Association, will be professor of the Law of Torts.

Mr. Glen McGrew, also a member of the Chicago Bar, and an eskrow officer with Chicago Title & Trust Company, is the professor of Law of Mortgages. He is very well qualified to impart considerable practical knowledge to the students in that subject. He will continue also as the college librarian.

**FRESHMAN DEBATING CONTEST TO BE HELD OCTOBER 6**

As a preliminary step in the formation of a debating team to represent the Chicago-Kent College of Law, there will be held on Saturday, Oct. 6, at 1:30 p. m., a debating contest open to all students who have less than 25 semester hours' credit. The tryout will be held at the College under the supervision of William M. James, Coach of Debate.

The subject to be debated will be: “RESOLVED, That the United States should enter into an agreement with the Allied powers for the mutual cancellation of inter-Allied war debts.”

The participants in the tryout are free to accept either side of the subject and will be allowed four minutes for the development of their arguments. Having satisfied the judges as to their ability in prepared debates, each contestant will then be requested to speak four minutes on some subject that will be assigned to him privately, five minutes before his turn to speak. This will test the student’s ability at extemporaneous speaking.

There will be prizes offered for the three best debaters selected by the judges in attendance. First, second and third prizes will be $15.00, $10.00, and $5.00 respectively. In addition to these prizes, suitably engraved pins of the College will be awarded to the winners. These prizes are provided for from the income of the Burke Memorial Fund, which was created in honor of the late Judge Edmund W. Burke, former dean of the College.

The first three prize winners in this debate tryout will represent the Freshman Class in the interclass debates which will be held later on. They will also have an opportunity to take part in the intercollegiate debates which will start most likely after the first of the year. This opportunity to represent Chicago-Kent College of Law in its intercollegiate debates should prove a great incentive for all of the Freshmen who have any interest in debating at all to take part in this Freshman tryout. All

**Show an interest in YOUR COLLEGE By trying out for the DEBATING TEAM**
students who are interested are requested to register their names at the office of the College prior to the date of the contest.

On Saturday, Oct. 13, the Junior debating contest will be held. This contest will be open to all students of the College having 25 or more semester hours' credit but less than 50 semester hours' credit, and on Saturday, Oct. 20, the members of the Senior Class will have an opportunity to display their oratorical ability. This contest is open to those students who have 50 or more semester hours' credit. These contests, like the Freshman contest, will be held at the College at 1:30 p.m. on the respective Saturdays announced.

**SCHOLARSHIP CUP AGAIN GOES TO PHI DELTA PHI**

A compilation of the averages of the members of the different fraternities reveals the fact that history does repeat itself. Phi Delta Phi again heads the list, with a fraternity average for the second semester of 1927-28 of 1.772. The fraternity averages for the second semester are as follows:

- Phi Delta Phi: 1.772
- Delta Theta Phi: 1.57
- Alpha Sigma Iota: 1.354
- Nu Beta Epsilon: 1.304
- Phi Alpha Delta: 1.278
- Sigma Delta Kappa: 1.268
- Delta Chi: 1.253
- Kappa Beta Pi: 1.1

Phi Delta Phi was awarded the scholarship cup both semesters of the college term of 1927-28, and has now won the coveted trophy for scholarship attainments four times. Nu Beta Epsilon has been awarded the cup on three occasions, Delta Chi twice and Phi Alpha Delta once.

The cup was first presented to the Trustees of the College in 1924 by Fuller's Inn of Phi Delta Phi fraternity, to be awarded each semester to the fraternity represented at Chicago-Kent College of Law having the highest scholastic standing.

So far the scholarship cup has only been awarded to four of these organizations. The principal purpose for which the cup was donated—to awaken a keen spirit of competition among the students and fraternities, will be unavailing if the cup does not circulate among all the fraternities at Kent. It is hoped that the competition for the cup will become so spirited that, in the semesters to come, eventually it will have been awarded at some time or other to every one of the fraternities.
