FROM DEAN MATASAR

There's something strangely troubling about waking up in March during the middle of a driving snow storm. Is this global warming, or what? At any rate, as I sit here ruminating about Chicago winter sports—expressway bumping, ice falling, body temperature manipulation—I find myself in a mid-semester contemplative mood. We will soon be saying goodbye to our graduating class and be finalizing the admission of their successors.

What is the legal world that awaits our graduates? What career paths will our incoming class choose? Obviously, the world they find is constantly evolving. Big firms are big businesses; other size firms are moving in the same direction. Government agencies have more demands placed on them daily and their lawyers face enormous new pressures. Public interest law groups search for new lawyers and find many who cannot afford to work for the wages they offer. It looks scary out there, so be careful.

On the other hand, the profession is adjusting to newer and leaner times. Lawyers have rediscovered that service is the essence of lawyering. We may be entering a new era of excitement about the good that lawyers can do. Thus, it was with great excitement that we greeted the Sixth Annual Midwest Public Interest Law Career Conference at Northwestern Law School. The Conference, open to students from 35 midwestern law schools, offered both programming and opportunities to meet public employers and have a job interview.

This is an event that has drawn hundreds of students in past years; this year’s turnout, however, was only approximately 130 students. Worse yet, only 40 students attended the kickoff program. Worse, worse yet, only about 24 people attended breakout sessions of the Conference. Worse, worse, worse yet, during the job interview stage of the Conference, nearly 50 percent of those with prearranged interviews failed to keep their appointments. And still worse yet, only 6 of Chicago-Kent’s 13 students who arranged interviews fulfilled their commitments. This left many more opportunities to those who attended the Conference, but only at the cost of embarrassing the schools whose students did not attend.

At a time when public service demands are increasing, and when law students often suggest that the law schools discourage employment except at large firms, the failure to take advantage of events like the Public Interest Law Career Conference is disturbing. Success at finding a job, and finding fulfillment in that job requires hard work, diligence, and commitment to fulfilling one’s obligations. Every student, career services staff member, and representative of our law school ought to work to his or her fullest—even in weekend job searches. Let’s renew our commitment to excellence and take pride in ourselves and our school.
FROM DEAN CHAPMAN

Summer Schedule

Another copy of the 1993 Summer Session schedule is attached to this Record. A preliminary Fall, 1993 schedule will be distributed prior to registration for the summer session.

Decedents’ Estates was dropped from the summer schedule because it will be offered in both the Day and Evening divisions in the Fall semester. Personal Income Tax is offered every summer session and, therefore, it is offered only in alternate academic years in the Evening Division. It will not be offered during the 1993-1994 academic year in the Evening Division so evening students who need tax as a prerequisite for other courses should consider taking it this summer.

Summer Session Credit Hour Limitation

Students who enroll in a summer session in-house clinic course for four hours of credit may take a total of seven credit-hours for the summer session if approved by Professor Laser, the director of Clinical Education. Students who wish to take seven hours should complete a Request form available in Room 601 of the Law Offices and make an appointment to see Professor Laser, Room 631. Although students are generally discouraged from taking seven hours during the summer, Professor Laser will discuss the request with the student before making a decision.

FROM THE REGISTRAR

Changing Divisions

If you want to change from the Evening to the Day Division or from the Day to the Evening Division for the Fall, 1993 semester, complete a Request to Change Divisions form in the Registrar’s office by Wednesday, March 17, 1993. If all requests can be accommodated, all will be approved. However, if there are too many requests, a drawing will be held on Thursday, March 18 to select who may change divisions. Students who change divisions will have the lowest registration priority within their starting date group for the Fall, 1993 registration.

Bar Applications

Applications for the July, 1993 bar exam are available in the Registrar’s office. The law school automatically sends the Bar Examiners the Proof of Legal Education required in instruction 2 for every graduate, so you do not need to send the Certificate of Dean form with the application materials. Character and Fitness Affidavits may be included when you submit your bar application or the affiant can mail the affidavit directly to the Bar Examiners. If you include the affidavits, they do not have to be in a sealed envelope.

Graduating Seniors

Make sure your name is spelled correctly on the graduation list posted on the second floor bulletin board. Your name will appear on your diploma exactly the way it appears on that list.

2
Grade Reports

All students should have received an official grade report from the university. If you have not received a report or you have questions about it, please see the Registrar.

Tuition Payments

The deadline for the March 1 tuition payment has been extended to March 9. The 1% late fee will not apply to tuition payments received by that date. You may use the computer terminals in the Registrar’s Office to review your financial account with the Bursar.

Rank in Class

Second- and third-year students who want their class rank should complete a Request for Class Rank form available in the Registrar’s Office. Ranks will be available by the end of the week.

The Tenth Annual Conference on Section 1983 Civil Rights Liability and Litigation

On Thursday and Friday, March 18-19, 1993, the law school will host Professor Sheldon Nahmod’s Tenth Annual Section 1983 Conference. Pre-registration is required! To register, please stop by the Office of Administration, Finance and CLE (Suite 265) to fill out a registration form. **Pat Quinn, State Treasurer, to Speak at Chicago-Kent April 8.**

Pat Quinn, State Treasurer for Illinois, will be the guest of the Chicago-Kent Evening Law Student Society, on April 8th, 5:00 p.m., in the Richard B. Ogilvie Auditorium. All students, faculty and staff are welcome, and encouraged to come listen to and ask questions of yet another likely gubernatorial candidate.

Quinn wrote "How to Appeal Your Illinois Property Taxes Without A Lawyer." He has taught property tax law at Chicago-Kent. As state treasurer he has used the state's deposit power targeting investments to help agriculture, housing, business and recycling in Illinois. Quinn also created linked deposit programs to help veterans, persons with disabilities, displaced workers, rural communities seeking doctors and small business in need of credit. The treasurer's new Homestart program is designed to help more working families become homeowners in Illinois through a network of lenders offering low down-payment mortgages and flexible lending terms. As state treasurer, Mr. Quinn serves on several other state boards and commissions including the Illinois State Board of (Pension) Investment, the Rural Bond Bank, the Recycling Market Development Task Force, the Community Development Finance Corporation, and Prairie State 2000, a public-private workforce training partnership.

Mr. Quinn is politically best known for his populist stance. He is founder of the Coalition for Political Honesty. In 1976, a coalition petition drive halted the practice that allowed Illinois legislators to collect their entire annual salary on their first day in office. In 1980, the coalition spearheaded the referendum campaign for the Cutback Amendment which reduced the size of the Illinois House of Representatives from 177 to 118 members. In 1983, a coalition referendum drive led to passage of the landmark Citizen Utility Board law setting up the largest consumer group in Illinois. Mr. Quinn has close ties to Ralph Nadar.

FACULTY NEWS

Professor Ronald Schwartz appeared on the Chicagoland Cable Television News program "Front and Center" on February 25th. The subject was a 5.5 million dollar award in a pregnancy discrimination/slander case.

STAFF NEWS

John Mayer, director of computing services at Chicago-Kent, recently had an article he co-authored accepted by the 4th International Conference of the Information Resources Management Association, for publication and presentation. The article, called "Quadview Service Model for Information Technology Management," is a case study of the application of a model with examples from the law school’s information technology initiatives. The other co-author of the article is M.N. Srinivas, a Ph.D. candidate in the Department of Computer Sciences at IIT, who worked for Chicago-Kent from 1986 through 1991. John also recently teamed up with George Badecker, audio visual coordinator at Chicago-Kent, to co-author an article published in Trends in Law Library Management and Technology, which was the third in a series of articles about Chicago-Kent’s “Smart Building.” This one is entitled “Chicago-Kent’s Smart Building: The Audio-Visual Agenda.”
FROM LAW SCHOOL ASSOCIATION PRESIDENT ROGER O’REILLY

In February, Florida and Chicago area alumnae/i were able to enjoy Law School Association activities by attending some very successful events. Florida alumnae/i visited with each other and heard updates on the Law School from Dean Matasar at a luncheon in Ft. Lauderdale. They were impressed with the progress of Chicago-Kent and are planning on developing an active alumnae/i chapter in South Florida.

Local alumnae/i were updated on law school programs and gave input to the development of future programs during the Dean’s Round Tables in February. The students that attended the events were able to give alumnae/i and the dean their perspective while making valuable connections.

Finally, the month ended with a very successful Women-In-Law event for alumnae and current students. “Women On Men” and “Big Blonde” received rave reviews and the pre-performance reception was a great opportunity for interaction between alumnae/i and students.

This month’s plans are mild in comparison to last month’s flurry of activities. On Thursday, March 18th, I will be hosting a West Suburban Alumnae/i Reception in Wheaton. If you live, work, and/or are interested in mixing and mingling with Chicago-Kent Alumnae/i in the area, please e-mail Tiffanie Burnett (TBURNETT) and let her know of your interest. Only a limited number of students will be able to attend, so please respond promptly. Until next month . . .

LAW OFFICES

Registration for In-House Programs

Summer 1993 Applications due Friday, March 12

Students who would like to learn while in law school how to practice law should register for the clinical education class, LAW OFFICES. Applications are now available for summer and are due March 12 before 4:00.

Students may enroll in Law Offices after they have completed their first year of law school. To be eligible to enroll, ALL students must complete and return a completed Law Offices application. Applications must be turned in to the Law Offices receptionist in Suite 600 by the appropriate deadline.

Students who have taken, or are currently taking Law Offices (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference if availability permits. Other students who have submitted their applications by the due date will be selected in the Law Offices lottery.

There are three in-house divisions to choose from - the Civil Division, the Criminal Division, and the Tax Division. In the civil division the clinical faculty handle a broad range of significant cases including employment discrimination charges on behalf of employees, civil rights cases, tort matters, real estate closings, etc. During the course of a semester, students typically interview several potential clients and are assigned from five to eight cases. They may draft pleadings, interview witnesses, write motions and other court papers, prepare for negotiation and counseling sessions, and second chair at various court appearances.

In the Criminal Division most of the matters handled by the clinical faculty are major felonies in both the state and federal courts. Thus, students work on such diverse cases as capital offenses and commodities fraud. They may interview witnesses, prepare motions, second chair at trials, and prepare for plea bargaining sessions.
In the Tax Division students, under the supervision of a clinical faculty member, handle federal tax examinations, appeals, and collections matters before the Internal Revenue Service, and litigation in the United States Tax Court and other courts. They may interview taxpayers, review documentation, research the applicable tax law, prepare and submit written protests to the I.R.S., prepare Tax Court petitions, motions, stipulations, and briefs, and represent taxpayers before the I.R.S. and in the Tax Court.

What About Career Alternatives to Traditional Law Practice?
"THERE’S MORE TO LAW THAN LAW"

Are you wondering what career options are available to you other than traditional law practice? Did you know that each year approximately 10,000 of the 35,000 law graduates choose careers other than the traditional practice of law? If you are interested in finding out how to look for a non-traditional career using your law degree, this program is for you.

Mary Barden and Marcia Boynton of Legal Options, Inc., will be here on Saturday, April 17, from 9:00 a.m. to 3:30 p.m. to present a seminar on alternative careers for lawyers. They will discuss what the options are, where you can find and learn about them, and corporate structure -- recruiting process, decision-makers’ questions, candidates’ questions.

Mary Barden and Marcia Boynton are both attorneys who have spent the majority of their respective careers in non-traditional roles. Their firm, Legal Options, Inc., is a career counseling service for lawyers considering change. Barden and Boynton teach lawyers to stretch their minds when considering options outside the practice of law, develop a career plan, read help wanted ads with new understanding, and use strategies for converting legal resumes and interview techniques into job search tools that the corporate world understands.

Student fees are $10 for a whole day of excellent instruction in learning more about non-traditional legal careers. This program is sponsored by nine law schools in the Chicago area and is open to both students and alums. Seating is limited so please sign up in the Career Services Office today. You may pay by cash or check made payable to Chicago-Kent College of Law. Reservations will be taken as long as seats are available, subsequent reservations will be waitlisted and admitted if space becomes available.

There’s Still Time to Sign Up for the Myers-Briggs Type Indicator

What is the MBTI? The Myers-Briggs Type Indicator (MBTI) is an instrument based on the work of Carl Jung’s theory of personality types. The MBTI helps you identify your own preferences—whether you are energized by an outer orientation or by an inner orientation, how you gather information and make decisions, and your lifestyle/workstyle orientation. Once you’ve identified your “type,” you have one more piece of information to help you find your ideal work environment and plan an effective job search.

Each Myers-Briggs workshop session is two parts—you must attend both parts for the session to be worthwhile! Please notice that session C is planned to meet the needs of evening students. Advance sign-up is required—a sign up sheet is in the Career Services Office.

GET READY FOR THE BARRISTER'S BASH

This year's Barrister's Bash will be at the Congress Hotel. The bash will be Saturday, April 24 from 8:00 p.m. - 1:00 a.m.

The SBA will begin selling tickets for this event when we return from spring break. Ticket prices are as follows:

- $35.00 for Student Tickets purchased at the door.
$35.00 for Alumni Tickets.

There will be plenty of music, food and an open bar.

Remember the bash is not a date party!!! It is an opportunity for everyone to get together with their friends and have a great time. It is guaranteed to be the best party of the year and one you won’t want to miss.

Student Activities Fee

The Student Activities Finance Board (the committee that governs the student activities fee) has recently met and made some important decisions regarding the student activities fee for the 1993-94 school year.

First, the student activities fee will be increased from $25 to $40 a student, per semester.

Second, in the past $5.00 of each student’s activities fee was disbursed to the Law Review to pay for each student’s complimentary copy of every issue of the Chicago-Kent Law Review published during the corresponding school year. This $5.00 will no longer be given to the Law Review. Instead, the money will revert back to the Student Activities Finance Board which then will disburse the money in appropriate amounts to the Student Bar Association and the Kent Commentator.

Finally, 25% of every Evening Division student’s activities fee will be set aside to fund the Evening Law Student Society (ELSS). This money will be disbursed to the SBA and ELSS’s use of the funds will be subject to the budgeting guidelines set by the SBA. However, the SBA will not be allowed to use these funds for any purpose other than funding ELSS. At the end of the semester any unused portion of ELSS’s funds will revert back to the general SBA account.

Any questions about these decisions may be directed to Rachel Cowen (RCOWEN), Chair of the Student Activities Finance Board.

Members of the Chicago-Kent and LIR Boards of Overseers and the Law School Association Board of Directors will be special guests, along with a select group of alums and friends of the law school. Please try to attend if your class and/or work schedule permits.
Dean's Advisory Council Minutes, Meetings of 2/24 and 3/2

The Dean's Advisory Council is composed of both representatives from student groups and students-at-large. The meetings are supposed to be a forum for communication between the students and administration. All students are welcome to attend meetings. The below Minutes were written and submitted by Mark Gussin.

February 24, 1993

1. There are an increasing number of complaints about vandalism in the school. Students, staff and faculty are encouraged to help preserve our nice, new building.

2. There is an "advisory curve" in effect in first-year Legal Writing courses this semester. The purpose is to provide equity between the grades in different sections. The curve, which differs from that used in the rest of the first-year, becomes mandatory next year.

3. The undergraduate Business School of IIT will take up residence at Chicago-Kent next year on the 4th floor. This will increase the number of students in the building by up to 300 students a day. If the business school grows as planned over the next five years, they are supposedly then going to find a bigger home. In order to keep disruption to Kent students to a minimum, they will have their own computer lab and their own lounge. Additionally, they have their own external library, but will be able to use the Law School, which is open to the public, in any event. To provide for the extra students, the Spakateria will be expanded to the second floor and more E-mail stations will be added. The Business School will help pay some portion of the debt service on the building.

Construction on the fourth and fifth floors and Spakateria will take place over the summer. In addition to the B-School changes on the fourth floor, the fifth floor will see construction for law school use, including: a student lounge with a T.V. and sofas; new classrooms; offices for professors. Additionally, a suite will be built for the MPA program, which is already at the law school.

4. Miscellaneous:
   a. If there are problems in the washrooms (e.g. no soap) E-Mail Leroy Bessler or Dawn Rupcich
   b. The school is working on expediting the reporting system for grades, by: 1) improving communications with IIT; and 2) possibly developing a computer program to streamline the process of reporting grades.
   c. Steps have already been taken to help alleviate elevator delays, and the school is working with the elevator company to improve responsiveness in the future.

March 2, 1993

1. Further information about the Business School move-in will be reported in an upcoming Record; the news has already been disseminated on the main campus. The summer construction will begin in April, immediately after final exams.

2. The fire alarm on Monday was a false alarm. Dust from construction on the fifth floor got into the elevator and set off the alarm. Fire trucks arrived within 4 1/2 minutes. The school evacuation "went well."

3. The faculty evaluations are taken seriously by the school administration and professors. The professors and deans read every comment. Therefore, it is in the students' own interests to participate. However, the faculty has voted not to make evaluations public, out of concern for turning course selection into a "popularity contests." Student evaluations program was attempted by the SBA, but didn't generate enough student participation.

4. In this time of limited job opportunities, a large number of students who had scheduled interviews with employers at the Public Interest Career Conference never showed up. From Kent, 6 out of 13 skipped,
although similar numbers were reported by other local schools. Nevertheless, a lot of time, effort and money goes into the conference, and the absences are considered inexcusable.

5. There is some concern that the new location for The Record is not catching students’ attentions. There may be a new spot for them in the new Spakateria.

6. Various departments within the law school are formulating "five-year plans," as part of a strategic planning campaign. This will help school become proactive, rather than "reactive." Student groups are strongly encouraged to develop their own long-term plans, especially for budgeting purposes.

7. The proposed student activity fee increase will be $15 more per semester. The fee has not been raised in approximately seven years. Since that time, we have three times as many student groups, and the school administration has been shouldering more and more of the costs. In addition to the relief provided by the proposed fee increase, the school may take over the expense of the Law Review from the SBA.

Deutsch Klub

Come practice your German with us! Wir sprechen Deutsch this Wednesday at 2:00 in the cafeteria. All those interested are welcome.

Environmental Law Society

ENVIRONMENTAL FILM FESTIVAL is this Thursday in the Auditorium!!! Don’t miss it!! There will be thrills, chills, kills, howls, and some serious stuff. We will be showing four films, each about a half hour long, and serving light refreshments. Admission is $1.00. The first film is at 5:30. At 6:00 we will have a half hour break with refreshments, then more movies at 6:30. BRING YOUR OWN MUG or go dry. Here’s what you’ll see (but not necessarily in this order):

We All Live Downstream, a film about Mississippi River dumping and pollution.
Song Dog, shows coyotes doing their thing in their natural habitat (I’ve seen this one; it has some amazing footage).
The Lorax, this one needs no introduction.
Outdoor Adventure Sports Movie, you’ve gotta see it to believe it.
Hope you’ll join us!!!

ELS ELECTIONS: Some new positions have opened up for you dedicated ELSers to run for. We’ve decided to elect Chairs this year for the various areas we want to accomplish great things in next year. That way you can spend your summer hatching exciting projects for your committee. We need candidates for: Recycling Chair, Community Outreach Chair, Alumni Relations Chair, Fundraising Chair, and Speaker Chair. Nominations for all offices may be submitted starting March 16 either to the ELS mailbox or by email to LBASSI. If you have any questions about any of the offices, email NZIPPAY, GBURG, MDONNELL, OR LBASSI. Get going on those nominations.

ENVIRONMENTAL ALMANAC: On March 10, 1934, the conservation-oriented Fish and Wildlife Coordination Act was passed.

RECYCLING TIP OF THE WEEK: USE A CLEAN DETERGENT. Most detergents contain phosphates, which are chemical compounds containing phosphorus. As phosphates empty into streams and lakes, they cause "algae-bloom" by fertilizing algae to the point where it grows out of control. When the algae dies, the bacteria that cause it to decay uses up huge amounts of oxygen needed by other plants and aquatic life to survive. The result: lakes and streams die. WHAT CAN YOU DO? Use a low-phosphate or phosphate-free detergent. The detergent’s label should list the amount of phosphorus "in the form of phosphates." But that’s not the real phosphate content. To get the actual amount, multiply the percentage of phosphorus by 3. Use a little less detergent. Consumer Reports magazine states that manufacturers often recommend using more detergent than necessary. (Surprise, surprise.)
Evening Law Student Society

Note these dates!

On March 11, there will be a Board meeting, which actually is open to everyone. No rooms are available so we will meet in the front lobby of the school at 7:30 p.m.

The second fireside of the semester will be with Professor Ken Port on March 13th, noon, Room 270. Professor Port will talk about intellectual property law and also Japanese law. Please come for candid conversation with Prof. Port regarding these two areas of law -- which will include both an introduction to these two areas and hints on employment opportunities in both fields.

Please see the announcement under "Special Notices" regarding Sam Skinner’s appearance at Chicago-Kent, March 16.

Please also see the announcement under "Special Notices" regarding State Treasurer Pat Quinn’s appearance at Chicago-Kent on April 8.

On Saturday, April 10, noon, Room TBA, Greg Furda, a partner at Sidley & Austin, will join us to speak about the scope of his practice, employment opportunities and helpful hints and suggestions about getting an employment opportunity. He also will talk about balancing law school and work since he too was an evening law student once, at Loyola. Mr. Furda worked in the Chicago Department of Planning upon his graduation from law school. Prior to joining Sidley & Austin, he had a solo practice. He is now a partner at Sidley & Austin in the land-use and governmental relations group. The Chicago land-use and governmental relations group of Sidley & Austin is considered one of the best in its field in the U.S. Mr. Sam Skinner was a partner in this group when he was named President Bush’s Transportation Secretary. Mr. Furda represents major developers in Chicago and nationwide. Two recent projects of his are the new Title & Trust Building and the new Morton headquarters on the Chicago River between Randolph and Washington.

On April 14, the Evening Law Student Society has arranged and is sponsoring a program with Lisa Abrams of the Career Services office specifically targeted to discuss the evening law student’s search for that first law-related job. The program will be held from 5:00 p.m. to 6:00 p.m. in Room 370.

Also, anyone interested in helping with Chicago-Kent’s Fall 1993 orientation, at which we will be working with the new evening students, please email PDOWD or JMCBRIDE. We need volunteers. More information is available from Pat or Jane.

RE: CRITICAL INFORMATION REGARDING: FINANCIAL AID AND NEED-BASED SCHOLARSHIPS

The 1993-94 financial aid application forms are now available in the Office of Admissions and Financial Aid, Suite 230.

Once again, that time has arrived for you to begin the process of applying for financial aid for next year. Please take note of the calendar of important dates below; I suggest that you save this memo for later reference. Your financial aid, whether a loan and/or a need-based scholarship, depends on it.

We have prepared folders containing the applications, as well as information to assist you with the application process. Please be sure to read through the entire packet. There recently have been several changes to the financial aid application process, so those of you who have borrowed in the past will find some new forms and procedures this year. The application packets can be obtained in the Office of Admissions and Financial Aid (suite 230).

Please note that the April 1st deadline occurs during spring break (the dates of spring break are March 28 - April 4). If you plan to leave town, please be sure that you arrange to have your application materials in the Office of Admissions and Financial Aid by April 1st.

To be eligible for all forms of financial aid you must meet the deadlines listed below.

Calendar of Important Dates:

By April 1

1. The Free Application for Federal Student Aid (FAFSA - this is a new form), as well as the FAF, if you are filing that as well, should be received by the College Scholarship Service (CSS) no later than April 1. A pre-addressed envelope is enclosed with the FAFSA and FAF instruction booklets. Plan to mail it in sufficient time to meet the deadline.
2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid no later than April 1. The Office is located in Suite 230.

3. Financial Aid Transcripts must be sent to all previously attended colleges or universities by April 1. If this is the first time you are applying for financial aid at Chicago-Kent.

**By May 15**

1. After you file your FAFSA, you will be sent a Student Aid Report (SAR) by the College Scholarship Service (CSS). All pages of your Student Aid Report should be in your financial aid file at Chicago-Kent College of Law by May 15, even though it will say that you are not eligible to receive a Pell Grant (Pell Grants are for undergraduates only). If you need to make corrections to your SAR, be sure to send a photocopy of the SAR, with all corrections indicated, to the Office of Admissions and Financial Aid at Chicago-Kent. Send the original to the address indicated on the back of the SAR. A revised SAR will be mailed to you approximately 2 weeks after the corrections are received at the processor. Make sure that you sign the report where indicated.

2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Worksheet. These materials and your SAR must be returned before a financial aid award will be determined for you.

**By July 1**

1. You are expected to turn in student loan applications from the lender of your choice by July 1. If you are unsure of a lender, contact the Office of Admissions and Financial Aid at (312) 906-5180. Loan applications for the Law Access program will be available in the Office of Admissions and Financial Aid, Suite 230. You can also obtain a Law Access loan application by calling Law Access directly at (800) 282-1550.
